• 中国人为什么雅思口语分数低？

- 语法理论学习太多
- 看的太多、读/背的太少
- 过于关注“单”词“量”
- 盲目认为中国人发音还可以
- 过于关注所谓的题库和预测
- 不了解雅思口语最基本理念

• ***What's your favorite season?***

– Well, I don't think I have a favorite season. We have four distinct seasons in my hometown; they're all very different. I think it's too hot in the summer and too cold in the winter, and spring and autumn are pretty windy. I'm hard to please haha.

Please describe your first day of school.

– My first day of school? Um, I don't suppose I can describe it for you cuz it's been so many years and I don't have any recollection of it now. I guess I must have been unhappy that day because I've never liked school.

What do you do to help you concentrate?

– Um, I don't do anything in particular to help me concentrate, and perhaps this is why I always find it hard to focus. I'm easily distracted.

– ***Um, because ... well, it's just like I've been learning English for over ten years, but I'm still far from good. I don't have a wide enough vocabulary, I make grammatical mistakes from time to time and um ... Yeah, I do believe it takes years for someone to learn a foreign language well.***

For instance, if i'm going to see a movie with friends and I wait for them at the theater for some time and they still don't show up, I'll just get irritated and just leave!!! I might probably stop being friends with them.***
