He told me that he had taken part in many environmental protection activities, like Eco Handkerchief and Eco Driving. He tried his best to raise environmental awareness of people. He said that movies were effective ways of spreading his ideas. However his wife totally disagreed with his thoughts and they got divorced in 2001. I was so touched and motivated by his spirit. He is such a great role model and I really admired him.

### **Describe an interesting animal**

You should say:

What it looks like

When you saw or knew it for the first time

Where it lives

And explain why it is interesting

I would like to talk about a wild monkey. It is a yellow one with two long arms. I saw that monkey at the local park about several years ago. Wild monkey is extremely clever for example it often imitates human behaviors. So a lot of wild monkeys are trained to be excellent performers and we can see them along some busy streets.

I like it because of an interesting experience. It was on a beautiful spring morning. At that time I was walking around at the park I just mentioned and felt very relaxed. Suddenly I saw a group of young people not far away from me practicing Tai Chi. Surprisingly a lovely monkey in front of them was doing the same thing just like a real human being. A beautiful girl smiled to me and told me that its name was Jack and he had become a member of that Tai Chi team. I was amazed at this discovery. I took a photo of Jack and share it on my Weibo.
