主题 1 “努力准备一场很难的考试”

Describe something you did that made you feel proud

You should say: (注：四小问的作用是提供可参考的线索，不是让考生必须回答四小问)

What it was;

How you did it;

How difficult it was;

And explain why you felt proud of it

1. 让你骄傲的事

Speaking of something I did that I'm proud of, it has to be my success in a difficult exam called **the National Judicial examination**. It's one of the most difficult **qualification exams** in China as the pass rate is only about 10% every year. Plus, you have to read and study tons of law books and memorize **countless legal clauses**. In fact, many people around me failed the exam. Some of them **didn't even complete the whole question set**. Knowing that really **stressed me out**.

So, to pass this exam **once and for all**, I read about lots of different experiences through posts written by those who were successful with the exam. I made a study schedule and tried my best to stick to it for half a year. **It's no exaggeration to say that** I didn't socialize at all during those six months! **To be honest**, I didn't even know I had that kind of **grit** before I started preparing for the exam.

Anyway, I waited about two months to get the result. Fortunately, it turned out that I **passed the exam and by a lot!** I was **over the moon**. It was a great sense of accomplishment for me to pass such a difficult exam in just one try. So, even though I was **burnt out** for half a year, I think all my hard work was worth it. I'm so proud of myself, and it's also motivated me to keep it up. 雅思过过过淘宝店铺原创

说到让我骄傲的事，那必须得说说我通过了一个很难的考试——**国家司法考试**。司法考试是中国最难的**资格考试**之一，因为每年的通过率只有 10%左右。此外，你必须阅读大量的法律书籍，并记住**无数的法条**。事实上，我周围很多人没有通过考试，**甚至有些人没有写完试卷**。了解到这些**让我真的非常有压力**。

因此，为了**一次性通过**这个考试，我在网上看了很多成功通过考试的人写的帖子。我制定了一个学习计划，并尽力坚持了半年之久。**毫不夸张地说**，在这半年里我几乎没有什么社交活动！**说实话**，在我开始备考前，我甚至不知道自己有那么大的**毅力**。

总之，我等了大约两个月才得到结果。幸运的是，我**通过了考试，而且超过了好多分！**我**超级开心**。我很高兴自己仅用一次就通过了如此困难的考试，这对我来说是一个巨大的成就。因此，尽管那半年我**忙得焦头烂额**，但我认为我所有的努力是值得的。我很为自己骄傲，也很佩服自己，**它也是我继续前进的动力**。 雅思过过过淘宝店铺原创

Describe a job that you think is interesting.

You should say: (注：四小问是帮助扩展思路的线索，但不是必须完全按照四小问回答)

What it is

How you knew it

What skills it requires

And explain why you think it is interesting.

2. 感兴趣的工作

The job of a lawyer has always **piqued my interest**. I've actually had a strong desire to become a lawyer because it's a highly respected and **financially rewarding** profession. Besides, my uncle, who's an exceptional lawyer, has played a significant role in my interest.

Ever since I was young, I've been fascinated by all kinds of law-related movies. With some encouragement from my uncle, I also gained a deeper understanding of the legal profession. However, going into law **isn't a piece of cake**. One of the biggest challenges is having to pass a difficult exam called **the National Judicial examination**. It's one of the most difficult **qualification exams** in China as the pass rate is only about 10% every year. Plus, you have to read and study tons of law books and memorize **countless legal clauses**. In fact, many people around me failed the exam. Some of them **didn't even complete the whole question set**. Knowing that really **stressed me out**.

But **this hasn't discouraged me from considering it as** an exciting and fulfilling career. As an attorney, you'll deal with **people from all walks of life**. The legal matters you'll tackle **come in all shapes and sizes**, which puts your knowledge and problem-solving abilities to the test. Honestly, I enjoy this type of challenging work.

Anyway, while the path to becoming a lawyer is tough, achieving this dream would give me a great sense of accomplishment. So, I'm willing to **put in the effort and give it my all**.

译文：

我一直**很感兴趣**的职业是律师，而且我特别想要当个律师。我觉得那是一份既非常体面，又能**赚很多**的工作。我舅舅就是个很优秀的律师，他对我的这个想法也有很深的影响。

我从小就喜欢看各种律师相关的电影，以及受舅舅鼓励，我很早就知道这个行业。但要成为律师，不是一件容易的事。除了要学习相关课程、完成律师实习工作以外，最重要、也是最难的一步是，你必须通过一个很难的考试——**国家司法考试**。司法考试是中国最难的**资格考试**之一，因为每年的通过率只有 10% 左右。而且，你必须阅读大量的法律书籍，并记住**无数的法条**。事实上，我周围很多人都没有通过考试，甚至有些人都没有写完试卷。了解到这些**让我真的非常有压力**。

但**这不妨碍我依然觉得它**是一份很有趣并且很有意义的工作。作为律师，你需要与**各行各业的人**打交道，而且律师面临的问题**千奇百怪**，因此这是一份非常考验专业知识和解决问题能力的工作。老实说，我喜欢这样有挑战性的工作。

总之，虽然成为律师的过程会有些艰难，但能最终实现这个理想对我来说将是一个巨大的成就。因此，我愿意**全力以赴，付出努力**。

You should say: (注：四小问是帮助扩展思路的线索，但不是必须完全按照四小问回答)

What it is

How often you wear it

What it is like

And explain why you enjoy wearing it

3. 喜欢穿的衣服

I'd like to talk about a black wool coat from Burberry. I often wear it in autumn and winter because it's so fashionable and cozy. The coat **has a medium-length, double-breasted design** that looks very elegant and stylish. Of course, being a Burberry brand, it's quite expensive - I remember it cost around 7000 yuan. So **it's one of my boutique collection items** that I'm proud of. © 雅思过过过淘宝店铺原创

Anyway, this coat is special to me, which is another reason why I enjoy wearing it. It was actually a gift from my parents last year. At the time, I had just passed a difficult exam called **the National Judicial examination**. It's one of the most difficult **qualification exams** in China as the pass rate is only about 10% every year. In fact, many people around me failed the exam. Some of them **didn't even complete the whole question set**. Knowing that really **stressed me out**.

Fortunately, it turned out that I **passed the exam and by a lot!** To celebrate me passing such a difficult exam in just one try, my parents bought the black woolen coat as a gift for me. **I was so moved by their gesture**.

Now, whenever I wear this coat, it reminds me of the half year when I was **burnt out**, but also **how my hard work paid off**. So, this coat brings me great pride and a sense of fulfillment, **making it a true pleasure to wear**. © 雅思过过过淘宝店铺原创

这件衣服对我来说有特别的意义，这也是我喜欢穿它的一个原因。它其实是我爸妈去年送给我的**一件礼物**。当时我通过了一个很难的考试——**国家司法考试**。**司法考试是中国最难的资格考试之一**，因为每年的通过率只有**10%左右**。事实上，我周围很多人**都没有通过考试，甚至有些人都没有写完试卷**。了解到这些**让我真的非常有压力**。

Describe an expensive gift you would like to give to someone when you save a lot of money.

You should say:

What gift you would like to buy;

Who you would like to give it to;

How long it would take to save the money;

And explain why you would like to give this expensive gift to this person.

4. 攒钱买昂贵的礼物

Well, I have been eyeing a black wool coat from Burberry for quite some time now. It's for my younger brother. The coat has a medium-length, double-breasted design that looks very elegant and stylish. I really like it. Unfortunately, being a Burberry brand, it's quite expensive - it costs around 7000 yuan, so it's been sitting in my shopping cart, but I haven't placed the order yet. I'm slowly saving up for it.

The reason I want to give this gift to my brother is that he recently passed a difficult exam called the National Judicial examination. It's one of the most difficult qualification exams in China as the pass rate is only about 10% every year. Plus, you have to read and study tons of law books and memorize countless legal clauses. In fact, many people around my brother failed the exam. Some of them didn't even complete the whole question set.

So when my brother told me that he passed the exam and by a lot, I was over the moon for him. To celebrate him passing such a difficult exam in just one try, I decided to splurge on a high-end gift for him. I eventually set my sights on this expensive coat from Burberry, a brand he's known to love.

Anyway, although it will take me around six months to save up for it, I'm committed to making it happen. I hope this gift will effectively convey my appreciation and love for him.

我之所以要送给我弟这件礼物，是因为他前段时间通过了一个很难的考试——国家司法考试。司法考试是中国最难的资格考试之一，因为每年的通过率只有10%左右。此外，你必须阅读大量的法律书籍，并记住无数的法条。事实上，我弟周围很多人都没有通过考试，甚至有些人没有写完试卷。

所以当我知道我弟通过了考试，而且超过了好多分的时候，我真的很为他感到开心。为了庆祝他仅用一次就通过了如此困难的考试，我决定花大价钱给他买个高档一点的礼物。于是最终我把目标锁定在了巴宝莉这件价格不菲的外套上，因为他非常喜欢这个牌子。

5. 他人的好消息

A few months ago, a friend of mine, Penny, shared a piece of good news with me. She told me that she passed a difficult exam called **the National Judicial examination**. It's one of the most difficult **qualification exams** in China as the pass rate is only about 10% every year. Plus, you have to read and study tons of law books and memorize **countless legal clauses**. In fact, many people around me failed the exam. Some of them **didn't even complete the whole question set**. So, I really admire her when I knew she made it.

Actually Penny and I are close friends. Our friendship has lasted over a decade. I know just **how much effort she put into** this exam because we chat from time to time. She made a study schedule and tried her best to stick to it for half a year. **It's no exaggeration to say that** she didn't socialize at all during those six months. She took lots of online classes and studied law **day in and day out**. **To be honest**, I've never seen anyone with that kind of **grit**.

So when she told me that she **passed the exam and by a lot**, I was **over the moon** for her. It was a great sense of accomplishment for her to pass such a difficult exam in just one try. Plus, she's finally qualified to be a lawyer, which means I'm going to have a lawyer friend! It's really something I can **boast about**. 一雅思过过过淘宝店铺

6. 小时候（年轻时）喜欢做的休闲活动

When it comes to my favorite activities when I was a child, **the first thing that comes to mind** is definitely cycling. I was an active kid who loved to run around. So since I learned how to ride a bike around the age of 10, I felt like I **discovered the secret to happiness**. I literally rode my bike everywhere **day in and day out**.

The friend who rode with me the most often was my neighbor, Penny. She is two years older than me. Since **we're almost the same age**, we **hit it off quickly** and became friends. We both like cycling. When we were in middle school, Penny preferred to discover unusual cycling trails every weekend. She always **talked me into** riding somewhere far so we could challenge ourselves on more difficult routes. **It added a ton of fun** to cycling.

Besides, in our hometown, there's a long bike path that was built alongside the sea. We loved to have cycling races along the coast. We pretended that we were professional athletes and always **had a blast** cycling together. When we got tired, we laid on a nearby beach and enjoyed **soaking up the sun**. It definitely made us **feel like a million bucks**.

So cycling was my favorite thing to do back then. **It's no exaggeration to say that** I could ride around town for an entire afternoon until my mother yelled at me to go back to do homework 😊. Those bike rides were definitely **the highlight of my childhood**. ● 雅思过过过淘宝店铺原创

Anyway, just several days ago, my uncle asked me to look after my nephew for the day while he was busy with work. You know, at the time, our city had just finished building a long bike path alongside the sea. So I decided to take my nephew to experience **cycling by the sea**.

It turned out to be a truly delightful day. At my nephew's suggestion, we had cycling races along the coast. The little child pretended that he was a professional athlete and **had a blast** cycling with me. He was even **screaming with joy** as he rode his bike. Then, when we got tired, I laid on a nearby beach and enjoyed **soaking up the sun**. But he found it boring and **dragged me away to** build sandcastles with him.

Honestly, playing with children can be exhausting, but seeing my nephew's **innocent smile** reminded me of my own childhood. So, spending the day with him actually helped me relax a lot. He also enjoyed playing with me and even **talked me into** riding somewhere far so we could challenge ourselves on more difficult routes. He's definitely a cool kid.

主题 3 “打水球”

Describe a water sport you would like to try in the future

You should say:

What it is

Where you will do it

Whether it is easy or difficult

Why you would like to try it

10. 水上运动（打水球，与“童年游戏”有故事串联）

I'm really interested in **trying out water polo**. **Simply put**, it's like playing basketball in the water. The aim of the game is to pass the ball between two teams and score as many goals as possible. The challenge is that, unlike playing basketball, players can't touch the ground and all movements, such as running and jumping, are in the water. This can make the game seem slower, but **it gives you a feeling of weightlessness like being an astronaut**, which is a lot of fun.

I first learned about this sport a few years ago when I accompanied my young nephew to his swimming class. One day, I saw their coach playing this game with all the kids. Everyone was swimming hard in the water, **enthusiastically passing the ball** and trying their best to score in the opponent's goal. Some kids swam quickly to catch the ball, while others **leaped high out of the water** and **took shots**. Everyone was splashing the water out of the pool. All the children were all **having a blast**.

It was then that I realized ball sports can also be played in the water and be even more exciting than on land. You know, as **an avid swimmer** since childhood, I'm really eager to **try this sport out for myself**. I'm curious to experience the difference in movement between land and water, but due to the **pandemic**, I haven't played in the past few years. Hopefully, I can invite some friends to join me in a game of water polo this summer.

11. 童年游戏

I'd like to share my childhood **water polo** experience. Around fourth grade, my mom **signed me up for swimming lessons**. One day during class, the coach organized a water polo game for us.

Simply put, it's like playing basketball in the water. The aim of the game is to pass the ball between two teams and score as many goals as possible. I remember every one of us swimming hard in the water, **enthusiastically passing the ball** and trying our best to score in the opponent's goal. Some kids swam quickly to catch the ball, while I successfully **leaped out of the water** twice and **took shots**. If I recall, **we won by a single point**, but it felt like a game to us rather than a competition. Everyone was splashing the water out of the pool. We were all **having a blast**.

Anyway, **it was my first time realizing that** ball sports could also be played in the water and be even more exciting than on land. The challenge is that, unlike playing basketball, you can't touch the ground and all movements, such as running and jumping, are in the water. This can make the game seem slower, but **it gives you a feeling of weightlessness like being an astronaut**, which is a lot of fun.

Actually, I haven't had many opportunities to play water polo since then. I hope I can invite some friends to join me in a game of water polo this summer to **relive the good old days**.

12. 运动节目

When it comes to sports programs I enjoy, **water polo** is the first one that comes to mind. **Simply put**, it's like playing basketball in the water. The aim of the game is to pass the ball between two teams and score as many goals as possible. The challenge is that, unlike playing basketball, players can't touch the ground and all movements, such as running and jumping, are in the water. This can make the game seem slower, but **it gives you a feeling of weightlessness like being an astronaut**, which is a lot of fun.

I first learned about this sport on Tencent Sports' website, where I came across a video promoting a water polo world cup match. I still remember it vividly. Everyone was swimming hard in the water, **enthusiastically passing the ball** and trying their best to score in the opponent's goal. Some players swam quickly to catch the ball, while others **leaped high out of the water** and **took shots**. Everyone in the pool was **splashing around**, and the game looked intense but entertaining.

It was then that I realized ball sports can also be played in the water and be even more exciting than on land. So, I became a water polo fan since **it offers a unique visual experience** compared to common sports like football and basketball. Athletes show **exceptional swimming skills** and **compete fiercely in the water for control of the ball**, which creates a thrilling atmosphere. I think this is a sports program that is **never dull to watch**.

Describe an invention which is very useful in your daily life.

What it is

What you use it for

18. 有用的发明

Well, I think that noise-cancelling earbuds are one of the most valuable inventions. I first came across them a few months ago when I bought a pair of Bluetooth noise cancelling earbuds online. They're a pair of JBL brand earbuds and cost me 1000 Yuan, but I must say the money was well-spent.

At the time, I was swamped with several difficult exams, which really stressed me out. What's worse, I found myself often distracted by noise around me, especially people talking. Then I learned online that a pair of noise cancelling earbuds could help me out. So I placed an order on Taobao right away.

As it turned out, the earbuds worked exceptionally well. Once I put them on, I can't hear any external noise, which really boosts my productivity while studying. Sometimes, I even wear them to bed to block out ambient noise. It helps me fall asleep more quickly. Though I'm not aware of who invented noise-cancelling earbuds, I'm genuinely grateful to them.

That being said, these earbuds do have some downsides, such as the occasional difficulty connecting to other Bluetooth devices. Ever since buying them, I've had to deal with different problems, whether it's that the smartphone's Bluetooth can't find the device, or the earphones suddenly disconnecting for no reason... But these issues don't happen frequently, so the benefits still outweigh the drawbacks. All in all, I think noise-cancelling earbuds are one of the most outstanding modern inventions, as they effectively reduce the impact of noise on our lives.

我觉得降噪耳机是最有用的发明之一。我第一次接触它是在几个月前, 我在网上买了一副蓝牙耳机。它是 JBL 牌子的, 大概花了我 1000 块, 但是我必须得说这钱一点没白花。

那时我正忙于准备(忙的一塌糊涂)各种学校的考试, 压力很大。更糟糕的是, 我发现自己经常被周围的噪音分散注意力, 尤其是人们的谈话声。然后我在网上了解到可以用一款降噪耳机解决这个问题, 所以我就很快在淘宝下单了一款。

事实证明它真的效果很明显。只要戴上这副耳机, 你完全听不到周围任何噪声, 对我来说可以极大的提高学习效率。而且, 有时候我甚至睡觉也需要戴它, 因为它能帮我屏蔽周围的噪音, 更容易让我入睡。我不知道这个降噪耳机是谁发明的, 但我真的太感谢他了。

话虽如此(当然), 这种耳机也有一些弊端, 比如我有时候会遇到连不上蓝牙设备的情况。自从买了这个耳机, 我遇到过一些不同的问题, 要么是手机蓝牙搜索不到设备, 要么是耳机突然毫无缘由的断开...但这不是经常发生, 所以我觉得瑕不掩瑜。整体来说, 我觉得降噪耳机是现代科技中最出色的发明之一, 它可以有效地减少噪音对我们的影响。

Well, I think Bluetooth earphones are the most difficult tech-product I've ever used. I just bought a pair of **Bluetooth noise cancelling earbuds** online two months ago. They're a pair of JBL brand earbuds and cost me 1000 Yuan. But what I got wasn't worth the cost at all.

Then I learned online that a pair of noise cancelling earbuds could help me out. So I **placed an order on Taobao** right away.

But since it was sold as a pair of Bluetooth earphones, **it didn't come to my mind that** the biggest issue with them is connecting to other Bluetooth devices. Ever since buying them, I've had to deal with lots of different problems, whether it's that the smartphone's Bluetooth can't find the device, or the earphones suddenly disconnecting **for no reason**... If you want to reconnect, you have to **turn it off and back on again**. But these earphones don't have an on-off button. You have to put both of them back in the earphone box and take them out again. This "genius" design **drove me crazy**.

I was so disappointed and contacted customer service later. They promised me a product exchange. But the new pair still has the same problems. So now they've been **collecting dust on the shelf** for a long time. Honestly, I prefer **old-school wired headphones**. They work better over the Bluetooth ones!

但是，因为它是蓝牙耳机，导致**我从没想过**它最大的问题居然是连不上蓝牙。自从买到手，我经常会遇到各种不同的问题，要么是手机蓝牙搜索不到设备，要么是耳机突然**毫无缘由的**断开...如果你想重新连接，只能**重启**，但这耳机没有任何开关键，如果你想要重启，必须把两个耳机都重新放回到耳机盒里再打开，这个“天才”一般的设计简直快**把我折磨疯了**...

我非常失望，并且之后联系了客服，他们答应给我换一个。但新收到的耳机，问题依然存在。所以现在这副耳机已经**在我家架子上吃灰很久了**。老实说，我还是更喜欢**老式的有线耳机**，比蓝牙耳机好用多了!

21. 投诉并收到满意的结果

I'd like to talk about the time I complained about a product and the customer service from an online store. I just bought a pair of **Bluetooth noise cancelling earbuds** online two months ago. They're a pair of JBL brand earbuds and cost me 1000 Yuan. But what I got wasn't worth the cost at all.

Since it was sold as a pair of Bluetooth earphones, **it didn't occur to me that** the biggest issue with them is connecting to other Bluetooth devices. Ever since buying them, I've had to deal with lots of different problems, whether it's that the smartphone's Bluetooth can't find the device, or the earphones suddenly disconnecting **for no reason...**

I was so disappointed and contacted customer service later. They promised me a product exchange. I waited for a week but **had no updates at all**. So I had to ask customer service what was going on. However, it was like they **blocked my messages**. **I got no response, just radio silence**. It totally **pissed me off**. So I filed a formal complaint against this seller on the platform. Eventually, the online shop's manager contacted me and apologized. They **gave me a full refund** and a pair of new earbuds for free **as compensation**.

The whole thing was ridiculous. **If I hadn't complained, they might never have solved** the problem for me. Anyway, the result was good, so **I decided to let it go**. But the incident reminded me the importance of taking action and **filing a complaint** when necessary. ●雅总遇遇之寸綢イ寶店舖原創...

One of the websites that I visit **on a daily basis** is Taobao, the most popular online shopping website. I buy almost everything on this website, that's why I often visit it. The latest purchase I made was a pair of **Bluetooth noise cancelling earbuds** just two days ago.

Anyway, I **trust my gut** when I'm shopping on Taobao. I think it's the most trustworthy shopping portal because their customer service is reliable. For example, last month, I had **a defective product** from a seller on it. They promised me a product exchange. I waited for a week but **had no updates at all**. So I had to file a formal complaint against this seller. Just an hour later, the online shop's manager contacted me and apologized. They **gave me a full refund** and a new product for free **as compensation**. You see, Taobao will **always put themselves in the customer's shoes**. You don't need to worry about losing your money to bad sellers. So it's a **go-to** shopping website for me.

What's more, even when I don't plan to buy anything, I can surf on Taobao all day. There are lots of interesting ads on the homepage, some of which are really funny. I especially love reading people's reviews and **roasts** of the ads and products, which always makes me **bust a gut**. So, for me, Taobao is not only a shopping site, but also a good place to **blow off some steam** after a busy day. ；雅思过过过淘宝店铺原创；

我经常（几乎每天）会访问的网站是淘宝，它最受欢迎的在线购物网站。我几乎什么都在这个网站上买，这就是我会经常访问它的原因。我最近一次购买就是两天前，我在淘宝买了一副蓝牙降噪耳机。

我非常信任（相信自己的直觉）淘宝网。我觉得这是最值得信赖的购物网站，因为他们的售后服务非常可靠。比如，上个月，我从一个卖家那里买了一个残次品。他们答应给我换产品。我等了一个星期也没有收到任何消息。所以我不得不在淘宝上投诉了这个商家。仅一个多小时后，那家网店的经理就联系我并向我道歉。他们给我做了全额退款的处理，并免费帮我换新作为补偿。你看，淘宝总是会设身处地为顾客着想。你不需要担心你的钱会被不良卖家抢走。所以它是我购物必去的地方。

还有一点，即使我不打算买任何东西，我也喜欢在淘宝上逛一整天。淘宝的主页有很多吸引人的广告，其中一些真的很逗。我特别喜欢看人们对广告和产品的评论和吐槽，总能让我捧腹大笑。所以，对我来说，淘宝不仅是一个购物网站，也是一个忙碌一天后释放压力的好地方。♂雅思过过过淘宝店铺原创♂

23. 不喜欢的广告

I'd like to talk about a deceptive advertisement. It was from Taobao, the most popular online shopping website. I buy almost everything on it, so seeing such an ad made me very angry.

About two months ago, I saw an ad on Taobao selling **Bluetooth noise cancelling earbuds**. You know, that's what I really wanted because I happened to be looking for something to prevent distractions from noise when I study/work. So **I didn't swipe away the ad**. It was actually a text and animation commercial. There were no actors, just **narration**. They **claimed to be** the best noise cancelling earbuds. What caught my attention was the line "**9.9 yuan flash sale**", which means you can get them for 9.9 yuan for a limited time.

When I saw this discount, I realized **it was a scam**. After all, **there's no such thing as a free lunch**. As it turned out, I clicked on the product link and found many people commenting that since buying the product, they've had to deal with lots of different problems, whether it's that the smartphone's Bluetooth can't find the device, or the earphones suddenly disconnecting **for no reason**... Some contacted customer service and were promised an exchange, but had to pay extra to **make up the difference**.

Obviously, the ad was **clickbait** that lured people into spending more money. I'm so **ticked off** that these kinds of ads even exist. So, **I reported the ad to Taobao for deception**. I hope that it won't show up again.

我想说的是一个具有欺诈性质的广告。这个广告来自淘宝，那个最受欢迎的在线购物网站。我几乎什么都在这个网站上买，所以看到这样的广告让我很生气。

大约两个月前，我在那个网站看到一个销售**蓝牙降噪耳机**的广告。那刚好是我需要的东西，因为我当时正好就在找一种可以帮我学习/工作时防止噪音干扰的东西。所以我没有把那个广告滑走。那实际上是一个包含文字和动画的广告。上面没有演员，只有**旁白**。他们**声称**自己是最好的降噪耳机。而引起我注意的是**"9.9元秒杀价"**这一行字，也就是说你可以花9.9元限时购买到耳机。

当我看到这个折扣的时候，我就知道**这是骗人的**。毕竟，**天下没有免费的午餐**。事实证明确实如此，我点进去他们的商品链接，发现很多人评论自从买了这个耳机之后，一直要处理很多不同的问题，要么是手机蓝牙搜索不到设备，要么是耳机突然毫无缘由地断开连接.....有些人因此联系客服，他们答应给消费者换产品，但必须多付钱来**补差价**。

所以，很显然，那个广告就是**标题党（用来引流的）**，目的是吸引顾客花更多的钱。我真的**很生气**淘宝竟然允许这样的广告存在。所以，**我举报了那个广告**，希望不要再有类似的广告出现。

Describe your ideal perfect home or dream house

25. 理想的房子

I think **there is nothing more perfect than** a house with a yard. I can't afford a villa, so an apartment on the ground floor with a front yard would be ideal for me.

I got this idea because of my mom's friend. She has a house with a very large yard. And she plants all kinds of vegetables, fruits and flowers in it. Every summer, you can see **radishes**, tomatoes, cucumbers and **varieties of** flowers like roses and tulips in it. The garden is full of colors and **looks so alive**. **It's no exaggeration to say that** just standing in the garden **brightens my day**. Ever since I visited her house, I've been **green with envy**.

If I were to have my own house with a yard, I would definitely add two outdoor **recliners** to the yard. I could lie on one of them and **soak up the sun** when the weather is nice. I could also finally get the chance to **have my friends over** in my yard for barbecues, drinks and parties. Whether I'm alone or chilling with friends, I believe that such a house is the most relaxing place, and **this is what truly gives meaning to the concept of home**.

Plus, buying a first-floor house is practical, as it avoids the need to climb stairs **during a power outage**. That's especially important to consider as I get older. So, all in all, for me, the perfect place to live is a first-floor apartment that comes with its own yard.

我觉得**没有什么比带院子的房子更完美的了**。尽管我买不起别墅，但对我来说能卖到一个一楼带前院的房，就是非常理想的了。

之所以有这个想法，是因为我妈妈的朋友家就是这样。她家有一个很大的院子。她**在前院种了各种各样的蔬菜、水果和花**。每到夏天你都可以看到里面有**萝卜、西红柿、黄瓜**，还有玫瑰和郁金香等**各种各样的花**。花园里五颜六色的，**看起来很有活力**。**毫不夸张地说**，光是站在花园里就能**让我心情愉悦**。所以自从拜访过她家，就让我**无比羡慕**。

如果我有自己的带院子的房子，**我会在院子里加两个户外躺椅**。天气好的时候，我可以躺在上面**晒太阳**。我还可以**邀请朋友们到我们的院子里烧烤、喝酒、聚会**。不管是我一个人，还是和朋友们在一起，**我相信这样的房子都是最让人放松的地方，而这正是家的真正意义**。

另外，买一楼的房子也很实用，这样**停电了**也不用担心去爬楼梯，尤其是我老了以后肯定要考虑到这一点。所以综合来说，对我来讲，最完美的居住地就是带着院子的一楼公寓。

Well, I'd like to talk about a special meal I had at my mom's close friend's house. The auntie and my mom have been friends for decades. Last summer, we had lunch together. Actually, the auntie is **a huge gardening enthusiast**. She has a big house with **two stories**. There's also a huge front yard where she built a pretty gorgeous garden. She plants all kinds of vegetables in it. There are **radishes**, tomatoes, cucumbers and many others I don't even know the names of.

Anyway, she cooked the lunch that day and she picked the vegetables directly from the garden. The dishes **made my mouth water**(垂涎). I remember we had tomato salads, **stir-fried eggplants** and so on. They were simple dishes but tasted **way better** than anything I'd eaten before. **The tomatoes were the cherry on top**. I haven't had a tomato **that sweet** since I graduated from elementary school. I don't know why tomatoes nowadays always **taste so bland**...maybe because of the **chemical fertilizer**? Anyway, the auntie's home-grown tomatoes gave me the taste of "real" vegetables!

So, this was definitely an impressive meal for me. I hope that in the future, I can have my own garden! That way, I won't have to buy vegetables from grocery stores. Plus, I could always have all the vegetables that my family usually eats, **in the freshest state!** 雅思过过过淘宝店铺原创

她是个非常外向的人，大概两年前她刚搬来的时候，见了任何人都主动打招呼介绍自己，于是大家很快就认识了她。另外，她现在在我们小区很有名，是因为她几乎给所有人免费上艺术课。她其实是一个园艺爱好者。她在自己家前院种了各种各样的花。而且，为了物尽其用，她还报了班学习插花。有几次她甚至给我们所有人都送过她自己做的花束。

因为看到有不少邻居都对种植很感兴趣，她就想起一招，免费把自己学的东西教给大家。于是她们家每周末都有不少人聚在一起听她讲关于园艺技巧的知识，向她学习插花技巧。她还建了个微信群，有人种花或者插花遇到什么问题，都可以向她寻求意见。我妈妈就在那个群里。

我觉得老太太是一个很可爱并且很鼓舞人心的老人。在她的带动下，现在我们小区的人们正在变得更加热爱生活，享受生活。老实说，她这样有爱心的举动，不是所有人都能做到的，所以我非常尊敬和敬佩她。

31. 聚会上遇到的人

Well, last winter, during a wedding party for my downstairs neighbor, I had the chance to meet a captivating elderly woman. I like her very much.

At the wedding celebration, I was seated next to her. At first, I wasn't sure what to talk about because **I didn't think we had anything in common**. However, it turned out that the old lady was very sociable. She **took the initiative to greet and introduce herself to** everyone at the table. So I quickly **hit it off with her** and we had a great conversation.

She mentioned that she **freely offers her services as an art teacher** to nearly all of her neighbors. She is actually **a huge gardening enthusiast**. She plants all kinds of flowers in her front yard. To make the best use of those flowers, she also signed up for a course to **learn about floral design**. Since I'm interested in planting, she **gushed about** flower arrangement for awhile and gave me tons of good tips. For example, she said a bouquet with some **buds** and leaves looks **way better** than a bouquet with **all blooming flowers**. And she also taught me that cutting more leaves can make the flowers bloom longer.

It was like an art class for me. So I **had a blast** talking with her. I added her on WeChat and she offered to help me with flowers or arrangements anytime. She's definitely a lovely and inspiring person, and I'm glad I met her.

34. 他城的短暂停留

If I could visit a city for a while, I think I'd like to go to Weihai. It's my girlfriend's hometown, so that's the main reason I want to check it out.

Anyway, many people think Weihai is one of the most beautiful and attractive cities in China. It has a really good location because it's surrounded by the sea on three sides, and there are lots of terrific attractions in the city. For example, Weihai International Beach is considered one of the best beaches in Asia. Besides, my girlfriend says she will take me to try the deep-fried yellow croaker, which is an iconic specialty in Weihai. It's a must for a foodie like me.

Apart from food, I'll be going cycling around the sea with my girlfriend. She told me it's one of the most appealing parts of the city. There's a long bike path that was built alongside the sea. We can rent bicycles to ride along the coast. When we get tired, we can lie on a nearby beach and enjoy soaking up the sun. For someone like me who has never been to a beach before, I bet it will make me feel like a million bucks.

I hope I can make it during the next long holiday. But, since I still have a job (学生族替换这句 I'm studying in college) in Shanghai, it may be just a short visit for several days. But of course, if I marry my girlfriend in the future, fingers crossed 🍀, I probably will settle down there. Who knows, right?

Describe a crowded place you have visited

36. 人很多的地方

Well, one crowded place that **comes to mind** is Weihai, where I went for vacation during the recent May Day holiday. It's my girlfriend's hometown, so that was the main reason I **checked it out**.

Many people think Weihai is one of the most beautiful and attractive cities in China. It has a really good location because it's **surrounded by the sea on three sides**, and there are lots of **terrific attractions** in the city. This could be why there were so many tourists when we visited. For example, *Weihai International Beach* is considered one of the best beaches in Asia. When my girlfriend and I arrived there, too many people were **crowding towards the beach**. There was just **a sea of heads** and I couldn't even see the beach.

Besides, I'd **originally planned** to go cycling around the sea with my girlfriend. She told me it's one of the most appealing parts of the city. There's a long bike path that was built alongside the sea. We were hoping to rent bicycles to ride along the coast. However, with so many people renting bikes and **the bike path packed with pedestrians**, I totally lost interest in biking.

Honestly, my trip to Weihai was unpleasant due to the crowds everywhere. I heard that there were 200 million people traveling during the May Day holiday this year, so **it's no wonder every place was packed**. But next time I should choose a less popular city to travel to. After all, **I want to see the sights, not the crowds**.

我能立马想到的一个人特别多的地方是威海。我今年五一假期的时候到这座城市旅游了。那是我女朋友的家乡，所以这就是我最主要去那里拜访的原因。

很多人都觉得威海是中国最美丽和最具吸引力的城市之一。它的位置非常好，三面环海，而且城市里有很多很棒的景点。或许是因为这个原因，去那里的游客非常多。比如威海国际海滩被认为是亚洲最好的海滩之一。在我和女朋友到达那里的时候，有非常多人都挤着在往海滩走。放眼望去我根本看不到海滩，看到的全是人头。

而且，原本我还计划和女朋友体验一下在海边骑自行车，她说这是这个城市最吸引人的地方之一。海边修建有一条长长的自行车道。我们可以租上自行车，沿着海岸线骑行。但是，由于租自行车的人太多，而且自行车道上也到处是过往的行人，我一点骑车的兴趣都没有了。

所以坦白说，因为不管去哪里都很拥挤，威海之行并不很美好。我听说今年五一假期有大概 2 亿人都在旅游，这就不难理解为什么哪儿都是人了。不过下次我应该会找一个不太热门的城市去旅游，毕竟我想看的是景，而不是人。

Once I saw the air pollution caused by thick smoke at a river. **If memory serves correctly**, it was last October. I visited a village in Guangdong province. I have a friend who lives there, so I visited her as well as toured the village during the last National Day holiday.

The village has a really good location because it's **surrounded by water**. It's a small island. What's more, there's a long bike path that was built alongside the island. And apparently, they burned tons of plastic waste because **it stunk to high heaven**. We **couldn't put up with it** and left there as quickly as possible.

My friend said many tourists are fond of the cycling trail there. Nowadays, this village has become a **hotspot** for lots of people. So the amount of garbage has been increasing gradually. And the **garbage incineration** by the river was done by the local government. But I don't think it's legit to simply set fire to garbage. 有一次我在河边看到过浓烟造成的空气污染。**如果没记错的话**，那是去年10月。我去了广东的一个村子。我有个朋友住在那里，所以我在上个国庆节假期去看望她，顺便也拜访了这个村子。

那个村子的位置非常好，因为它是**被水包围着**，其实是一个小岛。而且沿岛修建有一条长长的自行车道。我和我的朋友租了自行车，去那里骑行。我们以为骑车时可以欣赏到美丽的风景。但结果却看到有很多人正在河边焚烧大量垃圾，**这真的是很碍眼**。焚烧造成了很大的浓烟，而且显然他们烧了很多塑料垃圾，因为**闻起来非常的刺鼻**。我和朋友**实在受不了**，就赶快逃离了现场...

我的朋友说很多游客都喜欢这里的自行车道。现在，这个村庄已经成为很多人**网红打卡点**。所以垃圾的数量也一直在增加。而我们看到的**焚烧垃圾**，就是当地政府安排的。但我觉得，直接就这么焚烧是不合法的。很显然，空气污染**已经对那里脆弱的生态系统构成了巨大的威胁**，真是**太不应该了**。

41. 嘈杂之地

Well, I'd like to talk about one of the noisiest villages I've ever been to. **If memory serves correctly**, it was last October. I visited a village in Guangdong province. I have a friend who lives there, so I visited her as well as toured the village during the last National Day holiday.

The village has a really good location because it's **surrounded by water**. It's a small island. What's more, there's a long bike path that was built alongside the island. My friend and I rented bicycles to ride around there. We thought we could enjoy the beautiful views while cycling on the path. But **it never occurred to me that** there would be so many TikTokers doing livestreams on the riverbank. Some were dancing to loud TikTok music. Some were singing **at the top of their lungs**. Anyway, **it was such a clamor!**

My friends said many tourists are fond of the cycling trail there. Nowadays, this village has become a **hotspot** for lots of people. Therefore, more and more **people who do personal media** come here to take pictures and footage, whatever they do to get more attention for their social media account. So the cycling path has become a crazy TikTok factory. **How come** it has to be so noisy, right?

Anyway, they totally **ruined my plan** of having a peaceful and beautiful cycling tour around the river. I **couldn't put up with it** and left there with my friend as quickly as possible. 00-———雅思过过过淘宝店铺原创\

Once I completely forgot about a meetup with some new colleagues at work. It was a few months ago. I had just gotten a new part-time job and was invited to a team-building event for the company. At the time, our city had just finished building a long bike path alongside the sea. So the boss proposed to meet at the beach on a Sunday at 7 a.m. so we could rent bicycles to ride along the coast together. I thought it would be a great opportunity to blend in with those guys, so I was up for it.

But I forgot to save it as a reminder in my phone, so, when the day came, I totally forgot our plan. In fact, at the time I was busy preparing for an important exam. It's one of the most difficult qualification exams in China. To pass this exam once and for all, I was really busy as a beaver. So on that day, I arrived at the study room of a library at 7 o'clock. But almost at the same time, I received my boss's phone call asking me where I was.

Then I remembered the team-building event! I apologized right away. Fortunately, I got there in about 10 minutes by bike. Everyone was there waiting for me. Literally, there is nothing more embarrassing than this for a newbie. Anyway, since then, I've always written down the things I'm going to do on the calendar app so I won't make such a mistake again.

Thankfully, my boss guided me over the phone, and I eventually managed to meet up with them in about 10 minutes. Everyone was there waiting for me. Describe a book you have read more than once.

You should say:

Why you read this book

What this book was about

Whether you learnt anything from it

And explain why you have read this book more than once.

46. 多次阅读的书（与“让你失望的电影”、“因某角色而欣赏的演员”串联）

I'd like to talk about a famous American novel called *To Kill a Mockingbird*. I got to know this book several years ago when I was scrolling through social media. There was a list of must-read books posted by someone, and this book was on top of the list. So I decided to give it a go.

It turned out to be a captivating book. I finished it in under a week when I first read it. The protagonist of the book is a young girl, and her father's Mr. Finch, a decent lawyer who defends an innocent black man. He always tells his children that they should never kill mockingbirds, because they don't do anything but make music for us to enjoy. Honestly, the mockingbird doesn't have much to do with the plot of the book. But when you're done with the novel, you know the mockingbird is a symbol that represents black people who are good and innocent. Mr. Finch is trying to make children understand prejudice in the world of adults. He stands up against racism and social injustice, setting a good example for children. 雅思过过过淘宝店铺原创

Actually, the book talks about more than just racism. Through the eyes of Mr. Finch's daughter, it explores different themes like family, courage, justice and so on. I've read the book several times and gained new insights each time. I'm sure my perspective will change when I have kids. So I recommend this book to everyone who hasn't read it. I believe that they won't be let down.

我想要分享的是一本美国的著名长篇小说《杀死一只知更鸟》。这本书是我在几年前刷手机时看到的。当时有人在网上发了一份必看书籍清单，这本书在清单上名列前茅。所以我决定去看一下。

事实证明这真的是一本非常吸引人的书，我大概花了不到一周的时间就看完了第一遍。书中主人公是一个小女孩，她的爸爸芬奇先生，是一位正派的律师，他为一个无辜的黑人做辩护。他总是告诉他的孩子们，永远不要杀死知更鸟，因为它们什么都不做，只是为我们创造美妙的歌声。说实话，知更鸟与书中大部分的情节并没有什么关系。但当你看完整本书后，你就会知道知更鸟代表着善良和无辜的黑人，而芬奇先生就是在努力让孩子们去理解成人世界里的偏见。他在用实际行动反对种族歧视和社会的不公，为孩子们树立了一个好榜样。雅思过过过淘宝店铺原创

事实上，种族歧视只是这本书探讨到的其中一个主题。站在芬奇先生女儿的视角上，书中还讨论了包括家庭、勇气和正义等很多不同的主题。每次看这本书，我都会有新的领悟。而且我相信未来我有了孩子以后，看这本书的心态又会不同。所以我会把这本书推荐给所有还没看过的人，相信大家都不会失望。

47. 让你失望的电影（与“多次阅读的书”、“因某角色而欣赏的演员”串联）

I'd like to talk about a movie **adapted from a novel** called *To Kill a Mockingbird*. A while ago, I read the original novel. I got to know this book when I was **scrolling through social media**. It's **a captivating book** and I finished it in under a week.

After learning of the movie adaptation, I downloaded it out of curiosity. It's an **award-winning** American film from the 1960s. The protagonist is Gregory Peck, a famous Hollywood actor. So I thought the movie would be great. But **my expectations were very different from reality**.

The movie tells the story of Mr. Finch, played by Peck, a decent **lawyer** who **defends an innocent black man**. He is trying to make children understand **prejudice** in the world of adults. He stands up **against** racism and social injustice, **setting a good example for children**. You know, this is all the same as the original book's content. However, the book talks about more than just racism. **Through the eyes of Mr. Finch's daughter**, the novel explores different themes like family, courage, justice and so on. But these are hardly reflected in the movie.

So, the movie is not as detailed as the book, making it appear plain in comparison. Although Peck's handsome appearance and outstanding acting **add a lot of charisma to the** protagonist, I can't see any outstanding points besides that. Actually, after that movie, I decided **I was done with book-to-movie adaptations**. It's **a letdown for book fans**.

电影讲了派克饰演的芬奇先生是一位正派的律师，**他为一个无辜的黑人做辩护**。他努力让孩子们去理解成人世界里的偏见。用实际行动反对种族歧视和社会的不公，**为孩子们树立了一个好榜样**。你知道，这些都和原书内容是一样的，但问题是，**种族歧视只是书中探讨到的其中一个主题**。**站在芬奇先生女儿的视角上**，书中还讨论了包括家庭、勇气和正义等很多不同的主题。而这些在电影中几乎都没有体现。

Describe a historical period you would like to know more

When it was;

What you are interested in;

50. 想了解更多的历史时期

I'd definitely like to know more about the Song Dynasty of China. If memory serves correctly, it's an old dynasty from about one thousand years ago (Questioning Tone). And I'm super curious about it.

The main reason I'm very fascinated by this period of Chinese history is football. I'm a die-hard fan of football. You know, the football world cup was one of the biggest events in the world last year. At the time, I had a funny discussion with my friends about where football was invented. Some of them thought it was invented in England, but I insisted that football originates from Ancient China. I googled facts about it and learned that football was a popular sport among nobles and royalties in the Song Dynasty. It was called Cuju, which literally means "kick a ball" in ancient Chinese. So how come it's not the origin of football, right?

Anyway, I killed the debate but started wondering why the Song Dynasty was the golden era of football in Chinese history. I was taught in history class that for a period of time in that dynasty, China was the most prosperous country in the world. But that's all I know about it. I couldn't help but wonder what made Chinese people 1000 years ago love football so much. So, I'd love to spend some time digging into it, and it would be fun to compare football's popularity between the Song Dynasty and present-day China as well. You know, Team China sucks and less and less kids play football nowadays...

我想要了解更多一点的，是中国的宋朝。如果我没记错的话，这是一个大约一千年前的古代王朝(这里用不确定的语气表达出来会更真实)，我对这段时期非常好奇。

我之所以对这段中国历史非常着迷，主要是因为足球。我是个铁杆足球迷。你知道去年的世界杯是全世界最关注的一大事件。当时，我和朋友们就足球是在哪里发明的进行过一次有趣的讨论。有些人认为足球是英国发明的，但我坚持认为足球起源于古代中国。我上网搜了一下，了解到足球其实是宋朝时期贵族和皇室的一项特别流行的运动。它被称为蹴鞠，古汉语里的字面意思就是踢球。所以怎么可能不是起源于中国呢？

总之，我赢了辩论，然后我就一直在想，为什么宋朝是中国历史上足球的黄金时代。我在历史课上学到过，在宋朝的某个时期，中国是世界上最繁荣的国家。但我知道的也就这么多。我非常了解一下是什么让 1000 年前的中国人如此的热爱足球。所以，我愿意花一些时间来深入研究。对宋朝和今天的中国足球的流行程度做对比，应该会是件很有趣的事。毕竟你懂的，中国足球队现在踢得很差劲，而且现在踢足球的孩子也越来越少了……
