

## Politeness

Who teach you to be polite?

My primary school teacher Mr Qian taught me to be polite. He often told me some interesting stories about politeness and I gradually realized the importance of being a nice person.

How do Chinese people show politeness?

We have a lot of ways to show politeness. We normally smile to other people or shake hands with them. Sometimes we give a hug to our close friends or family members on some special occasions such as family parties and traditional festivals.

What rules of politeness change in China?

I don't think there are any changes on the rules of politeness in China, at least I don't know. But we do have some new ways to show politeness for example we like to send red packets through Wechat when we ask for help.

## Jewelry

What's your attitude toward jewelry?

I'm quite interested in jewelry because it is always a good decoration and make people look more charming or gorgeous. I often wear a silver necklace on some important occasions like family parities.

What's kind of jewelry you do like to buy?

I like to buy a diamond necklace when I'm rich enough. I think diamond necklace is always fashionably designed and suits my personality.

Why do so many people choose to buy expensive jewelry to maintain value?

Many people choose to get luxury jewelry to maintain value because they are incredibly beautiful. Besides Some wealthy people like to wear expensive jewelry in order to show their social status.

How often do you wear jewelry?

I wear jewelry only a couple of times a year. 2 months ago I attended a school party and I was wearing a silver necklace which made me stand

out from the crowd.

## Vegetable and Fruits

What kind of fruit do you like? Why?

I prefer eating pear because it is very juicy and nutritious. I often buy a lot of pears from the local supermarket at weekends.

Did you like to eat fruit when you were a child?

In my memory I was fond of eating fruit when I was a child. I even planted some apple trees in the backyard. Unfortunately they didn't grow well.

Is it important to eat fruit?

Absolutely yes, eating fruit is good for our health. There is a famous saying "An apple a day, keep the doctor away" which shows the importance of eating fruit. I think we need to eat fruit several times a

day.

## Sunshine

Do you like sunshine?

Yes I like sunshine. Sunshine makes me feel comfortable. I often go out with my family members on sunny days and enjoy the sunshine.

Do you like a place full of sunshine?

Yes I'm fond of a place full of sunshine. I like to frolic with my close friends under the sun. I feel extremely energetic and excited.

Are there any technologies with sun in nowadays? For example?

Yes we have many technologies with sun. The most typical example is solar water heater which has brought me a lot of convenience, because I can get hot water very quickly.

Do you like sunny days?

Yes I love sunny days which can put me a better mood and I always feel mentally relaxed on sunny days.

What do you like to do when it's sunny days?

I like to go to the local garden and do some interesting outdoor activities

such as flying kites and catch butterflies, which often add a lot of pleasure to my life.

Do you prefer to stay at home or go outside when the weather is great?

I prefer to go outside when the weather is nice. I can't stand watching boring TV programs at home like some people do. Good weather is a wonderful gift and we should make full use of it.

Are there many sunny days in your hometown?

No, actually there are many rainy days in my hometown. I plan to move to a picturesque city Lijiang in the future which is full of sunshine almost every day.

## Emails or Letters

Do you write many letters or emails?

I often write emails which is more convenient. I like to share my life experience through emails and I can get the feedback from my friends quickly.

Who do you usually write to?

I usually write to my best friend Lisa who is a clever girl. I often turn to

---

her for some advice through emails. Sometimes I send her some good movies which always make her excited.

Do you prefer to write letters by hand or use a computer?

I prefer to write letters by hand because I'm good at handwriting. Apart from this, I think handwritten letter can show my sincerity and the receivers feel much better when they are reading my handwritten words.

How often do you write an email or a letter?

I write an email several times a week. Just two hours ago I sent an email to my professor Mr Qian and confirmed the deadline of my assignment. I'd like to say writing email has become an important part of my life.

What are the differences between emails and letters?

The biggest difference is that writing emails is far more convenient than writing letters because you can send emails immediately by internet. What's more sending emails is free of charge which can save people a lot of money.

Is it hard to think of what to write?

Yes sometimes it is hard to think of what to write especially when I'm

writing a love letter. I need to express my mixed feelings and make sure that my words can make her feel comfortable.

## Daily Routine

What part of your day do you like best?

I like the evening best. I feel totally relaxed in the evening because I don't need to worry about my study or work. Sometimes I like to watch variety shows with my family members and we often have a great time together.

What's your daily routine?

On weekdays I get up about 7 o'clock in the morning then go to school. I come back home around 5 o'clock. After that, I like to go to gym with my close friends. On weekends I often stay at home and curl up on the sofa watching my favorite TV programs which is a great form of relaxation.

What is the busiest part of the day for you?

I'm quite busy in the morning because I need to attend several classes and take a lot of notes. I often feel contented with what I've done.

What's the difference of routine between you and your teenager's?

I spent most of my time on study when I was younger. But now I have more things to do for example I often do some outdoor activities with

my close friends, which makes my life more interesting.

## Time management

How do you organize your time?

I often make a to-do list on my cellphone which can help me to work more efficiently. My best friend Lisa introduced this method to me about 2 years ago and I've benefited a lot from it.

Are you ever late for anything?

Yes I was late for a date with my girlfriend Jenny a couple of days ago and she was extremely angry with it. Luckily she forgave me because I bought her a diamond necklace.

What excuses do you use when you are late?

I often use the excuse that "I was trapped in the traffic jam" which works well every time. Maybe I need to find a new one in the future because I'm afraid my friends would get bored with the same excuse.

Do you like it when others are late?

Definitely no I would ask him or her to treat me a dinner if he or she were late for our appointment. I never feel angry because it's useless.

“  
In your country, do people forgive others when they are late?

I guess so. Most people in my country are very nice and they don't think it's a big deal to wait for other people.

If you had more time, what would you do with the extra time?

I would like to travel abroad with my family members and learn about different custom and culture, which would be a great life experience. If I had more time in a day, I would try to write a novel about myself.

## Birthday 他就是雅思口语宗师

“多叔”  
Do people in China celebrate birthday/ have birthday parties?

Yes we do because birthdays are quite important to our lives. We often Celebrate birthdays with our family members or close friends. We always have a great time together.

How do they/children celebrate birthdays?

We normally have a big dinner at the local restaurant. Some people especially young generations prefer to throw a party, drink beer and dance together.

Are people's birthdays very important in China?

Yes birthdays are very important for people in my country because we can only celebrate it once a year. Besides it is a great opportunity to promote family relationship since the whole family often celebrate birthdays together .

Do you think it's important for people to celebrate birthdays?

Yes I do think so. People have a lot of fun when celebrating birthdays. They often have good chats with their family members or close friends which is a great way to regain a good state after working or studying hard for a long time.

Are birthdays more important for children or for adults?

It's an interesting question. Personally I think birthdays are more important for children because they feel much happier than adults. Children often jump for joy when they receive different kinds of gifts from their family members or friends.

Do people in China do anything special to celebrate birthdays?

Yes they do especially young generations. Some of them choose to play

fireworks at the beach or have a barbecue at the local park which is very exciting.

## History

Do you like history?

Yes I like history very much because historical stories are very appealing to me . I often read some articles or see a film about history ,which is one of favorite pastimes.

What historical event do you find most interesting?

I think the most interesting historical event is Beijing Olympic games which showed the charm of China and Chinese people. We celebrated the opening ceremony with excellent teams from more than 100 countries and we felt proud of our country at that moment.

Do you think history is important?

Yes history is extremely important because we are able to learn about the past through history. What's more we can get a lot of valuable experience from our ancestors.

Do you like to watch programs on TV about history?

Yes I'm quite into watching TV programs about history because they are very educational. Personally It's more interesting to watch historical stories on TV than read them in the books.

How do you get information about history

I have a variety of ways to get information about history. My favorite way is seeing a film about history which is more vivid. Sometimes I like to write some comments about these films on my micro-blog and I often get a lot of thumbs-ups from my friends.
