– ***Um, I use neither one of them. Every time I want to write something now, I just do it on my phone or laptop. I haven't written anything with a pen or pencil in ages, so I can't say that I use one more than the other.***

– ***No, I don't. I'm terrible at it.***

• ***Why?***

- ***I listen to some songs on a daily basis, and to be specific, I usually do it on my way somewhere. In the morning, I take the subway to work, which takes me about an hour, and this is a good time for me to listen to some music to block out all the noise on the subway. It's pretty relaxing.***
