《听力预测机经》考题还原使用的使用说明

备考小贴士：听力机经本质就是历史答卷的重建，用于未来考试重复使用的

【1】听力预测机经 原题原顺序可以达到 95% 还原度，四篇全套默写基本可以考到 7.5+（如果你的听力实力不可能为“零”分）；和网络下载整理渠道（+老师考试）和内容详实，版本号完全不同。配套预测一定请区别。

【2】听力机经因为是笔试试卷的重建，没有配套 Mp3；而《剑桥雅思 4-8》Mp3 是目前唯一体现考试真实声音的文件。剑桥系列听力 Mp3 对应的 S1-S3 版本 尽管不像机经预测书中那样，原文原题会再次出现，但很多场景有类似借鉴之处。而#剑桥听力 S4 连类似场景和答案不会重现，可以不听#

【3】部分真实试卷和听力机经的题干或者顺序有不同 （1）官方极少（只是）修改版本中的不合理的错误编排 （2）大部分原因是原始回忆老师和同学记忆的限制。

Receptionist(Female)：Town hall reception desk. How can I help you?

Resident(Male)：Yes，I want to ask about rubbish collection.

Receptionist(Female)：Ok.

Resident(Male)：Last Wednesday I put the dust bin out，and it was emptied. Yesterday was Wednesday. SO I did the same thin9，but the rubbish hasn't been collected yet. Is there a time change for rubbish collection.

Receptionist(Female)：Yes. This Monday is a holiday. And due to this reason，the collection has been shifted to Friday，which is tomorrow. You can put out your dust bin just by the road side

tomorrow， and there will be people to empty it for you.

Resident(Male)： Thanks. I just moved here. And I'd like to know some about rubbish recycling. Receptionist(Female)： We do encourage our town residents to cycle their wastes as much as possible. Now that you are new in town， we normally would give out a welcome pack to new residents. Unfortunately it has run out just recently. But you can always contact the Resident Advisory Unit concerning any questions you may have.

Resident(Male)： The Resident Advisory Unit?

Receptionist(Female)： Yes. The person you may need to talk to is called Peter Wisborough·

Resident(Male)： Peter... what?

Receptionist(Female)： Wisborough， spelled W-i-s-b-o-r-o-u-g-h. And the address is l 6 Bridge Road， Rivertown.

Resident(Male)： Is that two words or just one word?

Receptionist(Female)： Just one word. And the post code is PH12PE. You can also call him at***or send a fax to***.

Resident(Male)： I don't have a fax machine. I think I can save that. But is there any other way to contact him， say Email or that sort of thing?

Receptionist(Female)： Yes. You can write to helpline， one word， at， the keyboard symbol， blackcat， one word again， dot com， without any dots at the end.

Resident(Male)： So it's helpline at blackcat dot com.

Receptionist(Female)： Right. And there you can ask them to install a yellow box fight in front of your house for your everyday newspaper. And it's completely free of charge.

Resident(Male)： Great. What about the recycling center?

Receptionist(Female)： Right. Now back to recyclin9. There are many recycling centers in town. And the nearest one， I guess， is Central Park.

Resident(Male)： Um. What kinds of articles are collected and can be recycled.

Receptionist(Female)： There are many kinds. First we have glass， which should be put in the glass recycle bin. But remember， it doesn't include light bulbs. We have had some cases where people accidentally dropped in some bulbs and mined the whole glass collection.

Resident(Male)： What others? Metals?

Receptionist(Female)： Yes. But not crisp packets. Plastics can also be recycled， bottles and stuff. Then it is paper， like newspapers. Remember don't put magazines in this collection bin， because they use a different kind of paper than newspaper. There is another class of collection for it.

Resident(Male)： Can clothes be recycled?

Receptionist(Female)： Yes， and textiles. There are many other additional notices to all this recycling， all but to make our town energy and resource efficient. You can find all of them in the booklet you may get when you visit the Resident Advisory Unit. It is called "Save It".

Resident(Male)： Woow. Great. Thanks.

Receptionist(Female)： Sure. If you need any other helps， please don't hesitate to call the *reception again. Bye Resident(Male)： Bye.*
