## 串联版 Part2 目录以及使用说明

串联版 Part2 指的是一篇范文回答多个话题。具体分类看看以下目录就知道了。

翻译里标黄的部分是与其他文章相同的句子，共用的。

但是有些话题问的方向不一样，如果用同一篇范文来回答的话会有跑题嫌疑。所以有些串联的话题我们还是写了 2-3 篇范文，根据问题的问法稍作了一些修改。但是大体上的内容和思路都是一致的~

## 如果我觉得素材有错怎么办？

我们的素材都是经过店主和外教一起编写和检查过的哦！您可以放心！

其实外国人在生活中有一些常用的口头上的表达，看起来很奇怪但实际并没有错的，国内老师也不会懂这些。所以呀！如果你觉得素材有错，我们是非常欢迎您来询问我们滴！千万不要觉得不好意思哦！下面举两个例子：

**"Anna is two years my elder."** 安娜比我大两岁。**"She is four months my younger"** 她比我小四个月。

这是一种比较现代的说法，当然我们平时都会讲 **"Anna is two years older than me"** 和 **"She is four months younger than me."** 但其实外国人都都会用前者多一些的。

**"the majority of the girls were content discussing about how handsome or how affluent their boyfriends were."** 女孩子们都在热烈地讨论他们的男朋友有多帅。

这是现代英语的另一个特征，就是外国人在口头上都常常会省略掉介词。这里就把 **were content with discussing** 的 **with** 去掉了。这在口语上是完全没问题的，但大家在写作中就尽量要避免哦。

Well, I recently learned that there's a successful entrepreneur at our university, an international student named Michael from Kazakhstan. I came to know this person at the opening ceremony for our academic year. During the ceremony, he took the stage on behalf of the international students, and spoke much about his studies and life in fluent Chinese.

Michael and I are enrolled in the same program, which means we share a classroom together every week. He's a pretty friendly and good-looking guy. I've spoken to him a few times during class. His Chinese is so fluent that we can communicate without difficulty. He told me that he followed his father to China to help run a business, and that it was his father who taught him how to speak Chinese. Now, he is engaged in international trade while studying, and he also visits factories or meets with clients regularly.

I think Michael is a real success story. Despite being just a student, he employs what free time he has and foreign language skills towards running his own online store on Amazon. He buys small, inexpensive products made in China and then sells them at a higher price to various parts of the world. I've heard that his store is well run and sells domestic products to increasingly more foreign regions now.

While other students are focusing on their studies, he is courageous enough to start his own business at the same time. You know, it's tough to start a business. His bravery in the face of such great challenges is a highly valuable characteristic to possess. I believe he is my most outstanding classmate. Personally, I believe him to be a brilliant person deserving of my respect.

我的确知道我们学校有一个成功的创业者，他是一个来自国外的留学生，名字叫 Michael，来自哈萨克斯坦。我是在我们学院的开学典礼上知道这个人的。那会他代表留学生上台讲话，用流利的中文讲了很多学习和生活感言。淘 宝：安 小 雅。

我和 Michael 学习同一个专业，因此我们每周都会一起在教室上课。他是个很友善的人，长得也很帅。在课间我跟他聊过几次。他的中文很好，我们的交流非常顺畅。他告诉我他是随他爸爸过来中国做生意的，他的中文都是他爸爸教的。他现在正在边上学边做国际贸易，平时还得去工厂或者见客户。

我认为 Michael 是个成功的人，他虽然只是个学生，但是他利用课余时间和外语优势，在亚马逊上开了一家自己的网店。他会低价买进一些中国制造的小商品，再加价卖到世界各地去。听说他的店铺经营的很好，把国内的产品卖到越来越多的国外地区了。

当其他同学都在专注学习时，他就有勇气边学习边创业。创业是一件非常困难的事。他勇于尝试和挑战的品质非常难能可贵。在我认识的同学里，他应该是最成功的。我认为他是一个优秀的人，值得我学习。

### 03: 中文很好的外国人（新题）

Describe a person from another culture who speaks Chinese very well.

You should say:

who he/she is

which country does he/she come from

how he/she learned your language

and explain why you think this person speaks Chinese so well.

I recently learned that there's an international student at my university who speaks Chinese very well. His name is Michael, and he originally hails from Kazakhstan.

I came to know this person at the opening ceremony for our academic year. During the ceremony, he took the stage on behalf of the international students, and spoke much about his studies and life in fluent Chinese. At the time, I was sitting quite far away and couldn't see his face clearly. If the dean hadn't introduced him as an international student beforehand, I might never have even realized that he was a foreigner!

Michael and I are enrolled in the same program, which means we share a classroom together every week. He's a pretty friendly and good-looking guy. I've spoken to him a few times during class. His Chinese is so fluent that we can communicate without difficulty. He told me that he followed his father to China to help run a business, and that it was his father who taught him how to speak Chinese. From pronunciation to comprehension, Michael started to learn Chinese step by step. Time and effort have combined to make Michael the great Chinese speaker he is today.

He's the first foreigner I've ever met. Getting to know him was quite an interesting experience because chatting with a foreigner in Chinese is truly a magical thing.

我的确知道我们学校有一个中文说得很好的外国人，他是一个来自国外的留学生，名字叫 Michael，来自哈萨克斯坦。

我是在我们学院的开学典礼上知道这个人的。那会他代表留学生上台讲话，用流利的中文讲了很多学习和生活感言。那时候我坐的很远，看不清他的样子。如果院长没有提前介绍他的身份，那我可能并不会觉得他是个外国人！

我和 Michael 学习同一个专业，因此我们每周都会一起在教室上课。他是个很友善的人，长得也很帅。在课间我跟他聊过几次。他的中文很好，我们的交流非常顺畅。他告诉我他是随他爸爸过来中国做生意的，他的中文都是他爸爸教的。一开始他只会模仿中文的发音，后来开始研究每句话的意思。一段时间之后，他发现自己会说一些简单的中文了。也许正是因为他来中国有很长一段时间了，而且时常要陪爸爸跟中国的客户谈生意。所以他的中文才说的那么好。

他是我认识的第一个外国人。认识他是一件非常有趣的事情，因为跟一个外国人用中文聊天真的太神奇了。

One sunny weekend not long ago, I organised a special BBQ party with several friends to celebrate our upcoming graduation. We chose to throw the party at Dafushan Forest Park because it has beautiful scenery and is not far from our school. The park also provides free barbecuing sites and grills for visitors.

We bought an abundant amount of food in advance. At the park, we immediately set about preparations for the barbecue, the boys working on lighting the charcoal, and the girls preparing the food. After a while, the air was filled with the delicious aroma of grilled meat. For me, the process of grilling and sharing the food with my friends was exciting and enjoyable. After the BBQ, we even played my favourite game, Werewolf, wherein we were each assigned a role and attempted to guess the identities of each other. Under the tense and exciting atmosphere, I got fully immersed in the game, finding new surprises and challenges in every round.

The BBQ party was particularly memorable for me because, before that, I hadn't felt such excitement for a long time. The party not only allowed me to enjoy delicious, handmade food, but also deepened my friendship with my classmates. I am lucky to have met such a lovely group of friends and will cherish this wonderful memory forever.

不久前的一个晴朗的周末，为了庆祝我们即将毕业，我和几个朋友组织了一次特别的烧烤派对。地点选在了大夫山森林公园。我们之所以选择那里，是因为它风景秀丽，而且离我们学校不远。公园还免费提供烧烤区域和炉具供游客使用。

我们提前准备了丰富的食材。来到了公园后，大家都积极参与，男生们负责点燃烤炉，女生则负责处理食材。一段时间过后，烤肉的香气扩散在空气中，令人垂涎欲滴。我们大家一起合作烧烤，分享食物，整个过程让我感到兴奋和愉快。饭后大家还玩起了我最爱的狼人杀游戏。我和朋友们在游戏中互相出谋划策、猜测身份。紧张刺激的气氛让我全身心投入到游戏中，每一轮都充满了惊喜和挑战。

这次的烧烤派对让我印象深刻，因为我很久都没有这么开心过了。这次活动不仅让我享受到了亲手制作的美味食物，还加深了同学之间的友情。能遇见这群可爱的同学让我感到幸运。我会永远珍惜这段美好的回忆。

We chose to throw the party at Dafushan Forest Park because it has beautiful scenery and is not far from our school. The park also provides free barbecuing sites and grills for visitors.

As a famous forest park in my city, Dafushan Park hosts not only a spacious green for visitors to take a stroll and rest, but also a beautiful lake for them to row boats or walk alongside. Breathing in the refreshing park air, my friends and I rode bicycles along the forest path and took many nice photos.

As the sun was about to set, we decided to make our own food in the park's barbecue area. We set to the preparations, the boys working on lighting the charcoal, and the girls preparing the food. After a while, the air was filled with the delicious aroma of grilled meat. For me, the process of grilling and sharing the food with my friends was exciting and enjoyable. Copy right by Anxiao ya.

大夫山公园是我所在城市非常出名的森林公园。公园内不仅有大片的绿地供人们散步和休息。还有一个美丽的湖泊，游客可以在湖上划船或者沿着湖边散步。公园里清新的空气让人心旷神怡，我和朋友们一起在公园里绕着林间小道骑单车，还拍了很多好看的照片。

在太阳快要下山时，我们决定在公园的烧烤区自己制作食物。大家都积极参与，男生们负责点燃烤炉，女生则负责处理食材。一段时间过后，烤肉的香气扩散在空气中，令人垂涎欲滴。我们大家一起合作烧烤，分享食物，整个过程让我感到兴奋和愉快。

We enjoyed ourselves so much in the park that we lost track of time, and it was late into the night by the time we finally returned to our dormitory. As much as I enjoyed the party, I began to feel tired after a long day of barbecuing, gaming and socialising. Without even the energy to take a shower, I fell asleep as soon as my head hit the pillow, but it was surely a pleasant exhaustion. I am lucky to have met such a lovely group of friends and will cherish this wonderful memory forever.

#### 08-09: 改变人生的时期 (新题) & 困难任务 (新题)

When it comes to describing something difficult that I encounter in my studies, I would like to talk about the first-class scholarship of our university which I earned last year. It is a big thing that I am proud of.

Last year I tried to win the first-class scholarship. It is based on the academic performance of each semester, and the students whose average score are in the top five of the whole grade are awarded a scholarship of 5,000 yuan. It is a very tough challenge for me because there are 400 students total in my whole grade.

I wanted to earn the first-class scholarship because it was a lot of money for me! If I were to win the scholarship, I could travel to other cities and eat tasty food during the winter vacation. Aside from this, it was also kind of an honor for me.

It is an arduous process to earn the scholarship. I devoted myself to studying and trying to get better scores in every examination. I did this until the day I found out that I was on the scholarship list, I was so excited that I couldn't believe it was truth!

This scholarship makes me very excited and satisfied. It means my whole year's effort was paid back. I shared the good news with my family and friends and they all envied me very much. My parents also said that they were proud of me. The praise from friends and parents made me feel that my efforts were rewarding. I love the feeling of winning awards and will continue to concentrate on study this year.

谈到学习中遇到的困难 (让生活变得更好的事 a positive change in my life), 我想谈谈我获得奖学金的事, 这足以让我自豪了好久。去年, 我试图获得我们学校的一等奖学金。一等奖学金以每学期的学习成绩为基础, 平均在年级前 5 的学生可获得 5000 元的奖学金。要知道我们年级有 400 多名学生, 这无疑是一件非常困难的事。

我想争取一等奖学金, 因为这对一个学生来说是一大笔钱!! 如果我能获得奖学金, 我可以在寒假去其他城市旅游, 吃美味的食物。除此之外, 一等奖学金也是一种荣誉的象征。

我为此努力准备了很久, 包括期末考试和平时的社团活动, 我都拼尽了全力。直到最近我发现奖学金的名单上有我, 我兴奋的在宿舍手舞足蹈起来。

这份奖学金让我感到非常兴奋和满足 (让我的生活变得更好, change my life in a good way), 不仅因为这笔钱可以买很多我喜欢的东西, 还是对我这一年努力的肯定。兴奋之余, 我把这个好消息分享给了我的家人和朋友, 朋友知道了都非常羡慕我, 爸爸妈妈也说以我为骄傲, 朋友和亲人的赞美都让我觉得我

的努力没有白费。我想今年我会继续努力的，我很喜欢得奖的感觉。

## 10: 等待美好事情（新题）

Describe a time when you had to wait a long time for something nice to happen.

You should say:

what you were waiting for

how long you waited

why you had to wait

and explain how you felt when the nice thing finally happened.

I still vividly remember how I waited for almost a month for our college to announce the scholarship award last semester. Fortunately, I finally got the scholarship.

The scholarship is based on both academic performance and volunteer activities undertaken each semester. The students whose average score rank among the top five of the whole grade are awarded a scholarship of 5,000 yuan. This process involves complex scoring and reviews from the professors, so it takes nearly a month to confirm the results.

I wanted to earn the first-class scholarship because 5,000 yuan is a lot of money for me! If I were to win the scholarship, I could travel to other cities and eat tasty food during the winter vacation. Aside from this, it would also be kind of an honor for me. I devoted myself to studying and tried to join in more volunteering activities.

After submitting the application materials, every day of waiting was suffering for me. I kept checking my email hoping to receive good news as soon as possible. When I received the award notification, my heart was filled with joy and satisfaction. It meant that my whole year of hard work had finally paid off. I love the feeling of winning awards and will continue to concentrate on my studies this year.

清楚的记得上学期，在奖学金评选结束后，我等了快一个月才等到我们学院公布获奖结果。幸运的是，我最终获得了该奖学金。淘 宝：安 小 雅。

我们学校的一等奖学金是以每学期的学习成绩为基础，同时参考申请者的志愿活动和日常表现，综合排名在年级前 5 的学生可获得 5000 元的奖学金。这个过程需要经过复杂的评分和老师的审查，所以需要接近一个月的时间才能公布结果。

我想争取一等奖学金，因为这对一个学生来说是一大笔钱!! 如果我能获得奖学金，我可以在寒假去其他城市旅游，吃美味的食物。除此之外，一等奖学金也是一种荣誉的象征。为了获得该奖学金，我努力准备了很久。在期末考试和平时的社团活动中，我都拼尽了全力。

在递交了申请材料后，每一天的等待都让我感到煎熬，我不断检查我的电子邮件和申请状态，希望能够早日收到好消息。当我收到获奖通知的那一刻，我的内心充满了喜悦和满足。我感到自己的努力和等待是值得的。我想今年我会继续努力的，我很喜欢得奖的感觉。

#### 《没见过的有趣陌生人》

Not long ago, I met an interesting girl called Arya in an online IELTS study group. Since then, we've begun chatting frequently on WeChat and share our study experiences with each other.

A: Though I've yet to meet her in person, I really hope to find out more about her.

B: Also, it didn't take me long to find her a creative and smart person.

Arya is very active in the study group, often discussing her experience in preparing for the exam with others. Attracted by her passion, I took the initiative to talk with her online. She has many interesting ideas and has had many amazing experiences. For example, regarding a short-term exchange programme abroad, she shared with me the funny and exciting stories of her life and studies in a different culture. In addition, with an active mind, Arya not only focuses on her studies, but also enjoys discussing current social issues with others and expressing her opinions. Her unique opinions often inspire others to engage in deeper discussion and thought. Thanks to her extraordinary ideas and open-mindedness, our chats often prove enlightening and demonstrate to me the importance of exposing oneself to different viewpoints.

A: In summary, despite having never seen Arya before, I am attracted to her personality, experiences, and ideas. I very much look forward to getting to know her better.

B: I find Arya's views intriguing because she always brings me new perspectives to solve problems.

She is such a charming person that any conversation with her can always trigger my curiosity and propel me to pursue new knowledge and insights.

#### 《喜欢的照片》

In my room, there's a photo on my desk in which I look particularly photogenic. It always brings me joy when I see it. It's a pic from a family trip we took last year, when my family and I headed to the countryside for a chill weekend.

In the photo, we're all standing by a lake. The trees in the background are lush and verdant, and the lake water is clear as crystal, reflecting the trees and the blue sky like a mirror. The sunlight bounces off the lake surface in different colors. The whole picture is so vibrant, showing off how beautiful nature can be. We're all smiling in it, and you can tell we're all having a blast.

Every time I walk into my room, this photo catches my eye. To me, taking pictures is like keeping a record. It's a way to capture all those little moments in life, preserving them for posterity. While my camera may not be the fanciest, and I'm by no means a pro photographer, this photo is still deeply meaningful to me. That's because life is full of moments worth capturing and sharing with the people in your life who matter. This pic always takes me back to that family trip - a special time filled with laughter and warmth, spent with those I love most.

我房间里有一张放在书桌上的照片，照片中的我非常好看。每次看到它都会让我感到快乐。它是我在去年的一次家庭旅行中拍摄的。当时，我和家人一起前往乡村度过一个宁静的周末。

照片中我和家人站在一个湖边。背景的树木郁郁葱葱，湖水非常清澈，就像一面镜子倒映着湖边的树木和蓝天。在阳光的照射下湖水折射出不同的颜色。整张照片色彩非常丰富，充分展现了大自然的美丽。我和家人都面带微笑，美丽的风光总能带给人愉悦的心情，很显然我们每个人都很高兴。

只要我走进我的房间，就会看到这张照片。在我看来，拍照是一种记录。把点点滴滴的生活记录到自己的镜头里，这样就可以留住这些美好的瞬间，同时它也是一种纪念。或许我的拍照设备不专业，或许我的拍照技术不高超，但是这张照片依然令我感到快乐，只因人生中有太多时刻值得被记录，值得与重要的人分享。这张照片总能让我怀念起那次家庭旅行。那个充满了欢笑和温馨的时刻，那是我和家人共度的宝贵时光。

## 《一幅画》

In my room, there's this cool landscape painting hanging on the wall. It always brings me joy when I see it. I got it on a family trip a few years back, when my family and I headed to the countryside for a chill weekend.

It was painted by a local artist who totally nailed capturing this beautiful scene on canvas. I don't know much about the artist, but you can tell he loved nature and knew how to paint it just right.

This oil painting depicts a tranquil lake and the surrounding scenery. The trees in the background are lush and verdant, and the lake water is clear as crystal, reflecting the trees and the blue sky like a mirror. The sunlight bounces off the lake surface in different colors. The whole picture is so vibrant, showing off how beautiful nature can be.

I really like this oil painting. To me, painting is like taking a photo. It's a way to capture all those little moments in life, preserving them for posterity. This painting always takes me back to that family trip – a special time filled with laughter and warmth, spent with those I love most.

我房间里有一幅裱起来挂在墙上的风景油画，每次看到它都会让我感到快乐。这幅画是我在几年前的一次家庭旅行中购买的。当时，我和家人一起前往乡村度过一个宁静的周末。

这幅画是当地一位艺术家创作的，他捕捉到了这个美丽的瞬间，将其永远留在了画布上。画作的作者是当地的一位艺术家，虽然我没有太多关于他的信息，但我可以感受到他对大自然的深厚热爱和对景色的精湛描绘能力。

这幅油画描绘了一座宁静的湖泊和周围的风光。背景的树木郁郁葱葱，湖水非常清澈，就像一面镜子倒映着湖边的树木和蓝天。在阳光的照射下湖水折射出不同的颜色。整张油画色彩非常丰富，充分展现了大自然的美丽。

我很喜欢这幅油画。在我看来，画画就像拍照一样，是一种记录。把点点滴滴的美景记录到自己的画作里，这样就可以留住这些美好的瞬间。同时它也是一种纪念。这张油画总能让我怀念起那次家庭旅行。那个充满了欢笑和温馨的时刻，那是我和家人共度的宝贵时光。

#### 《有益的广告》

I saw a really good ad recently. It was posted both in the hallways of our dorm and at the entrance to the building. This ad was intended as a reminder for us to be mindful of electrical safety. It aimed to inform all the students that the use of high-powered electrical devices is not allowed in student dorms to reduce the risk of fires.

The ad's content is pretty straightforward. There's an image showing a student using an electric kettle, but it's covered by a big red "NO" symbol. There's also some brief text explaining why these appliances are banned and the punishments that students would face if they broke the rules.

I first saw this ad at the beginning of the semester. The dorm supervisor handed out pamphlets expressing the same information. What's more, they posted it on the bulletin board in the dorm building so that every student would see it.

This advertisement doesn't use complex language; it simply conveys a clear message through a single image and a small amount of text. I believe this kind of public service announcement is very useful. The dormitory is a place where students live in close quarters and the hallways and staircases are relatively narrow. In the event of a fire, students will possibly have only a little time to evacuate. The use of electrical appliances can present serious threats to the lives and property of others. So, in my opinion, it's an outstanding ad that serves as a clear warning while keeping things simple and easy to understand. Copy right by Anxiao ya.

中文思路：

我见过一条很好的广告。那是在我们宿舍楼道和大门口贴的告示。这条广告是为了提醒我们注意用电安全，以大致内容是学生宿舍禁止使用大功率电器，否则可能会引起火灾。

广告的内容非常简洁明了。图片显示了一名学生正在使用电热水壶，但旁边有一个巨大的红色禁止符号覆盖在电热水壶上，表示禁止使用的意思。旁边还有文字简要说明了禁止使用大功率电器的原因和违反规定会受到的处罚。

我第一次看到这则广告是在刚入学的时候，宿管阿姨给我发了一份广告宣传页。此外，它还在宿舍楼的公告板上张贴，以确保每位学生都能看到。

这条广告没有复杂的语言，仅仅通过一张图片和少量文字传达了明确的信息。我认为这样的宣传非常有意义。因为宿舍是一个学生密集居住的地方，走廊和楼梯都比较窄。一旦出现火灾，学生们将很难在短

时间内疏散。违规使用电器会对其他人的生命和财产造成严重威胁。我认为这是一则出色的广告，它有很好的警示作用，同时保持了简单和易懂的特点。

### 《重要规定》

I believe the rule about not using high-powered electrical appliances in our dorms is important. It's all about keeping life in our dorm safe. I first heard about it from the dorm supervisor when I moved in, and there are reminders posted on the dorm bulletin board to ensure that every student can see it.

Basically, this rule means we can't use stuff like electric kettles, induction cookers, or electric heaters in our dorm rooms. It aims to reduce the risk of overloading circuits and causing electrical fires.

If someone breaks this rule, the school takes action. They might start with a written warning, telling you to stop using those high-powered appliances. If you keep breaking the rule, things can get more serious, like getting a disciplinary mark or a campus-wide scolding.

I think this rule is very important. Campus fires happen more often than you'd think, and a lot of them are caused by students using unauthorized electrical appliances. The dormitory is a place where students live in close quarters and the hallways and staircases are relatively narrow. In the event of a fire, students will possibly have only a little time to evacuate. The use of electrical appliances can present serious threats to the lives and property of others. So, the ban on high-powered electrical appliances in the dorms is really all about creating a safe and peaceful dorm environment.

中文思路：

学校宿舍禁止使用大功率电器是一项我认为非常重要的规定，这一规则旨在确保宿舍生活的安全。我是在刚搬入宿舍时，宿管阿姨告诉我的。同时，这个规定还在宿舍楼的公告板上张贴，以确保每位学生都能看到。

根据这个规定，学校宿舍内不允许使用大功率电器，例如电热水壶、电磁炉和电暖气等等。这是为了防止电路过载和火灾的风险。

如果有人违反了这一规定，学校会采取一系列措施。违规者可能会先收到一份书面警告，要求停止使用大功率电器。如果他们继续违规，学校可以采取更严厉的措施，如记过处分或全校批评。

我认为这项规定非常重要。校园火灾事故高发，绝大多数是因为学生在宿舍内使用违规电器引起的。宿舍是一个学生密集居住的地方，走廊和楼梯都比较窄。一旦出现火灾，学生们将很难在短时间内疏散。违规使用电器会对其他人的生命和财产造成严重威胁。因此，学校宿舍禁止使用大功率电器是一项至关重要的规定，它有助于创造一个安全和谐的宿舍环境。

## 17: 给他人建议（新题）

Describe a time when you gave a piece of advice to someone.

You should say:

who you gave advice to

what it was

how this person reacted to the advice

and explain whether you feel you gave this person the right advice.

Just a short time ago, I had a chat with my roommate Arya, and I offered her some advice. It was a friendly reminder not to use an induction cooker in our dorm. It was at the start of the school year, and she brought an induction cooker from home, thinking we could all have a hot pot party in the dorm.

However, I knew that our school has a rule against the use of stuff like electric kettles, induction cookers, or electric heaters in our dorm rooms. I was first informed of it at the beginning of the semester when the dorm supervisor handed out pamphlets with this information. What's more, they posted it on the bulletin board so that every student would see it.

I suggested to Arya that we shouldn't use the cooker in our room and instead go out to a hot pot restaurant to celebrate the beginning of the school year. At first, Arya didn't think it was a big deal. I strongly told her that our dormitory is a place where we live in close quarters and the hallways and staircases are relatively narrow. In the event of a fire, we will possibly have only a little time to evacuate. Moreover, students who broke the rule could receive a disciplinary mark or possibly even a campus-wide scolding. Eventually, however, she agreed with me, and we had a good time celebrating outside.

I believe I gave Arya the right advice. True friends should always look out for each other and give a heads-up when they see a risk. It's all about avoiding any bad consequences down the road.

中文思路:

不久前我给了我舍友 Arya 一个建议，也是一个善意的提醒，那就是不要在宿舍使用电磁炉。那时候刚开学，她从家里带了一个电磁炉来宿舍想跟大家一起吃火锅。

但是我知道我们学校有规定，宿舍内不允许使用大功率电器，例如电热水壶、电磁炉和电暖气等等。这是在刚搬入宿舍时，宿管阿姨告诉我的。同时，楼道和宿舍大门上都有贴着相关的说明。

于是我建议 Arya 不要在宿舍用电磁炉，我们可以一起去火锅店庆祝开学。一开始 Arya 不以为然，觉得这不是什么大事。但我告诉她，大功率电器可能引发火灾或电器故障。宿舍是一个学生密集居住的地方，走廊和楼梯都比较窄。一旦出现火灾，学生们将很难在短时间内疏散。而且如果违反了规定的话，我们会被警告，甚至会被记过和处分。后来 Arya 被我说服了，她愉快的接受了我的建议。

我认为我给了 Arya 正确的建议。好朋友就是应该在发现风险的时候及时提醒对方，不要贪图一时的方便而做出危险的举动。这样才能避免不良后果的发生。

Lhasa is a very interesting city and is one of the most famous travel destinations in China. Located on the Tibetan Plateau, Lhasa is one of the highest cities in the world. It is home to the world-famous Potala Palace, and it is also the holy land for followers of Buddhism worldwide.

I was first introduced to Lhasa through social media, where many travel bloggers recommend it as a travel destination to their followers. This is because Lhasa boasts a unique geography and culture, making it stand out in terms of both scenery and heritage.

A: Most scenic spots in Lhasa can only be reached by car. Therefore, the majority of tourists to Lhasa generally rent a car upon arriving so they can go wherever they want at their own convenience.

B: Lhasa is renowned worldwide for its high altitude and Tibetan culture. Its unique geographical conditions give rise to a distinct climate, allowing tourists to witness its unparalleled plateau scenery unimpeded.

If I have the chance, I will definitely go to Namtso; one of the three holy lakes of Tibet. Aside from the clear lake, visitors can see the snow-capped mountains in the distance. I would also like to visit the famous Potala Palace, which is an iconic landmark of Lhasa.

Lhasa is a magical and interesting city, where the air is thin, but the people are full of faith. I once saw a video on social media that really touched me. It showed Tibetan people in simple clothes, braving the wind and rain, setting off from their homes. Every few steps, they would kneel down and bow their heads in reverence. Their destination was the holy Jokhang Temple. Seeing their powerful faith and devotion made me want to go to Lhasa and experience it for myself.

我是在社交媒体上了解到拉萨这座城市的，我所关注的旅行博主几乎都会向自己的粉丝推荐拉萨作为旅行的目的地。因为这里不论是风景还是人文都有非常显著的地域特色。

A 《感兴趣的地方》：拉萨的大多数景点都需要自驾才能到达，因此，大部分的游客来到这第一件事情就是租一辆汽车，这样他们就可以随心所欲的去任何自己想去的地方。

B 《美丽的地方》：拉萨以高海拔和藏族文化闻名全世界，独特的地理条件造就了拉萨与众不同的气候，在这里游客可以看到独一无二的高原风光。淘 宝：安 小 雅。

如果我去拉萨旅游，那我一定不会错过纳木错。这里是西藏的三大圣湖之一。除了清澈的湖水，远处还可以看到雪山。我想去著名的布达拉宫，这是拉萨标志性的建筑。

拉萨是一个神奇又有趣的城市，这里的空气稀薄，但是这里的人却充满了信仰。我曾经在社交网站看过一个视频。一些衣着朴素的藏民不惧风雨，不怕路途遥远，从自己的家出发，每走几步就会跪下磕头，直到到达他们心中的圣地大昭寺。那种虔诚的信仰之力让我的心灵受到巨大的震撼。因此我非常想去拉萨看看。

Describe a place which is far away that you would like to visit in the future.

You should say:

Where it is

What you would do there

And explain why you would really like to visit this place.

Lhasa is a very well renowned city and I have always wanted to take a short trip to Lhasa. Located on the Tibetan Plateau, Lhasa is one of the highest cities in the world. Lhasa owns the world-famous Potala Palace, and it is also the holy land of Buddhist believers.

Taking the train is definitely the most popular way to get to Tibet. It's not only affordable, but you get to take in the stunning views as you go. The only problem is that tickets can be hard to come by since it's such a popular route.

I wish to go to Lhasa with my family. Most scenic spots in Lhasa need to be reached by car, and my dad is an experienced driver. If I have the chance, I definitely will go to Namtso. This is one of the three holy lakes in Tibet. Aside from the clear lake, visitors can see the snow-capped mountains in the distance. 拉萨是一座非常著名的城市，更是很多中国人心中此生必去的旅游目的地之一。我一直想去拉萨进行一场短途旅行。拉萨位于青藏高原，是世界上海拔最高的城市之一。这里不仅有全世界闻名的布达拉宫，更是许多佛教信徒心中的圣地。

最受欢迎的进藏方式毫无疑问是乘坐火车，火车不仅价格便宜，还可以欣赏沿途美丽的风景。只是我不确定是否能买到车票，因为这条线路实在是太受欢迎了。

我希望和我的家人一起去拉萨。拉萨的大多数景点都需要自驾才能到达，而我的爸爸是一名有经验的司机。如果我去拉萨旅游，那我一定不会错过纳木错。这里是西藏的三大圣湖之一。除了清澈的湖水，远处还可以看到雪山。我想去著名的布达拉宫，这是拉萨标志性的建筑。

#### 《感兴趣的科学领域》

I have been interested in AI since I was a kid, having watched many movies that explore the idea of rapidly advancing AI developing its own thoughts to the detriment of human society. However, I always felt those movies were somewhat exaggerated.

It was around a year ago that I was made aware through social media just how rapidly AI technology is developing. For instance, software like ChatGPT can engage in conversations based on users' needs. It helps users to plan trips, write papers, and even edit computer code. In the real world, AI applications are diverse, ranging from self-driving cars to AI-generated art and smart home devices.

I now habitually follow news related to AI and tech products. As AI is increasingly being applied to daily life, I would like to keep abreast of these developments. I plan to do this by buying some smart home appliances to make my life more convenient.

I believe that in the near future, AI technology will find applications in many aspects of our lives and work. Of course, the rapid development of artificial intelligence has also raised some concerns for me. With more and more jobs being replaced by AI, I need to gain a deeper understanding of it and seek a career that won't be easily replaced by AI to ensure my continued employability.

中文思路：

从小到大，我都对机器人和人工智能非常感兴趣。其实早在我小时候，我就看过很多关于智能机器人的电影。这些电影都宣传了一个理念，那就是发展迅速的 AI 将会产生自己的思想，从而严重破坏人类社会的秩序。但这毕竟是电影，我总觉得它们有点夸张了。

大概是去年，在社交媒体上了解到 AI 这项技术正在飞速发展。例如 ChatGPT 这款软件就可以根据用户的需求来进行对话，它可以帮助用户制定旅行攻略，写论文，甚至还可以编辑计算机代码。而在现实中 AI 的应用也非常广泛，例如自动驾驶，AI 画画，智能家居设备等等都是 AI 技术的应用。

现在，我经常关注人工智能相关的新闻，或者是科技产品。人工智能越来越多的被应用在生活中，我非常乐意购买一些智能的家居电器。它们让我的生活变得非常便捷。

我相信在不久的将来，AI 技术将会应用于我们生活和工作的各个方面。当然，人工智能的飞速发展也让我产生了一些担忧因为越来越多的工作能被 AI 所替代，我必须更加深入的了解它，找到和从事不会被 AI 替代的工作，这样才能保证自己存在的价值。

### 《感兴趣的工作》

I am interested in the field of AI and hope to possibly obtain a role involving the design and development of AI products.

It was around a year ago that I discovered on social media just how rapidly AI technology is developing. For instance, software like ChatGPT can engage in conversations based on users' needs. It helps users to plan trips, write papers, and even edit computer code. In the real world, AI applications are diverse, ranging from self-driving cars to AI-generated art and smart home devices.

To work in this field, I'll need to learn more computer skills. Since I didn't major in computer science, I'll need to engage in independent study to gain relevant knowledge. Additionally, I'll need to enhance my creative thinking skills so that I can effectively bridge everyday life with AI, thereby designing more AI products that contribute to societal development and improve people's lives.

I believe that in the near future, AI technology will find applications in many aspects of our lives and work. Figuring out how to integrate AI into many industries is both a challenging and exciting thing. If I can become an AI designer, I'll have the opportunity to participate in the process of improving technology and driving societal development, which would provide a sense of achievement.

要想从事这方面的工作，首先我需要学习一定的计算机技能。因为我不是学习计算机专业的，所以我需要自学相关的知识。其次，我需要提高我的创新思维能力，这样我才能更好地将生活和 AI 联系起来，设计更多帮助社会发展和便捷人们生活的 AI 产品。

我相信在不久的将来，AI 技术将会应用于我们生活和工作的各个方面。而如何将 AI 应用到各行各业是一件非常有挑战性也非常有趣的事情。如果我能成为一名 AI 设计师，那么我可以参与到推动技术进步和社会发展的过程中，这种参与感和成就感是无与伦比的。

## 23: 有用的发明

Describe an invention which is very useful in your daily life.

You should say:

What it is

What you use it for

Is it easy to use

And explain why it is very useful in your daily life.

In recent years, we have witnessed a rising surge in AI technology, and AI is becoming increasingly used in our everyday lives. One useful innovation I encountered during my college experience is facial recognition access control.

This semester, our university has installed a brand-new access control system in all the dormitories. This system uses facial recognition to confirm a person's identity, similar to Apple's Face ID. It is very easy to use. All I had to do was to register my facial data in the service center, and then I gained access to enter and exit the dormitory. Whenever I want to enter the dormitory, I just need to stand in front of the smart device, and its camera will automatically recognize my face. One or two seconds later, the doors will open.

This new AI system has had a great impact on my life. On one hand, it prevents unauthorized people from entering the dormitory, which affords us security and peace of mind. In the past, there were occasional thefts in our dorms, but since the implementation of this system, such occurrences have significantly decreased. Furthermore, it's very easy to use; we no longer need to carry extra access cards to enter the dorms. The smart camera takes only 1-2 seconds to complete the identity verification. All in all, it's a very useful invention that has made our lives more convenient and our living environment safer.

中文思路:

最近几年, AI 技术正在飞速发展, 人工智能越来越多的被应用在生活中。人脸识别门禁是我校园生活中遇到的一个非常有用的发明。

这个学期, 我们学校所有的宿舍楼安装了全新的门禁系统。这个系统可以通过识别人的面部特征来验证一个人的身份, 这类似于苹果的 face id。它使用起来非常容易。我只要去服务中心录入自己的人脸信息, 就可以获取进入和离开宿舍的权限。当我想要进入宿舍楼时, 我只需站到智能设备前, 它的摄像头就会自动识别我的面部特征。匹配成功后门禁就会自动打开。

这个新的门禁系统在我生活中发挥了不少的作用。一方面, 它能防止校外的陌生人进入, 提高了我们居住的安全性。以往我们宿舍楼偶尔会发生盗窃事件, 但在安装了这套系统后, 盗窃事件的发生次数大大减少。其次, 它非常易于使用, 我们不再需要携带额外的门禁卡即可进入宿舍。智能摄像头只需 1-2 秒钟就可以完成身份识别。总的来说这是一个非常有用的发明, 它让我们生活更便利了, 住的更安全了。

#### 《感兴趣的历史时期》

The Ming Dynasty is a period of history that I'm greatly intrigued by. It spans hundreds of years from the 14<sup>th</sup> to 17<sup>th</sup> centuries. The Ming Dynasty was one of the most magnificent dynasties in China. During that time, not only did some famous events occur, but many commonly known heroic figures also emerged.

I first learned of this historical period when I was in history class of junior high school. With the help of the class and the textbook, I learned that the founding emperor of the Ming Dynasty was born to a family of impoverished farmers, which was why the Ming Dynasty valued agriculture and despised commerce so much. During this period, the power of the Ming emperors achieved new heights, introducing new systems of government unknown to previous dynasties. I'd like to learn more remarkable details and facts about the history of the Ming Dynasty that are less well known. Copy right by Anxiao ya.

The history of the Ming Dynasty resembles more of a microcosm of the greater history of China, which spans thousands of years. Both its glory and darkness are important threads of world history that every history lover should familiarize themselves with. Formerly, I only understood the founding emperor of the Ming Dynasty, Zhu Yuanzhang, to simply be a talented ruler. However, history paints a wilder picture of his life. His life journey from a regular farmer, to becoming a monk, later leading a rebellion as a general, and eventually governing the entire country, is equally inspiring as a human story as it is a historical chronicle. It invites one to speculate on the kinds of difficulties and dangers he underwent during this period, and how his mentality evolved. These fascinating historical details and vivid characterizations are what intrigue me most about the Ming Dynasty.

中文思路:

明朝是我非常感兴趣的一段历史时期。它距今已经有几百年了。明朝是我国最鼎盛的朝代之一。期间不仅发生了一些的著名事件，还产生了很多人们所熟知的英雄人物。

我第一次学习这段历史是在初中的历史课上。通过课堂和教材，我了解到明朝的开国皇帝是农民出身，因此明朝非常重视农业轻视商业。不仅如此，明代皇帝的权利也达到了一个新的高度。这些制度都是之前的朝代所没有过的。我希望了解更多不为人知的历史细节和趣事。

明朝的历史更像是偌大中国，几千年历史的缩影。而它的荣耀、黑暗都是我们每一个历史爱好者所应该了解与接受的。以前我只知道朱元璋建立了明朝，他是一个非常英明的皇帝。但后来我了解到朱元璋传奇的一生。一开始他只是一个普通的农民，后来出家做了和尚，紧接着参加起义并成为了将军，最后竟然一统天下。期间他经历了何种艰难险阻，他的心态又是如何改变的。这些精彩的历史细节和生动的人

物塑造，让我对明朝非常感兴趣。

### 《多次阅读的书籍》

I've been hooked on reading "Those Happenings of the Ming Dynasty." I've read it more than once. This book is awesome because it tells the stories of famous people from history and important events in such a fun and easy-to-understand way. It makes learning about real history a breeze.

This book appeals to me because, in history class, I learned that the Ming Dynasty was one of the most magnificent dynasties in Chinese history. During that time, not only did some famous events occur, but many commonly known heroic figures also emerged. So, I'd like to learn more remarkable details and facts about the history of the Ming Dynasty that are less well known. Luckily for me, this book packed more of a punch than the textbooks at school.

The book is a real page-turner. Even though I've read it multiple times, I always find something new and exciting in it. Take, for example, Zhu Yuanzhang, the founder of the Ming Dynasty. I used to think he was just a smart emperor, but this book paints a wilder picture of his life. He started as a regular farmer, then became a monk, and later joined a rebellion to become a general, before eventually becoming the emperor of the whole country. Can you imagine all the crazy stuff he went through and how he changed along the way? This book really brings history to life, and I can't get enough of it.

明朝那些事儿是我非常喜欢看的一本书，我至今已经看了不止一次了。这本书用通俗直白，幽默风趣的文笔，把著名历史人物的一生和耳熟能详的历史事件描绘出来。让我以一种轻松愉快的方式学习和了解真实的历史。

之所以我对这本书感兴趣，是因为我在历史课上了解到明朝是我国最鼎盛的朝代之一，期间不仅发生了一些的著名事件，还产生了很多人们所熟知的英雄人物。我希望通过这本书了解更多不为人知的历史细节和趣事。幸运的是我确实从这本书里读到了一些课本上没有的东西。

这本书非常有意思，即使我已经看了好几次，但每一次阅读我都会有新的感受。比如以前我只知道朱元璋建立了明朝，他是一个非常英明的皇帝。但书中描绘了朱元璋传奇的一生。一开始他只是一个普通的农民，后来出家做了和尚，紧接着参加起义并成为了将军，最后竟然一统天下。期间他经历了何种艰难险阻，他的心态又是如何改变的。这些精彩的历史细节和生动的人物塑造，让我对这本书非常感兴趣。

#### 《糟糕服务》

Not long ago, I went to a new supermarket near my university, but I had a really bad experience with their service.

This happened on a weekend afternoon when I had a sudden urge to drink a bottle of cola on my way back to the dorm. So, I decided to stop by this supermarket. I spent some time searching for cola in the refrigerated section, but I couldn't find it. I had to ask a salesclerk nearby for help, and to my surprise, she seemed completely oblivious to my presence, playing on her smartphone. Only when I got closer did she impatiently tell me that they were out of stock. When I asked about the price of a specific product, her response was very indifferent. She simply told me that she didn't know and didn't even try to help me find it out. To make matters worse, the cashier at the checkout kept taking with her colleague, leaving me waiting for a long time before I could finish my shopping and pay. The whole shopping experience was terrible, and I felt neither respected nor valued.

Though this supermarket may be the only one near the student dorms, that's never an excuse for lackluster service. This poor service left me feeling very annoyed. It's clear that the staff here have not received proper training, and their attitude and behavior made me feel unwelcome. If they don't try to improve the quality of their customer service, I doubt I'll ever shop there again.

不久前，我去了学校附近一家新开的超市。却遇到了糟糕的服务，这令我非常失望。

这次糟糕的服务发生在一个周末下午。我在回宿舍的路上突然想喝可乐，于是我走进了这家超市。我在冰柜前找了很久都没有发现可乐，只能询问一旁的售货员。令我没想到的是，她仿佛没有听见我说话。一直在低头玩手机。后来我走上前去，她才极其不耐烦的告诉我卖完了。当我询问关于某个产品的价格时，她的回应也非常冷淡，竟然回复我说她也不清楚，也不主动帮助我查询。更糟糕的是，结账区的收银员一直在与同事交谈，我不得不等待很长时间才能完成购物并付款。整个购物过程非常不愉快，我感到自己没有受到尊重和重视。

虽然这家超市是学生宿舍附近唯一的超市，但是这并不是它不思进取的理由。这次糟糕的服务让我感到非常不满。这里的员工明显没有接受过良好的培训，她们的态度和行为让我感到自己很不受欢迎。如果他们不试图提高员工服务质量，我想我再也不会去那里购物了。

### 《新开的商店》

Not long ago, there was this new supermarket that opened up near our university. As well as being a convenient place to shop after class, I had heard they were offering some special deals, so I decided to have a look.

The place isn't particularly big; it actually feels more like a large convenience store than a supermarket. They mainly sell everyday items, snacks, and drinks. As it's just down the street from the student dorms, most of the shoppers here are students from the university.

It might have been because they had only recently opened, but to be honest, my shopping experience there wasn't that great. When I asked about the price of a specific product, the salesclerk's response was very indifferent. She simply told me she didn't know and didn't even try to help me find it out. To make matters worse, the cashier at the checkout kept talking with her colleague, leaving me waiting for a long time before I could finish my shopping and pay. While this supermarket is the only one near the student dorms, it's clear that the staff here have not received proper training, and their attitude and behavior made me feel unwelcome. If they don't try to improve the quality of their customer service, I doubt I'll ever shop there again. As it stands, I don't think this store will be very successful, nor will it become popular among the students.

不久前，我们学校附近新开了一家超市。因为听说他们有一些特价商品，而且距离学校很近，方便购物。我决定去看看。

这所超市的规模不算大，它似乎更像一家大型便利店。主要售卖一些生活用品，零食和饮料。这家超市就开在学生宿舍楼下，因此来这里购物的都是我们学校的学生。

可能因为他们刚开始营业，事实上我的购物体验相当不好。当我询问关于某个产品的价格时，服务员的回应非常冷淡，竟然回复我说她也不清楚，也不主动帮助我查询。更糟糕的是，结账区的收银员一直在与同事交谈，我不得不等待很长时间才能完成购物并付款。整个购物过程非常不愉快，我感到自己没有受到尊重和重视。

虽然这家超市是学生宿舍附近唯一的超市，但这里的员工明显没有接受过良好的培训，她们的态度和行为让我感到自己很不受欢迎。如果他们不试图提高员工服务质量，我想我再也不会去那里购物了。我认为这家店铺很难取得成功，也并不会受到学生们的喜欢。

#### 《昂贵的礼物》

I have had my eye on an elegant Gucci scarf, a grey wool scarf with the iconic Gucci logo on it. It looks very classy. I've been thinking of giving it to my best friend Angela as a gift. Considering its price, it would probably take me several months to save up for it.

I've known Angela for six years. She's been my best friend ever since high school and she has always been my cornerstone and biggest supporter. We took care of and encouraged each other and had a wonderful high-school life together. Now she's about to graduate, I think a luxury scarf will bring her more confidence as she begins her career.

Angela has always had a strong fashion sense. She is particularly fond of the designs of Gucci. I can almost picture how happy she would be when she receives the well-packaged scarf. I want her to feel special and loved with this expensive gift. Although it will take a certain time and energy for me to save up for this luxury gift, I feel it is worth it when I think of the expressions that she will make when she receives the gift. She deserves the best.

Plus, it is not just about price. The feelings behind the price are more important. This represents our relationship and my love for her. Every time she wears that Gucci scarf, she will think of me and remember how much I care for her.

Angela 一直很有时尚感，她很喜欢 Gucci 的设计。我已经可以想象当她打开包装精美的围巾时会有多开心。送她这么贵的礼物，因为我想让她觉得自己很特别，很受宠爱。虽然我可能需要一些时间和精力来攒钱买这份豪华的礼物，但想到她收到礼物时脸上露出喜悦的表情，一切都是值得的。她值得拥有最好的东西，

另外，这不仅仅是价格的问题。更重要它背后的情感意义。这象征着我们的关系以及我对她的爱。每当

她把那条古驰围巾系在脖子上时，她就会想起我，知道我有多在乎她。

### 《喜欢穿的衣服》

I have a Gucci scarf, which is one of my favorite accessories. It's a grey wool scarf with the iconic Gucci logo on it. It looks very classy and I would wear it for several days every week during the spring and autumn. It is very versatile and goes well with clothes of all kinds.

I didn't buy it myself - my best friend Angela gave it to me as my birthday present. This expensive gift surprised me a lot. I've known Angela for six years. She's been my best friend ever since high school and she has always been my cornerstone and biggest supporter. We took care of and encouraged each other and had a wonderful high-school life together.

I love this scarf dearly, not only because it is an expensive luxury item, but also because of its beautiful design. It is soft and has a wonderful texture. More importantly, it looks very elegant with a solid color coat.

Plus, it is not just about price. The feelings behind the price are far more important. These represent our relationship and my love for her. Every time I wear that Gucci scarf, I think of her and remember how much she care for me.

我的衣柜里有一条 GUCCI 围巾，这是我最喜欢的配饰之一。那是一条灰色的羊毛围巾，上面印着 GUCCI 标志性的 logo，看起来非常高级。每到春秋季节，我几乎每周都会有几天带着它。它的款式非常百搭，各种风格的衣服都和它很相配。

这条围巾并不是我自己购买的，而是我的好朋友 Angela 送给我的生日礼物。事实上这份昂贵的礼物给了我很大的惊喜。我认识 Angela 已经有 6 年时间了，从高中起她就是我最好的朋友。她一直是我的基石和最大的支持者。我们相互关怀和鼓励，度过了非常美好的高中生活。

我喜欢这条围巾，不仅因为它是一件奢侈品，同时我也很喜欢 Gucci 的设计。它的质地非常柔软，拥有非常好的手感。更重要的是它搭配一件纯色的大衣真的看起来很高级。

另外，这不仅仅是价格的问题。更重要它背后的情感意义。这象征着我们的关系以及她对我的爱。每当我把那条古驰围巾系在脖子上时，我就会想起 angela，知道她有多在乎我。

### 30-31: 想尝试的水上运动 & 想尝试的冒险

Surfing is the water sport I am keen to try in the future, and it's very popular among young people. I first came across surfing through TV shows where they invited celebrities to try it. It looked really exciting and interesting!

To be honest, surfing is not an easy task. You need to wait in the ocean for a wave to roll in. And when it finally comes, you need to stand up on your board very fast and ride the wave. It's a real challenge, testing your balance and bravery.

I would love try it in Sanya with some of my best friends. I've heard the scenery there is beautiful, with clear waters and professional instructors to teach us! I don't like to do sports alone, so trying out and learning a new sport with friends is far more fun and something to look forward to!

I have seen loads of exciting surfing videos on social media. Those surfers are just too smooth, catching waves and pulling off wonderful tricks like it's second nature. I love taking on new challenges, and surfing seems like such an exciting and interesting adventure. I can't wait to try it and become one of those riding the waves like a pro!

中文思路:

冲浪是我非常想尝试的水上运动（冒险，Adventure），它在年轻人中非常受欢迎。我是从电视上了解到这项运动的（回答冒险时把这句删掉），很多综艺节目都会邀请明星来体验这项运动，我觉得它看起来非常酷。

事实上，冲浪学习起来有些困难。我需要在海里等待海浪的到来。当海浪来临的一瞬间，我需要立刻站起来，双脚踩在冲浪板上顺着海浪滑行。这对我来说是一项非常有挑战性的运动，因为冲浪特别考验冲浪者的平衡性和技巧。

我希望我能约上几个好朋友一起去三亚玩冲浪。因为我听说那里的风景特别美，海水特别干净，而且那里还有专业的教练！我从来都不喜欢独自运动，我认为跟朋友一起尝试和学习一项新运动是非常有趣和令人期待的！

我经常在社交媒体中看到冲浪视频。冲浪者们实在是太酷了，他们能顺着海浪快速滑行，做出各种高难度动作。我是一个喜欢挑战新事物的人。冲浪对我来说非常新奇有趣，我很想尝试一下。我希望我以后能学会冲浪，跟他们一样在海面上驰骋。

## 32: 爱看的体育运动

Describe a sport that you enjoy watching.

You should say:

What it is

Who you usually watch this sport with

Where and when you first watched this sport

And explain why you enjoy watching this sport.

I enjoy watching videos about surfing. A few years ago, when I was on vacation in Sanya, I saw some people surfing at the beach. It was my first time watching this sport, and I developed a strong interest in it. In my spare time, I'm always scrolling through Douyin, checking out the fascinating surfing videos it recommends. My friends don't really understand the appeal, so I'm the only one watching!

Surfing isn't a particularly popular sport in China. As far as I know, only a few people actually do it or even watch it. When a wave comes, surfers need to stand up on their board quickly and ride the wave. Some of those surfers are just incredible, catching massive waves and showing off their skills. Watching those surfers is so exciting! It feels like viewing computer-generated effects in movies. I'm afraid that at any moment, the surfers will be lost in the waves, but in reality, they are able to ride the waves, one after one.

I love taking on new challenges, and surfing seems like such an exciting and interesting adventure. I can get totally absorbed watching those surfing videos for an hour. I really wish I could learn to surf and ride those waves like a pro.

中文思路:

冲浪是我非常喜欢看的一项体育运动。几年前去三亚旅游的时候，我看到一些冲浪爱好者在海边玩。那是我第一次看到这项运动，当时我就对它产生了浓厚的兴趣。我平时空闲的时候，很喜欢看抖音 app。抖音经常会给我推荐冲浪相关的视频。我的同学都对这项运动不感兴趣，所以我都是自己看的。

冲浪在中国是一项非常小众的体育运动，我相信只有很少人观看或者进行这项运动。冲浪者需要在海浪来临的瞬间快速站起来，双脚踩在冲浪板上顺着海浪滑行。因此它具有非常高的观赏性。当海浪特别大的时候，高超的冲浪者能在海浪中快速滑行，做出各种高难度动作！这看起来非常刺激，就像电影中的电脑特效一样。我很怕下一秒冲浪者就会被海浪吞没，但事实上他们都能用自己的技巧冲破一道又一道的大浪。

我是一个喜欢挑战新事物的人。冲浪对我来说非常新奇有趣，有时候我沉迷看冲浪的视频，一看就是一个小时。我希望我以后能学会冲浪，跟他们一样在海面上驰骋。

### 33-34: 乐于助人的人 & 受欢迎的人

| Describe someone who lives in your area who often help other people.<br>You should say:<br>Who this person is<br>How this person helps others<br>How important the help is<br>And explain why you think this person often help other people. | Describe a popular person you know.<br>You should say:<br>How you knew this person<br>Where and when you usually see this person<br>What type of person he/she is<br>and explain why you think this person is very popular. |

Our dorm supervisor, Ms. Huang, is a very helpful person, and all of my classmates really like her.

Ms. Huang is probably in her forties. She's not very tall and has a plump figure, but she looks very approachable. She's always there at the entrance of our dorm, and I see her every time I come and go. She's really friendly and always greets me with a genuine smile whenever I say hi.

Ms. Huang is always looking out for the students in our dorm. She set up a lost and found board in the foyer so that if anyone finds something, she'll take it and try to find the rightful owner. I once lost my ID card and, miraculously, I found it at Ms. Huang's lost and found. I'm so grateful to her for that. Plus, she's really great at fixing stuff. Whenever our lamps or chairs break, she'll help us out and repair them for free in her spare time.

Although Ms. Huang's actions were small, they made a big difference in helping us out. If it weren't for her finding my ID card, I wouldn't have been able to take the high-speed train home. She's so kind-hearted and generous with her time, and I'm really happy to have met her. I'm sure my classmates feel the same way.

我们宿舍楼的宿管黄阿姨是一个乐于助人的人，我身边的同学都很喜欢她。

黄阿姨大概 40 多岁的样子。个子不高，身材胖胖的，看着很和蔼可亲。她基本上整天都会坐在我们宿舍出入口那里，我每天出入宿舍楼都会看见她。她是个很热情的人，每次我跟她打招呼她都带着真诚的微笑回应我。

黄阿姨经常帮助宿舍楼的同学。她立了一块失物招领黑板在宿舍的出入口。但凡有同学捡到别人遗失的物品，她都会无偿地保管并寻找失主。我就曾经遗失了我的身份证，最后神奇地在黄阿姨那里找到了。对此我非常感谢她。此外她还是一个非常善于修理东西的人。有时候我们的灯或者椅子坏了，她在空闲的时候都会帮我们免费修理。

虽然她做的都是一些小事，但实际上帮我们解决了很大的麻烦。假如那次她没有帮我找回身份证，我甚至无法做高铁回家。黄阿姨是一个天生热心肠的人，同时她有足够的空闲时间去做这些事并且乐在其中。我很高性认识黄阿姨，估计我身边的同学们大多也这么想。

## (十四) 捉迷藏

### 35-36: 玩过的游戏 & 印象深刻的儿时经历

| Describe a game you enjoyed playing when you were younger.<br>You should say:<br>What it was<br>Where you played it<br>Who you played this game with<br>And explain why you enjoyed playing this game. | Describe a happy experience you remember very well from your childhood.<br>You should say:<br>How old you were at that time<br>Who you were with<br>What happened at the time<br>And explain why you remember this happy experience. |
|--|--|

Hide and seek was a game I loved to play when I was a child. It's a simple game that only requires at least 2 people to play. The rules are also straightforward. One person acts as the seeker, while the others hide. If the seeker finds someone, they lose.

I remember when I first started primary school, I used to play hide and seek all the time with the kids who lived nearby. We'd always go to the community park to play because it had lots of places to hide such as a slide, bushes, and trees. We'd flip a coin to decide who'd be the seeker, and usually the seeker would find the hiders pretty quickly because the park wasn't that big. I was a fast runner from a young age, so I almost never got caught!

I loved this game because I could easily win - it was so much fun! Whenever I was the seeker, I'd simply pretend to close my eyes to see where everyone was hiding. Even though it was kind of cheating, it made the experience even more memorable. Now that I'm all grown up, I don't have as much time to play games like I used to, so I really miss this childhood experience - especially whenever I pass by the park.

中文思路:

捉迷藏是我小时候非常喜欢玩的一个游戏。这个游戏很简单，最少只需要 2 个人就可以玩了。游戏规则也很简单。一个人充当找寻者，其他人要提前躲起来，被找寻者抓住了就算输。

我记得自己刚上小学的时候，经常和住在附近的小孩一起玩捉迷藏。我们会在社区旁边的公园玩。这个公园里面有滑梯，草丛，还有很多便于躲藏的地方，非常适合玩捉迷藏。我们会丢硬币决定谁当找寻者。大多时候寻找者都能很快的找到猎物，因为公园不太大。我从小就跑得快，所以我很少会被抓住！

我很喜欢这个游戏，因为我很容易在游戏中取胜。每当抽到我的当寻找者的时候，我都会假装闭上眼睛，把大家躲藏的地方看得一清二楚！虽然这很耍赖，但是却让我对这段经历更加印象深刻。现在长大了需要做的事情变多了，感觉再也无法跟小时候一样无忧无虑地玩游戏了。所以我非常怀念这段小时候的经历，尤其是我再路过这个公园的时候。

## (十五) 过年回老家堵车

### 37-38: 印象深刻的汽车旅行 & 得到错误信息的时刻

|--|---|

Last year, our whole family decided to take a road trip back home for Spring Festival. It had been three long years since the pandemic hit, so we were absolutely delighted to go on this trip. We packed our bags in advance, but as soon as we set out, we came across an enormous traffic jam!

At that time, I quickly opened the 'Amap' app to check if there was a faster route. It showed us that there was a serious accident ahead and suggested taking a different route using the national highway. It said that this alternate route could save us over an hour, so without hesitation, we changed our course and followed the app's instructions.

Unfortunately, after driving for quite a while, I realized that the app had led us astray. The new route we were following had a road under construction, which meant there was no way for cars to go through. We had no choice but to turn around and go back to the original route, wasting over two hours of our journey!

That false information from the navigation app was very annoying, and it really got under my skin. To make matters worse, I even encountered some cars that had gone the same wrong way as us. Originally a 4-hour journey, it took us nearly 7 hours to reach our destination. This experience left a deep impression on me. It taught me a lesson that when checking routes, it's always wise to use multiple navigation apps and double-check the information before making any decisions!

去年春节，我们全家人一起开车回老家。因为疫情的影响，我们已经三年没回乡下了。我们提前收拾好了行李，兴高采烈的出发了。结果我们刚上高速，就遇上了意想不到的大堵车。

这时候我打开高德地图 app 查询是否有更快捷的路线。令我高兴的是，它显示前面发生了严重的交通事故，如果下高速改走国道。这样能节省一个多小时的时间。无需考虑，我们果断根据导航指示改道出发。但当我们行驶了很长一段时间后，我发现高德地图给我们指了一条错路。新路线途中有一段路正在施工，无法通车。最后我们只能调头回去原先的路线，白白的浪费了 2 个多小时的时间。

这个错误的信息耗费了我们大量的时间，让我非常生气。我甚至还遇到了和我们一样因为导航而走错路的车辆。本来 4 小时的路程，最终我们花费了将近 7 小时才到达老家。这次的经历让我印象非常深刻。这对我来说是一个教训，就是查询路线时最好要用多个软件，反复确认过再下决定！

My good friend Angela and I travelled to Xi'an during the May Day holiday this year. It's something I have been looking forward to for a very long time, as it has become one of the most attractive holiday destinations in China.

We decided to spend the first day in Xi'an at the Great Tang All Day Mall, a large-scale pedestrian street modeled after the Tang Dynasty, which is a star attraction in the city. During the May Day holiday, the Mall would launch special themed activities, including various free street performances in the evening.

Common sense suggested to me that the night view at the Mall had to be prettier than in the day. What's more, I knew there were going to be performances, so I decided to head there after dinner. Unexpectedly, it was so packed with people from the nearby subway station that I could hardly move. I could only weave between the crowds slowly and what made me even more disappointed was that due to the large number of tourists, the Mall canceled all the performances that night due to safety concerns.

I admit that the Great Tang All Day Mall is one of the most beautiful places I have ever been to, but the sea of people everywhere had an adverse effect on my travelling experience, which made it depressing. Worse still, I did not have a data signal most of the time, and I didn't manage to take any satisfactory photos on my cellphone as the background scenes were so cluttered.

今年五一假期，我和我的好朋友 Angela 一起去了西安旅行。西安是当下中国最火的旅行目的地之一，这趟旅行我已经期待了很长一段时间。

到达西安的第一天，我们决定传说中的大唐不夜城。大唐不夜城是模仿唐代修建的一个大型的步行街，也是西安最热门的景点。恰逢五一假期，大唐不夜城推出特别的主题活动，到了晚上步行街上会有各种各样免费的街头表演。

或许所有的游客都有和我一样想法，我觉得晚上的大唐不夜城景色会更美，还有可以观看演出。因此我选择了晚饭后前往。但我没想到的是，晚上的人实在是太多了。刚出地铁站马路就被挤的水泄不通。我甚至无法选择方向，只能跟着人流慢慢往前移动。更令我感到失望的是，由于游客太多，景区出于安全考虑，取消了当晚所有的演出。

我不得不承认，大唐不夜城是我去过最美的地方之一。但是人多实在是影响旅游体验，我感到非常的压抑。当时我的手机都没有信号了，我甚至没有拍到一张满意的照片，因为照片的背景实在是太杂乱了。

I was completely new here and it soon dawned on me that I was lost. I took out my phone to check the navigation software, but there was no signal due to the crowd!

At that moment, I panicked. With great effort, I gradually convinced myself to calm down and move to a relatively open area. Fortunately, my phone had a signal after I restarted it. Though the signal was weak, I could still use the GPS to see my location. When I occasionally get lost, navigation software works wonders!

今年五一假期，我和我的好朋友 Angela 一起去了西安旅行。西安是当下中国最火的旅行目的地之一，这趟旅行我已经期待了很长一段时间。

到达西安的第一天，我们决定传说中的大唐不夜城。大唐不夜城是模仿唐代修建的一个大型的步行街，也是西安最热门的景点。恰逢五一假期，大唐不夜城推出特别的主题活动，到了晚上步行街上会有各种各样免费的街头表演。

但我没想到的是，晚上的人实在是太多了。刚出地铁站马路就被挤的水泄不通。我甚至无法选择方向，只能跟着人流慢慢往前移动。走着走着，我发现 Angela 不见了，我们被人流冲散了。这对我来说是一个完全陌生的地方，我迷失了方向。我拿出手机想看看导航软件，但这里竟然由于人多没有手机信号！

那一瞬间我慌了神，冷静下来之后，我努力的从人流中走出来，走到了一个相对空旷的地方。然后把我的手机关机后重新开机。令我庆幸的是，重新开机后我的手机有信号了。虽然网络不太稳定，但我可以看到自己的位置了。当我迷路的时候，导航软件实在是太好用了。

#### 《和小孩相处的时刻》

A few years ago, during the Spring Festival, my sister and I spent an entire afternoon making dumplings. Making dumplings is a traditional custom in China. During many important festivals, people will honour the date by celebrating in this manner.

On the eve of the Lunar New Year, my family gathered to make dumplings. We divided the tasks amongst the family. My mum prepared the dumpling wrappers, my dad was responsible for cutting vegetables, and I was the one who finally formed the dumplings. My sister is much younger than me, being only 6 years old at the time. She thought it was so much fun to make dumplings, so she asked me to teach her. But let me tell you, it was quite a challenge for a little kid. I tried teaching her for a long time, but she just couldn't get the hang of it. The dumplings she made were all different shapes, and they would burst when we boiled them. I didn't know what to do, so when she went to watch TV, I secretly fixed the dumplings for her. Finally, after all my hard work, my sister got to enjoy the dumplings she made with her own hands. She was so happy and excited, gushing to me about how she had just figured out how to make dumplings!

To be honest, I really love spending time with my sister, even though there's a big age gap between us. This activity brings our family closer together. It is wonderful and delightful to eat dumplings which we have made with our own hands. Normally, we are very busy, and there are seldom opportunities for everyone to get together. Perhaps what I cherish the most are not the dumplings, but rather the rare reunion.

好几年前的一个春节，我和我妹妹花了一个下午的时间来包饺子。包饺子是中国很多地方的传统习俗。饺子承载着我們对于来年的美好期望。

年三十的时候我们全家人一起在家里包饺子。妈妈负责做饺子皮，爸爸负责切菜，我就负责包饺子。我妹妹年纪比我小很多，当时她才6岁。她觉得包饺子很好玩，就让我教她。然而这对于一个小孩来说显然有些困难，我教了她很久，她都学不会。她包出来的饺子形状各异，而且一煮就会炸开。我拿她没办法，只能趁她去看电视的时候，帮她重新加工一下饺子。最后，在我的努力下，妹妹如愿的吃上了自己亲手包的饺子。她非常开心的跟我说她已经学会包饺子了！

事实上我很喜欢和我的妹妹在一起，虽然我们的年龄差距很大。包饺子让我们一家人拉近了彼此之间的距离。对我妹妹来说，吃到自己亲手包的饺子是一件非常有成就感的事。平时大家都很忙，所有人能聚

在一起是非常难得的。或许我珍惜的并不是饺子，而是这一份难得的团圆。

Making dumplings is a traditional custom in China. During many important festivals, people will honour the date by celebrating in this manner. Dumplings are an essential dish, found on every dinner table in northern China during the New Year's festival. Making and eating dumplings together, primarily in northern China, has become a fundamental activity for the majority of families during the Spring Festival.

On the eve of the Lunar New Year, my family will gather to make dumplings. The tasks are divided between the family. My mum will prepare the dumpling wrappers, my dad is responsible for cutting vegetables, and my grandpa and I will just have a seat and form the dumplings while watching TV.

In China, we believe that dumplings contain our good fortunes for the coming year. My mum will always choose one dumpling to hide a coin inside of. It is thought that whoever eats the dumpling that contains the coin is the luckiest person and shall be extremely fortunate in the following year.

I adore this activity with all my heart. It brings our family closer to each other. It is wonderful and delightful to eat dumplings which we have made with our own hands. Normally, we are very busy, and there are seldom opportunities for everyone to get together. Perhaps what I cherish the most are not the dumplings, but rather the rare reunion.

#### 《有趣的邻居》

I think my neighbor Angela is a very interesting person. We live in the same residential quarter, and first met while walking our dogs; mine a poodle and hers a Pomeranian. I'd say she's a retiree in her mid-60s or so. I always walk my dog after 10 pm, and often meet her in the elevator, so we both got to know each other.

Angela is very kind and funny. She is very caring and treats her pet as if it was her baby. One time, while chatting with her, she told me about how she used to live in a house in the city center that didn't have an elevator. The area around her house was bustling with traffic. Because of this, every time she took her dog for a walk, she had to be super cautious. But after retiring, she moved to our neighborhood. Here, we have all these huge grassy areas that are perfect for dog walking, and elevators in every building, which makes it easy for her and her dog to go up and down.

But here's the funny part. Whenever she takes her dog downstairs for a walk, she actually talks to her dog as if the dog understands her. It's like she's having a conversation with her dog. For example, when her little furry friend steps in some mud on the road, she patiently says, "Sweetie, that's a dirty spot, let's go this way instead." Every time I see her talking to her dog, it cracks me up. It's just too amusing!

我认为我的邻居 Angela 是个非常有趣的人。我和 Angela 住在同一个小区，我们是遛狗的时候认识的。她是一位退休老人，看起来很年长，我猜可能有 60 多岁了。当我在家的时候，我每周都会在电梯里遇见她好几次，渐渐的我们两个就熟悉了起来。我们家养了一只贵宾犬，而她养了一只博美。

Angela 是个善良又有趣的人。她非常有爱心，对自己的宠物就像孩子一样。有一次我跟她聊天的时候，她告诉我她以前住在市中心没有电梯的房子。家附近是车水马龙的道路。她每次遛狗都得小心翼翼担惊受怕的。退休后她就搬到了我们的小区来，因为我们小区有大片适合遛狗的草地，而且房子都有电梯，方便她和她的狗上下楼。而最令我感到有趣的是，她下楼遛狗的时候总是跟狗说话，仿佛她的狗能听懂一样。比如，当她的狗狗在路上踩到泥浆时，她会耐心的跟她的狗说“宝贝那里很脏的，走这边”。每次我看见她跟她的狗狗说话时，我都觉得有趣极了。

## 《最近搬家的人》

Angela is a very interesting person. She moved into my community last year. We first met while walking our dogs; mine a poodle and hers a Pomeranian. I'd say she's a retiree in her mid-60s or so. I always walk my dog after 10 pm, and often meet her in the elevator, so we both got to know each other.

Our neighborhood is located by the river, a small stretch away from the city center. Sure, we don't have all the bells and whistles of the city, but the natural beauty here is incredible. It's a really great place to call home. One time, while chatting with Angela, she told me about how she used to live in a house in the city center that didn't have an elevator. I truly believe that moving to our neighborhood was a significant change for Angela. She has mentioned several times how much she adores this new community. Having an apartment with an elevator is a game-changer for a retired person like her, making it so much easier for her to get around. Plus, she's such a loving person, treating her pet like her own kid. And get this, our community is totally pet-friendly!

## (单独话题)

### 46: 理想之家

Describe your idea of a perfect house.

You should say:

Where it would be

What it would be like

How special it would be

And explain why it would be perfect for you.

When most people consider their perfect houses, a common answer would be a villa or a duplex apartment. In contrast, I would have to say that my ideal home would be an apartment with a large balcony. I believe it is very comfortable to have a big balcony in one's own home.

If I had the chance, I'd want to live in an open area with panoramic views, such as overlooking a river or a lake. I am someone who cares deeply about the environment, and it brings me a lot of joy when I can step out onto a balcony and immerse myself in the beautiful scenery.

I would plant a plethora of plants there, including both common small potted plants but also some larger tropical varieties. I could even install a hammock suspended from the roof of the balcony, as it is extremely pleasant lying in a hammock, enjoying an afternoon tea when the weather is warm and sunny.

If I had a house with a big balcony, it would be a place for me to relax and an excellent space for partying with my friends. I wouldn't need to worry about the mosquitoes on the grass or lampblack when barbecuing outdoors. That's what my perfect house would be. It sounds absolutely perfect.

说到心目中完美的房子，大多数人应该会喜欢大平层或者别墅，而我最喜欢的却是有大露台的房子。我认为没有什么比一个宽敞的大阳台更让我感觉舒服的地方了。

如果可以的话，我希望这间房子能在一个风景优美且视野开阔的地方，比如说江边或者湖边。我是个非常在乎居住环境的人，如果走出阳台就能看到美景，这会让我心情愉快。我想要一个很大的露台，这样我就可以在阳台上种很多植物。不仅有常见的小盆栽，我还希望有一些大型的热带植物。我甚至想要在阳台的屋顶上装一个秋千。在天气好的时候，没有什么比坐在秋千上享受一顿下午茶更惬意的事情了。

如果我拥有了一间带大露台的房子，阳台除了是我放松休息的地方，更是我和朋友聚会的好选择。在阳台烧烤既不用考虑烤肉的油烟，还不用担心草地上的蚊虫。这实在是太完美了。

## 47: 公开发言

Describe a time when you had to give a talk to lots of people.

You should say:

Who you gave this talk to

What the talk was about

Why you gave this talk

And explain how you felt about giving the talk to lots of people.

Despite being kind of an introvert, I often feel uncomfortable when I speak in front of a lot of people. The last time I gave a talk to lots of people was when I had to give a self-introduction in front of my classmates. It was a very interesting experience that I remember very well.

It happened on the first day of my college career. We were all gathered in the classroom in the afternoon. Our teacher had given us an overview of the school and then had asked each of us to go up to the front of the class and introduce ourselves. I believe he wanted to help us get to know each other as quickly as possible.

I am very shy, and when I heard about this task, I felt very nervous. At the beginning, as I looked at all those eyes in the audience focused on me, my mind went completely blank. I told everyone my name, where I was from, as well as a few of my hobbies. But it wasn't until I said that I loved going shopping and playing mahjong that the whole class laughed out loud.

Yeah, I guess my hobbies were a bit different from the others, who were all talking about books and sports. Their laughter put me at ease, and I felt much more relaxed when I continued speaking. Some of my classmates even came up to me after class and asked for my contact info. We ended up creating a chat group, and it's been really cool since - we've even hung out a few times to play mahjong!

我是个内向的人，生活中我几乎不愿意在很多人面前讲话。最近一次应该是我在全班同学面前做自我介绍的经历，说起来它非常有趣，而且给我留下了深刻的印象。

那是我大学开学的第一天。那天下午，我们全班同学被召集到课室，老师给我们介绍完学校的基本情况之后，他要求我们每个人轮流上台进行一分钟的自我介绍，试图让大家尽快熟悉起来。

我是个比较腼腆的人，听到这个任务我非常紧张。刚开始的时候，看着台下那么多双眼睛一起看着我，我的大脑一片空白。我结巴着跟大家说了我的名字，我的家乡，还有我的兴趣爱好。直到我告诉大家我喜欢逛街和打麻将时，全班同学都笑了。因为其他人讲的都很正式，都说自己喜欢看书或者运动。似乎只有我的爱好与众不同。但也是因为如此，大家的笑声缓解了我的紧张，后面我继续说的时候感觉轻松多了。下课后还有几个同学都主动加我微信，我们还因此组建了一个聊天群。在以后的课余生活中，我们约着去打了好几次麻将！

## 48: 令你失望的电影

Describe a film you saw recently that you found disappointing.

You should say:

What kind of film it was

What it was about

Why you decided to watch this film

And explain why you found this film disappointing.

Recently, I watched a comedy film called "Detective Chinatown 2". It tells the story of Tang Ren, who tricks his friend Qin Feng into a journey to New York, where they join a global detective competition that promises a huge cash prize. As they try to find out the identity of a murderer, they discover a bigger secret behind the game.

I decided to watch this film because I liked the Detective Chinatown series very much. The second installment used the same director and actors as the first one, so I was very interested in how this new story compared. I was looking forward to a detective story full of wit, humor, and clever plot twists.

Unfortunately, this second installment is a boring and repetitive film, making it pretty awkward to watch, at times. The storyline is also totally lacking in originality. By the time the killer appeared, I had already guessed that he must have been the culprit. Even the final twist didn't bring me much surprise. It seemed like the director was more focused on creating visually stunning scenes rather than creating a solid, engaging storyline.

Overall, "Detective Chinatown 2" didn't meet my expectations. It wasn't as fascinating as the first film was and feels more like a generic, unoriginal comedy. It is unfortunate when a potentially good movie fails to meet expectations, but at the same time, I realize that not every movie can achieve great success, and sequels often leave people disappointed.

中文思路:

最近,我看了一部悬疑喜剧《唐人街探案2》,电影讲述了主角唐仁为巨额奖金,欺骗好朋友秦风到纽约参加世界侦探大赛的故事。他们在寻找杀人凶手的过程中,却发现了隐藏在这次挑战背后的更大秘密。

我决定看这部电影,因为唐人街探案系列是我非常喜欢的作品。第二部从导演到演员都和第一部相同,因此我对故事的前提很感兴趣。我期待着一个充满诙谐幽默和巧妙情节转折的侦探故事。

然而,我发现这部电影令我失望。整部电影的笑点让人觉得非常尴尬,他们是强迫的和重复的。故事的推理同样缺乏新意,凶手一出来,我就猜到他是凶手了。包括最后的反转,也没有带给我多少惊喜。导演似乎更专注于创造视觉上令人惊叹的场景,而不是发展一个坚实的故事情节。

总的来说,《唐人街探案2》没有达到我的期望。它并不像第一部那样讲述了一个引人入胜的故事,它只适合一家人一起当做普通喜剧来看。一部有潜力的电影拍得不尽如人意是很不幸的,同时,不是每部电影都能大获成功,续集往往会令人感到失望。

## 49: 电脑出问题（新题）

Describe a problem you had when using a computer.

You should say:

what it was

when and where you had this problem

how the problem was solved

and explain how you felt when you had this problem.

Not too long ago, I had an issue with my computer crashing. It was towards the end of last semester, and I was playing a video game with my buddies. Just as we were getting into the game, my computer suddenly conked out. It was working fine one moment, and then, out of the blue, the screen went completely black. I was super frustrated.

I figured it might simply be frozen, so I tried rebooting it. But no matter what I did, my computer just wouldn't respond, and refused to start up. That's when my roommate Anna suggested it could be a hardware problem and advised me to go get it sorted.

I rushed over to a nearby computer store before they closed for the day. The guy there checked it out and told me that the graphics card had fried, causing the whole startup issue. To fix it, I needed to get a new graphics card. That's when I remembered I had bought an extended warranty when I first got the computer. So, I called up customer service, and they told me that the warranty covered any hardware problems which occurred within two years of the purchase. All I had to do was send it in for repairs. Hearing that, I finally felt relieved.

Having your computer suddenly give out on you is a real pain, but luckily, I had that extended warranty. Otherwise, I might've had to shell out nearly a grand to get it fixed. It just goes to show that having insurance can really help out with life's unexpected curveballs.

说起电脑坏掉的经历，不久前我刚好经历过一次。上学期期末的时候，我正和同学在一起打游戏，游戏刚开始不久，我的电脑突然坏掉了。在正常使用的情况下，电脑突然黑屏了，什么也显示不出来。这令我非常懊恼。淘宝：安小雅。

我以为只是电脑死机，想尝试重启，但是无论我怎么操作都毫无反应，我的电脑无法开机。舍友 Anna 说这种情况可能是硬件损坏，建议我去电脑维修的地方看看。

趁着还没下班，我拿着电脑来到了我附近的电脑城。店主检测后告诉我显卡烧坏了，所以才无法开机。这种情况需要更换新的显卡才能使用。我想到了买电脑时购买的附加保险，立即电话咨询了售后。售后告诉我两年内有硬件问题都可以免费更换，只要我把电脑邮寄过去就行。听到答案后我终于放心了。

电脑突然坏掉是令人懊恼的，但庆幸的是我购买了延保服务。否则我可能需要承担近千元的修理费用。适当的购买保险确实可以分担生活中的很多风险。

## 50: 喜欢烹饪的人（新题）

Describe a person who enjoys cooking for others.

You should say:

who he/she is

how you knew this person

who he/she usually cooks for

and explain why you think he/she enjoys cooking for other people.

My grandma is someone who absolutely loves cooking. Her dishes are better than those in some fancy restaurants, no kidding. She's the pride of our family, and I've known her forever since I grew up in her house. She's this super nice and lively old lady.

So, Grandma cooks every day, but her favorite thing is making a feast for us on major holidays. I think that's when she really shines in the kitchen. She believes cooking a tasty meal is the best way to show love. Whenever we all get together, whether it's for a special occasion or just a regular gathering, Grandma whips up all kinds of yummy dishes. She loves trying out different recipes, from old-school classics to new and trendy cooking styles.

After retiring, many old folks feel lonely, but having a hobby they're passionate about can really brighten up their days. For my grandma, that's cooking. She loves cooking for us because it's how she expresses her feelings. She often says that seeing us enjoy her food is what makes her the happiest. Plus, she thinks traditional family meals are super important for keeping the family close and tight-knit. Copyright by Anxiaoya.

我的奶奶是一个非常喜欢做饭的人，她做的菜堪称一绝，比一些高级餐厅都要更好吃。我一直觉得奶奶是我们家的骄傲。我从出生起就生活在奶奶家。因此我从小就认识她了。她是一个慈祥而充满活力的老人。

事实上，奶奶每天都会做饭，但她最喜欢的还是在重大的节日里为全家人做饭。在我看来，这是她展示厨艺的最好机会。她认为为家人做一顿美味的饭菜是表达关爱的最佳方式。每当我们全家聚在一起，无论是节日还是平日，奶奶都会精心准备各种美味的菜肴。她喜欢尝试各种食谱，包括传统的家常菜和新奇的烹饪方式。

老人在退休后通常是很孤独的，这时候拥有一项自己感兴趣的爱好，能够很大程度充实她们的生活。做饭对于我的奶奶就是这样的存在。奶奶之所以如此热爱为别人做饭，是因为她将烹饪视为一种表达情感的方式。她常常说，看到家人享受她做的美食，是她最大的满足和快乐来源。此外，奶奶也认为传统的家庭聚餐对于增进家庭的凝聚力和亲密度非常重要。

## 51: 钦佩的运动员（新题）

Describe a successful sportsperson that you admire,

You should say:

who this person is

what he/she has achieved

what you know about his/her life

and explain why you admire this sportsperson.

To be frank, I don't care all that much about sports, and never have ever since I was a young child. However, I do still know of some famous athletes, and in my opinion the most impressive one is Cristiano Ronaldo.

Cristiano Ronaldo is a football player from Portugal. What I know about him is limited to what I've seen in the media, including on the news and in advertisements. He is very handsome and has a bright smile. These qualities are part of why he has impressed me so much. If my memory serves me correctly, he was Nike's sneaker ambassador, and for a while, you could see him in adverts at bus stops and subways across the city.

After some time, I became interested in him, and I began searching for news concerning him on the Internet. I found out that not only did he have a handsome and charming image, but he was also a world-class football player. His talent and skill have earned him many football prizes and he has won many competitions. He is a talented athlete, but he is also very diligent and self-disciplined. I know of many talented players who often become lazy and indulge themselves once they become famous, leading to a rapid decline in their athletic performance. But Ronaldo is very strict with himself, following a healthy diet, and never eating junk food. During the holidays, he continues going to gym. It is for these reasons that I admire him so much.

中文思路:

事实上，我是个不太关注体育的人，我从小就不喜欢运动。但我还是知道一些知名运动员的，其中印象最深的应该就是 C 罗了。

C 罗是一名足球运动员，个子很高，金发飘飘的。我对他的了解仅限于媒体上看到的新闻和广告。从我第一次看见他，我就觉得他长得很帅，而且笑起来很阳光。这也是我对他印象很深刻的原因。如果我没记错的话，他是耐克的球鞋代言人，有那么一段日子，公交站牌和地铁上都是他的拍的广告。

后来我对他产生了很大的好奇，就在网上搜他的资料。我发现他不但形象很好，足球也踢得很棒。他拿过很多足球的大奖以及比赛的冠军。他是个很有天赋的运动员，同时也非常勤奋和严于律己。我知道不少有天赋的球员，但他们往往在成名后就懒散和放纵自己，导致他们的竞技状态下滑地很快。但 C 罗非常严于律己，严格按照运动员的标准饮食，从不吃垃圾食品。假期里他都坚持每天健身锻炼，从不停歇。这应该也是我非常崇拜他的原因。
