 - *When it was*
 - *Who you were with*
 - *What you did*
- *And explain why you remember it well*

- *The time that I'm going to talk about is when I got together with my best friend, Luke. It was last year, sometime in June, I think, or early July. I don't remember the date very clearly now. Luke had moved to the US, to North Carolina, to be exact. He had lived there for two years and so we hadn't seen each other for two years. When he told me that he was coming back to China and we could meet up and catch up, I was over the moon.*
- *So, a little bit more about Luke. He is actually my colleague and we've known each other for 7 years, which is a long time. We've been best friends for that long as well.*

- *What we did ... um ... we got together and had a meal together. Over the course of the meal, we just chatted and ... did a lot of catching up. He told me a lot about his life in the US. One thing that caught my attention so well is that he had found the girl of his dreams there. He was doing some grocery shopping and a pretty girl bumped her cart into his. They chatted for a while and really hit it off. Now they're boyfriend and girlfriend. Of course, we talked much more than this.*
- *I remember that day really well mainly because Luke is my closest friend and I had missed him so much while he was gone. I was so happy to see him back, even just for a few days.*

- *Don't forget:*

- *Have you made a cake by yourself?*

When was the last time you laughed?

- *Um, the last time I laughed ... it was yesterday ... yeah, yesterday afternoon, around 4 or 5 o'clock. I was hanging out with my boyfriend and we were watching a show together on his iPad. A guy on the show told a super funny joke and we both laughed pretty hard.*

How often do you go to parks?

- *Um, there's a park close to my home and I go there pretty often ... I guess two or three times a week ... usually on Monday or Wednesday afternoons and on weekends because I don't have to go to school then. I just like to take a walk in the park with my headphones on. I think it's quite pleasurable walking and listening to music in that park.*

Have you made a cake by yourself?

- *Yeah, I have. The only time that I made a cake was two years ago, in June, actually. To be more precise, it was June 20th, cuz it was my mom's birthday that day. My girlfriend and I went to a bakery to learn how to bake a birthday cake, and then, we took it to my mom. She was overjoyed to see a cake that I had made myself.*
