1.要点提示

1)List the names of popular games that are usually played in your country, and explain what is interesting about those games.

2)Yes/No+What the games are+Give reasons.

3)Describe the ways that people learn to play games in your country, and give examples if applicable.

4)Yes/No+Give reasons.

2.结构示例

1)There are many popular games in my country. Take board games for example, we like to play various card games, mahjong, chess and,..... They are easy to learn, and can be played without so many limitations on where you are.

2)Yes, I do. I play some types of card games and mahjong. They are both played by a group of people, so it's a perfect pastime for family get-togethers. My family often played those games when I was a child, and I watched them play. Gradually, I've learned how to play.

3)I think people in my country learn to play games by watching others play them and then trying to participate in the games. As I mentioned before, I learned card games and mahjong by watching my family play them.

4)Yes, of course. Playing games is a perfect way to relax. People nowadays are held up by busy work. Playing games can help them relieve the pressure that comes from daily life.

剑 9-2

Giving gifts

When do people give gifts or presents in your country?

Do you ever take a gift when you visit someone in their home? Why?/Why not?

When did you last receive a gift? What was it?

Do you enjoy looking for gifts for people? Why?/Why not?

3) Describe the occasion when you last receive a present, including who gave it to you, what it was, and how you feel about it, etc.

4) Yes/No+Give reasons.

2. 结构示例

1) In China, people give gifts or presents on many occasions. For instance, we give presents at birthdays, weddings, anniversaries, and ... When we go to visit someone, we also take gifts.

2) Yes, sure. For example, when I went to my friend's house during a Chinese New Year vacation, I brought her a bottle of wine and some skincare products. It's rude to visit someone in their home with nothing in your hands.

3) I guess it was on my last birthday when some of my colleagues gave me cards and gifts, such as aroma soaps. I also received a hat from a friend.

4) Yes, I do. I like picking up gifts for people because I look forward to seeing how happy they are when they receive such gifts. It's a nice feeling that you make someone happy.

剑 9-3

Telephoning

How often do you make telephone calls? Why?/Why not?

Who do you spend most time talking to on the telephone? Why?

When do you think you'll next make a telephone call? Why?

Do you sometimes prefer to send a text message instead of telephoning?
Why?/Why not?

1. 要点提示

1) Frequency+Explanation.

2) Your family? Friends? Colleagues? Business phone calls?...+Explanation.

3) The time when you'll probably make the next phone call, and who you'll call for what.

4) Yes/No+Give reasons.

2. 结构示例

1) I make telephone calls every day, because I need to call my boss and colleagues to discuss work issues. I call my family and friends, too.

2) I think the answer goes to my family. I work in... but my family are in... I call them regularly, talking about how my life and work are like, what's impressive that happened around me, and how they have been as well.

3) Probably, I will call my friends, because we are going to have dinner together later today. I need to call them to make an appointment on where we meet.

4) Sometimes, yes. When there is something embarrassing to talk on phone or state face-to-face, I'd rather send a text message. It'll be less awkward.

剑 9-4

Bicycles

How popular are bicycles in your home town? Why?

How often do you ride a bicycle? Why?/Why not?

Do you think that bicycles are suitable for all ages? Why?/Why not?

What are the advantages of a bicycle compared to a car? Why?

1. 要点提示

1) Illustrate the popularity of bicycles in your hometown and explain why.

- 2)Frequency+Explanation.
- 3)Yes/No+Give reasons.
- 4)List the advantages and give reasons.

2.结构示例

1)I have to say that bicycles are not so popular in my hometown. The reason is that my hometown is located in a hilly area. There are many uphill and downhill in the city, so it's pretty energy-consuming to ride a bicycle.

2)Never. I can't ride a bicycle. As I've mentioned, bicycles are not popular in my hometown because of the landform. Therefore, it seems not necessary for me to learn it.

3)I'll say no. I think it's dangerous for the elderly to ride bicycles. They are not so sensitive as the younger generations are about the road conditions. For example, if an elderly can't clearly see a car running towards him/her, he/she might be hit by the car and get injured badly.

4)Compared to a car, a bicycle is more economical, environment-friendly, space-efficient, and better for health. Bicycles are less expensive. They don't emit harmful gas. It's easy to find somewhere to park them. What's more, riding bicycles can be good exercise.
