Smile

话题词:

对生活报以感激: be grateful for life

善意: kindness

向某人假笑: pretend to smile at ~

1. How often do you smile?

I smile every day, because I think there will always be something that can make me happy on a daily basis. Moreover, my parents told me that I should be grateful for life. Hence, I will smile for toothsome food, happy experience, a new skill that I learned, and so on.

2. Why do you smile?

被上题吞掉

3. Why do some people fake a smile?

It is hard to judge. On formal occasions, like important meetings and wedding ceremonies, people pretend to smile at others to show their kindness and politeness. Moreover, People also fake a smile to show their respect when they meet neighbours face to face.

Rubbish

话题词:

乱丢垃圾会被罚款: drop litter will be fined

垃圾桶: trash can / garbage can

分类垃圾: v. sort rubbish

有教养的: cultured

1. Why do some people litter?

I think this is related to one's living environment and education background. I mean; when you are in a society where no one else obeys the rules, you will become a strange man if you are not like them.

However, sometimes, someone may litter because he/she couldn't find the trash can.

2. How do you feel about that?

This is a bad behavior, whether it is voluntary or passive. Each of us should act as the opinion leader of the people around us and guide them to do good-mannered things.

3. Do you pick up litter when you see it on the road?

Yes, I will. And I think nearly all Chinese people will do that as well. When we were in primary school, we were taught to protect the environment.

Making plans

话题词:

没有规划的: unplanned

抵挡诱惑: resist temptations

1. Do you make a plan every day?

Actually, there is no need to do that because + struggle

I mean; now, I have no other plan except study.

2. Do you manage your time well?

It's hard. Sometimes, I cannot resist many temptations, such as good movies, amazing gossip, exciting video games, gorgeous clothes, you name it. All of these things will push me to give up the original plans to chase them. They are monsters!
[苦笑+皱眉] But, I have no idea.

3. What is the biggest difficulty you have in managing your time?

不会问了【上文说了无法抵挡诱惑】

Perfume

话题词:

迪奥: dior 祖马龙: Jo Malone

淡香水: eau de toilette [/,əʊdetwɑː'let/]

香味: fragrance; scent

涂香水: wear the perfume

令人沉醉的气息: heady scent

1. Do you like to wear perfume?

It depends. [为了照顾男生]

When I need to have a date or attend formal occasions, like wedding ceremony, I will use perfume. It is a sign of respect and sincerity.

However,

In my daily life, I would not use that because I tend to faint 【晕倒】 from perfume, especially in confined spaces 【密闭空间】.

2. What kind of perfume do you like?

I'd like to use eau de toilette [/'æudetwɑ:'let/] 淡香水 (实在记不住就是 perfume) made by famous brand Jo Malone, especially the heady scent of wild bluebell and red roses (挑两最简单的). They can increase my confidence and make me feel as if I am in the wilderness and nature. I love that feeling very much.

3. Will you send perfume to your friends?

Yes, perfume with big names, like DIOR and CHANEL is a precious and exquisite gift. Sending it to my friends can show my respect and sincerity. Fragrance is such a wonderful element that can increase a person's charm.

Rainy days

话题词:

倾盆大雨: rains cats and dogs

落地窗: French window

1. Do you like rainy days?

Sunny days + outdoor activities + e.g.

2. Which situation is better for study, sunny days or rainy days?

Sunny days

I like to enjoy the sunshine pour into my room through the French window. With this kind of peaceful feeling, I can concentrate more on my study. And my study efficiency can also be improved a lot.

修改增加题

Photo

Do you prefer to take photos by phone or camera?

Phone

I am not a professional photographer, so I think taking a camera will increase my weight in the outside. If it's hot outside, this will be worse.

Music

What type of music do you dislike most?

I hate rap because I don't like fast songs. They always make me feel upset, and rap is hard to understand the lyrics.

Street market

话题词:

精美的包装: exquisite packaging

娱乐活动: recreational activities

拥挤的人潮: n. the crowds

大都市: metropolis

1. What is the street market for?

Street market is a good place for people to kill time. I mean; we can buy products we need there, and do various recreational activities as well, such as singing Karaoke, enjoying afternoon tea time, and so on.

2. Are there many street markets in China?

Sure, including WANGFUJING street in Beijing, TIANZHEN street in HAIKOU, and all that. China has numerous metropolises and large population, so governments have to build as many as street markets to meet the needs of the public.

3. What is the difference between street market and supermarket?

Street market products are generally relatively cheap because they are not beautifully packaged. However, the quality of goods in supermarkets can be

relatively guaranteed, because we can find the source of production through the outer packing.

Visit

话题词:

直系亲属: direct relatives

远房亲戚: distant relatives

聊家常: discuss the household

1. Do you often visit relatives?

No + struggle

2. What you always do with your relatives at that time?

It depends.

If it's to visit some close relatives, I would like to have a reunion dinner with them.

Chatting sth. new, or sth. interesting with them can strengthen our relationships.

However, when it comes to distant relatives, I might just sit silently on the couch, waiting for my parents to say, "oh, it's time to leave."

I would be so so happy at that time. Hhhhh

3. when was the last time you visited your relatives?

Last month, my grandmother invited me to her home for dinner, because it was her 80th birthday. Nearly all the family members attended her party, and we celebrated an unforgettable event together.

Math

话题词:

Calculate v. 计算

formula n. 公式

Function n. 函数

addition and subtraction 加减法 n.

1. When did you start leaning mathematics?

My parents began to teach me how to read numbers when I was 3 years old. It' s sad, but I have to say that addition and subtraction are mandatory for every student in China, starting in first grade.

2. Do you like it?

I hate it. Because I cannot remember those boring formulas at all. Moreover, when I was in high school, math almost destroyed me, especially the function, I could only get 60 marks every time.

3. Do you think mathematics is important?

I have to admit that it is important. In life, we need to use mathematics to calculate money. What' s more, in the field of science and technology, many industries need to use mathematics to accurately calculate data, such as architecture.

Although we can use weibo to learn about the latest gossip, I Rarely scan it +
横轴 10

2. Do you think social media is a good place to make friends?

It is hard to say.

Social media allows introverts to open up to strangers. And we can also make friends with people who have the same hobbies as us on the internet.

However,

This relationship is not strong and may break down because you no longer play the same game or enjoy watching the same TV show.

3. Do you want to study social media science in the future?

Yes, I will. With the development of technology, many functions of social media

have yet to be developed. I think this is a very innovative field.

Movie star

话题词:

Gorgeous 好看的

accommodating 乐于助人的

Impoverished people 穷困的人

tone-deaf 五音不全的

Emma Watson 艾玛沃森

Harry potter

1. Who is your favourite movie star?

My favourite movie star is Wang Junkai, who is a popular actor in China. I love him because he is rather gorgeous. I mean; he has a pair of deep eyes. What's more, Wang is also an accommodating man. He always donates money to help impoverished people. And that behavior influenced me a lot.

2. Do you want to be a star?

No, because I will lose my privacy. I mean; paparazzi will follow me all the time. It's rather upset.

Besides, I am tone-deaf, I cannot do that job very well.

3. Do you know international movie stars?

I like lots of international movie stars, and Emma Watson ranks Top 1 in my mind. Her movie Harry Potter touched me a lot because of its vivid plot and impressive lines.

事件经历类

- A time you solved a problem by using the internet

1. What it was
2. When it happened
3. How long did it take you to solve the problem
4. How did you solve it

6 months ago, my family was planning a trip to Hangzhou, and I was responsible to make the project and book hotels on the Internet. Hangzhou 的名位 title 历

As what I said just now, it happened about 6 months ago, because we had a 10-day holiday at that time.

I spent nearly 2 days to solve that problem by looking up useful information on the internet and scanning some related books.

I solved the task in many ways,

First, I found a tourism documentary about Hangzhou on the internet and watched it. That TV program introduces 横轴 2 of Hangzhou, such as the west lake and lingyin temple, which helped me make an excellent travel plan.

Second, I also found travel guides posted by others on the social media WEIBO. They all recommended people to book a hotel near the West lake called TIANZHEN, because the food provided by that hotel is very toothsome and mouth-watering, especially the dongpo pork and longjing shrimp.

Generally speaking, that is the problem what I want to say.

P3

- 1) Are there many people wasting their time on the internet?
- 2) What do people usually do with the internet? 【答案需要不光强调娱乐, 还要强调学习】

- A time you had to get up early
 1. When it happened
 2. What you did on that morning
 3. Why you had to get up so early

6 months ago, I was planning a trip to Hangzhou, and I chose the airplane to go because that city is far away from where I were. Hangzhou + 名位 title 历

I remember it was a Wednesday morning and I got up at about 4 am. I did a lot of things before I went to the airport, including packing my suitcase, reserving a taxi, eating the breakfast and so on.

I had to get up early for many reasons,

First, the plane ticket for Hangzhou at noon was very expensive. And I was a student, so I couldn't afford it. I mean; that's why I chose to book a really early flight.

Second, I made an appointment to meet my friend Peter in a local restaurant of Hangzhou at 12 o'clock, because we needed to talk about sth. important. If I hadn't chosen that early plane, I wouldn't have been able to get to Hangzhou before 12.

Generally speaking, that is the event what I want to say.

- A time you gave advice to a person

1. Who you gave it to
2. When it happened
3. What advice it was
4. What's the result of it

Last year, I gave some tips to help my little brother Peter learn Japanese better. He is a university student, and in my eyes, Peter is rather handsome with a pair of deep eyes.

As what I said before, it happened last year, because he was planning to have a trip to Japan but he said that Japanese was rather difficult to him.

I suggested him watch some Japanese animations to take himself into a visual local environment because the grammatical order and pronunciation habits of Japanese are rather different from Chinese. Moreover, I also made a complete study plan for him because he couldn't concentrate on one thing for a long time. I mean; after he studied for an hour, he had to play for a while, which made the progress very slow.

With our joint efforts, he finally learned this language. And this affair improved his confidence and patience. I mean; it tells him that 横轴 6.

Besides, the result also gave him a sense of achievement. Because he can use Japanese to have some simple conversations with other people now.

P3

- 1) What general advice will parents give to children?
- 2) Should parents give the advice to decide the friends you make?

- A time when a child did sth. to make you happy

1. When it happened
2. What the child did
3. Why it made you happy/laugh
4. How you felt about that

Last spring festival, my little bother Peter painted a Tang-suit for me. And I was so happy when I received that gift.

That painting is not so big, with about 1m long and 50cm wide. Tang-suit is a kind of Chinese traditional clothes that people may wear on formal occasions. On his painting, that piece of clothing is a red one, with 2 long sleeves and a standing collar. Besides, there is also a pattern similar to the Chinese dragon on it.

It made me so happy because Chinese dragon 横轴 1. I think that gift can bring me good fortune.

What' s more, tang-suit is one of my favourite types of clothes, because it can be traced back to more than 100 years ago, and I especially like to explore Chinese traditional culture and customs. Apparently, that gift is my taste.

I felt very touched, because that was the first time I received a gift from my ten-

year-old brother. And I was especially gratified that he could be so considerate at such a young age.

- A time you invited your friends or family to have a dinner at home or in a restaurant

1. When it happened
2. Where you had it
3. Who took part in it
4. How other people felt about that meal

Last spring festival, I invited nearly all the family members to my home to have a party together, for celebrating the most important festival in China.

We had a dinner in my home. It's a sweet flat located in the north of my city, and which was built about 10 years ago. There are many subway stations and bus stops near my home so they could be easily reached.

I invited nearly all my direct relatives to come since we hadn't seen each other for such a long time.

They all said it was an unforgettable dinner.

My parents and I prepared a feast to treat them. I mean; We made a lot of mouth-watering and toothsome dishes, like dongpo pork, kunpao chicken, peking duck and so on. And that dinner (横轴 11) ed.

Second, after the dinner, we also did recreational activities together, including playing mahjong and lighting fireworks. Those activities (横轴 5)ed

P3

- 1) Do people in China like to eat at home or eat outside?
- 2) What is the difference between the food that Chinese people eat on festivals and in their daily life?

- A time that a person you didn't know who was talking through the phone in a public place

1. When it happened
2. Where it happened
3. What he/she said
4. How you felt about it

Last month, I met a person on the subway who was loudly calling her husband with tears in her eyes because she seemed lost her way.

That woman was about 40 years old with a red coat that was not so fashionable. I mean; she seemed to come from a remote place.

I didn't hear what she said clearly, but all were about "where are you? I cannot find you" and so on.

I think she was helpless and pathetic, although her behavior was not every polite and disturbed the public order. We should give more tolerance to the society,

because everyone will encounter some emergencies and things beyond their control. At that time, if someone can help, the society will be more harmonious.

Luckily, after 5 minutes, the police came and gave her a hand timely.

Anyway, happy ending! Hhha

The game show I'd like to describe is a live video on League of Legends 【英雄联盟】. League of Legends is a multiplayer online battle arena /əˈli:nə/ video game developed and published by Riot /ˈraɪət/ Games. In this game, players assume the role of a summoner /ˈsʌmənə/ with unique abilities to battle against a team of other players.

I watched the game show about 6 months ago, because I had a 7-day holiday at that time.

The game show introduces the 2018 League of Legends final. The game was played between 2 famous teams, IG and WE. At last, IG won the race by a narrow margin.

As for my feelings, I think that game show was very exciting.

The reasons are listed below.

First, in that show, WE had been leading all the time, but they were overtaken by IG due to a small mistake. In that game, it was a pity, but if put in the reality, it may become a regret that can never be remedied. I mean; we should always keep a careful state.
