

雅思口语 part1

剑 7-1

Keeping in contact with people

How do you usually contact your friends? Why?

Do you prefer to contact different people in different ways? Why?

Do you find it easy to keep in contact with friends and family? Why?/Why not?

In your country, did people in the past keep in contact in the same ways as they do today? Why?/Why not?

1. 要点提示

- 1) Describe your ways to contact your friends.
- 2) Yes/No+Give reasons and examples.
- 3) Yes/No+Give reasons and examples.
- 4) Make comparisons between the ways people contact each other in the past and today, give reasonable explanations.

2. 结构示例

- 1) I usually contact my friends with telephone calls and instant messaging softwares, because they are convenient and accessible.
- 2) Yes, I think I do. For example, I can't contact my grandparents with instant messaging softwares, because they don't know how to use them. Therefore, I keep in contact by giving them a phone call, or visiting them in person. To younger generations, I usually...
- 3) As far as I'm concerned, it's not difficult to keep in contact with friends and family. There are many approaches to communicate with them, and...
- 4) Well, I don't think they kept in contact in the same way. First of all, some of the means of communication didn't exist in the past. Secondly, ... Last but not the least, ...

剑 7-2

Laughing

What kinds of thing make you laugh?

Do you like making other people laugh? Why?/Why not?

Do you think it's important for people to laugh? Why?/Why not?

Is laughing the same as feeling happy, do you think? Why?/Why not?

1. 要点提示

- 1) Describe the types of things that make you laugh, and what is funny about them.
- 2) Yes/No+Give reasons.
- 3) Yes/No+Give reasons.
- 4) Yes/No+Give reasons

2. 结构示例

- 1) Funny things make me laugh. I laugh most when I'm with friends talking about funny things that happened to us. Comedians on TV shows also make me laugh.
- 2) Yes, of course. It is a nice feeling when I can make people laugh because I've made them happy.
- 3) Yes, I do. Humor helps us not to take life too seriously. It's important to be optimistic, and I think that laughing is good for health.
- 4) Well, I don't think they are exactly the same. For example, one can be happy without laughing, and sometimes people laugh when there is something bad.

剑 7-3

Cold weather

Have you ever been in very cold weather? When?

How often is the weather cold where you come from?

Are some parts of your country colder than others? Why?

Would you prefer to live in a hot place or a cold place? Why?

1. 要点提示

- 1) Yes/No+When and where.
- 2) Describe the frequency of cold weather in your hometown.
- 3) Yes/No+Where+Give reasons.
- 4) Reveal your preference and explain why.

2. 结构示例

- 1) Yes, I think so. Actually, the temperature had been down to about minus 15 degree for several weeks last winter in Beijing. It was quite cold.
- 2) As far as I know, it's quite cold in winter every year, especially in December and January.

3) Yes. The climate in different parts of China is quite different. Take the northeastern part for instance, the temperature is... While in southern part of China, it's...

4) I'd rather live in a place that is neither too cold nor too hot. Cold weather makes me tremble and hot weather makes me sweat. I hate both of them.

剑 7-4

Travelling to work or college

How do you usually travel to work or college? Why?

Have you always travelled to work/college in the same way? Why?/Why not?

What do you like about travelling to work/college this way?

What changes would improve the way you travel to work/college? Why?

1. 要点提示

- 1) Describe the means by which you usually travel to work or college, and explain why.
- 2) Yes/No+Give reasons.
- 3) List the features that make you like the way.
- 4) Express what you think the possible changes are, and give reasons.

2. 结构示例

1) I usually travel to work by metro, because I live close to a station, and my destination is along the line. It's quite convenient.

2) Yes. The metro is very steady. There is no traffic congestion or accidents. Travelling by metro is a nice choice for me.

3) The metro is relatively punctual and convenient. As I've mentioned before, there is hardly any traffic congestion or accidents. It's crowded during the rush hours though.

4) Well, I hope there could be more metro trains during rush hours, so there would be less crowds and more comfortable.
