

Describe a good law in your country

you should say

what law it is

when you first heard about this law

what it is about

and explain why you think it is a good law

what: 22 20

when: middle, 13, politics, shocked, neighbors, 18, X certificate, ceremony, X legal

why: age limit, prevents, young---immature, wait, older, more mature

First of all, can I say that I find this topic super difficult. Not in my wildest dreams did I never think that I would get a topic like this on the IELTS speaking test. I thought it was just gonna be a casual conversation with you. I guess I'll have to take it again soon.
