Part2

逻辑扩展法

GUOXUE.COM

学为贵

版权所有 盗版必究

- 人说part2难，难于上青天。
- 无非四小问，权当part1练。
- 从上往下答，尽量不串点。
- 开口第一句，句型您别换。
- 第二三四段，过渡要自然。
- 念题anyway，主题句扩展。
- 小点有详略，雨露不均沾。
- 但凡讲故事，细节往上搬。
- 笔记记得好，part2最简单！

- Remember, this is a test of speaking, not of your experience! Do not panic if you have no experience with the topic. For example, you can talk about someone else's experience instead of your own, or say that you can't remember a funny movie, but you do remember a sad one.
- Do not worry if the examiner stops you. You are allowed to speak for only 2 minutes.

- 如果不明白话题卡上的某个单词，或者想要明确陈述任务，应马上提问。考官会做简短回答帮助你理解。不要在弄清题目意思上浪费时间！
- 话题卡上的提示性问题旨在帮助你准备作答。但是，如果你的陈述没有全部按照卡上的提示来作答，不会被扣分。流利、不间断的两分钟作答要比把话题卡上的信息点说完更重要。
- 记住：这是口语考试，而不是个人经历考试！如果没有与话题相关的经历，不必慌张。例如，你可以谈一谈别人而不是自己的经历，或者告诉考官你想不起一部有趣的电影，但倒记得一部伤感的电影。
- 如果考官打断你，不要担心。只给你 2 分钟的陈述时间。

—I'm going to talk about 郭德纲 who is by far the funniest person I know. He's a super well-known comedian in China and so many people like him and watch his performances. He specializes in a comedy form named 相声, which is called Crosstalk by some people. It's kind of like standup comedy, but there are usually two people performing together in a Crosstalk show, as opposed to only one in standup.

—I know him because ... um ... I remember I was 9 or 10 years old and I was watching TV with my parents one day. I saw his performance on TV and it was ... hysterical. I mean, he was so funny that I just doubled over with laughter.

— ***What comedies he has done ...** well, like I mentioned, he mainly does Crosstalk, but he also acts in comedy movies from time to time. For example, he directed and starred in a movie named 我要幸福, which translates as I Want to be Happy, a few years ago. It was quite hilarious and I actually saw it in the theater twice.*

— ***Anyway,** I think 郭德纲 is one of the most talented comedians in China and he has done a pretty good job bringing people laughter. I really like him.*

*—I'm going to describe the time when I complained about the service in a restaurant. It happened **in February, during the spring festival holiday**. My whole family went to Phuket on vacation. It was the first time my parents had been abroad, so I wanted this experience to be as enjoyable as possible for them. **On our fourth day in Phuket**, we found a restaurant that seemed really good. It specialized in Thai food and wasn't very packed, so we decided to eat there. However, after ordering our food, we waited for a long time, for at least 30 minutes, to be precise. That's why I made a complaint about it.*

He told me he had seen me before in our apartment building and we found out that lived in the building. That's how we know each other.

—I'm going to talk about a sports magazine named Daily Sports. Although the name has daily in it, it actually comes out weekly. It's a very popular magazine in China with those people who are quite into sports, including myself.

—I first read this magazine when I was in high school. I remember it was in my second year of high school, um, one day, I was hanging out with a good friend of mine who was also a sports fan. We were talking about Cristiano Ronaldo and he said that there was an article in a magazine talking about him that was quite fascinating. That was the first time I heard about this magazine. I bought it later and quite liked it.

—I'm going to describe a party that took place last year. That was the last party I went to coz I'm not really a party animal. It was in the middle of my summer vacation, in August I guess. I don't remember very clearly. One of my friends had just come back from the UK. She'd studied there for a year, so we hadn't seen each other for a long time. That's why when she came back, we figured we should get together and catch up.

— This friend who organized the party is one of my closest friends. We've been super tight since we were kids. We've always done everything together - reading, shopping, traveling. We even sometimes wear each other's clothes. This is why we both thought it was important that we had this party when she came back.

– *What we did ... well, we went to a karaoke bar with some other friends and ... **for starters**, we obviously sang a large number of songs there - some were old, like decades old; some were new, I mean, those that had just come out. One of the songs that we sang several times at the party was named 双节棍. It's a Chinese song by Jay Chou, one of the most talked about singers in China. We all loved it and sang it together a few times.*

***Another thing we did** was ... eat! There was a buffet at the karaoke bar, so we ate a lot - spaghetti, pizza, drumsticks, some Chinese food and so on.*
