

### 补充例题1:

Some people believe that with more people shopping online, real stores will be unnecessary. Do you agree or disagree?

Opinion: real shops will still exist in digital era

◆ Body 1: real stores / irreplaceable value

- for shoppers/customers: offer opportunities for them to experience the products
- for business/companies: advertisement / brand identity (brand image)

Body 2:

让步: online shops / convenient

反驳: cannot meet the demand of customers on many occasions:  
imergency situation, daily items, etc.

## 补充例题2:

Some people suggest that the best way to reduce traffic congestion is to offer free public transportation 24 hrs a day, 7 days a week.  
Do you agree or disagree?

In conclusion, while admitting the function of .... in ...,  
this alone cannot (...),  
without the aid of other measures, such as ..., ... and ....

- congestion pricing
- flexitime
- better city planning

In conclusion, while admitting the function of free public transportation in releasing traffic pressure, this alone cannot completely address the issue of traffic jam, without the aid of other measures, such as congestion pricing, the application of flexitime and improved road planning.
