Part2类型题 最简化逻辑扩展

Less is more

TIPS

- If you don't understand a word on the topic card, or you want to check the task, ask immediately. The examiner will give you a brief answer to help you to understand. Don't waste time wondering what the topic means!
- The cue questions on the topic card are included to help you to prepare your answer. However, you will **not** be penalised if your talk does not follow all the cues on the card. It is more important to talk fluently and to keep going for 2 minutes than to cover all the points on the topic card.
- Remember, this is a test of speaking, not of your experience! Do not panic if you have no experience with the topic. For example, you can talk about someone else's experience instead of your own, or say that you can't remember a funny movie, but you do remember a sad one.
- Do not worry if the examiner stops you. You are allowed to speak for only 2 minutes.
- 如果不明白话题卡上的某个单词,或者想要明确陈述任务,应马上提问。考官会做简短回答帮助你理解。不要在弄清题目意思上浪费时间!
- 话题卡上的提示性问题旨在帮助你准备作答。但是,如果你的陈述没有全部按照卡上的提示来作答,不会被扣分。流利、不间断的两分钟作答要比把话题卡上的信息点说完更重要。
- 记住:这是口语考试,而不是个人经历考试!如果没有与话题相关的经历,不必慌张。例如,你可以谈一谈别人而不是自己的经历,或者告诉考官你想不起一部有趣的电影,但倒记得一部伤感的电影。
- 如果考官打断你,不要担心。只给你2分钟的陈述时间。

- ***Describe a special day that you remember well***
- ***you should say***
 - ***when it was***
 - ***who you were with***
 - ***what you did***
- ***And explain why you remember it well***

- *The time I'm going to talk about is when I first traveled abroad. It was three years ago, when I was 21. I still remember distinctly that day was June 7th, the day that I flew to Hokkaido, Japan. I had longed to go there for ages mainly because of a TV program which showed the gorgeous lavender there. I'd always been a fan of this flower, so when I saw that program, I just decided to go to Hokkaido.*
- *Um, I went with my boyfriend, my ex-boyfriend, to be exact, who was a hobbyist photographer, which was really important to me because he would take tons of beautiful photos of me while we were in Hokkaido.*

- *Um, what we did that day, on June 7th ... well, we took an early flight to Hokkaido, got on a bus to our hotel and checked in. There were a few things we did that day in and near the hotel - visiting a lavender garden, shopping at a nearby market and bathing in the hotspring in the hotel. That hotspring was the most amazing I've ever seen - the water was the right temperature and there was even a massage after that bath. I really enjoyed it.*
- *I remember that day particularly well because, like I mentioned earlier, it was my first time abroad and that sure made it stand out from the other days I've lived.*

– I know G-Dragon because several weeks ago, um ... it was a Saturday because I didn't need to go to school that day. My hair was a little long, so I went to a hair salon to have it cut. While I was having my hair trimmed, I was also chatting with the barber/hairstylist. We were talking about tons of things and one of them was showbiz. Then, at one point, he told me that I looked a lot like G-Dragon. To be hones with you, at that time, I had no idea who he was. He explained to me that g-Dragon was the most popular K-Kop star and told me that I needed to check him out. I did and that's how I know this celebrity.

– I know this marathon because two years ago, um ... if I remember correctly, it was in August. One day, I was watching tv at home and I was channel-surfing and then, at one point, something caught my eye. There was a marathon on tv, the Boston marathon and I thought it was pretty exciting. It made me curious and interested. I wanted to do the same because personally, I 'm also someone that likes to run too. So, I just decided to enter this competition when it comes to Beijing.

• *What it is like*

– *What it is like ... well, it 's a gorgeous place, I mean, it' s really picturesque because there are a lot of trees, flowers, a lake in the center of the park and also you can find some pavilions there. I haven 't been there myself, but some of my friends have told me that if I went there, I should definitely go to the pavilion near the lake because I could see the best view in the park. I have no idea what the view would be like, but I' m actually pretty looking forward to it. I hope that one day, I could go there.*
