1. 他人的好消息

Last month, my best friend, who is an amateur photographer, won a prize for a photo he took. I actually witnessed the whole process of him getting the honor.

He's been obsessed with DSLR cameras for years. But shooting a good picture is not a walk in the park. So to improve his skills to a professional level, he signed up for an elective photography course in our school. ◆雅總過過過淘寶店鋪原創

Half a year later, he took part in a photography contest held by the school. The theme was photographing natural landscapes. My friend chose to take photos of the birds by the lake. You know, there's a lake in our city where you can see tons of mallards and seagulls passing by on the water. It's breathtaking seeing so many birds taking off from the water. So he chose to snap some photos there. He asked me to go to the lake with him on a Sunday morning. We waited over an hour for a perfect moment.

Finally, he got a really great shot of dozens of birds taking off from the lake. The lighting and composition were both perfect. He submitted the photo to the school and not long after, he received a phone call from the school saying he won third place. It was a huge recognition for him. So my friend was over the moon. He treated me to a nice dinner to celebrate the big news. I was happy for him, and also very proud of him.

他其实一直都特别痴迷于单反相机。但是要拍出一张好照片不是一件容易的事情。所以他为了拍得更专业, 就报名参加了我们学校的摄影选修课。

半年后, 他参加了学校举办的摄影比赛, 主题是拍摄自然景观。我朋友选择了拍摄湖边的飞鸟。我们城市里有一个湖上能看到好多绿头鸭还有海鸥从水面上经过。看到非常多鸟从水里起飞是很壮观的一件事。所以他选了在那里拍一些照片。在一个周日早上, 他叫了我一起去湖边, 我们在那里等待了一个多小时就为了抓取最美的景。

最终他抓拍到一个特别棒的几十只鸟都刚从湖面起飞的场景, 光线和构图都很好。他把这张照片提交给了学校, 而且不久之后, 他接到学校的电话, 说他获得了第三名。这对他来说是一个极大的认可。所以我的朋友非常开心。他请我吃了一顿丰盛的晚餐来庆祝这个好消息。我为他感到非常高兴, 也很为他感到骄傲。

3. 喜欢穿的衣服

I love wearing a simple white T-shirt. It's crafted from soft, breathable cotton and has a relaxed fit. It's perfect for summer outings and can also serve as a versatile layering piece in chilly temperatures.

I got this T-shirt around four or five years ago. The interesting part is that I didn't buy it myself. Actually, as an amateur photographer, I won a prize for a photo I took. And this T-shirt was the prize I received.

At the time, I was obsessed with DSLR cameras. So I signed up for an elective photography course in our school. Later, my school held a photography contest for students. I thought I had learned a lot by then, so I signed up for the contest. The theme of the competition was photographing natural landscapes. I chose to take photos of the birds by the lake. I still remember I went to the lake on a Sunday morning, and I got a really great shot of dozens of birds taking off from the lake.

I submitted the photo to the school and not long after, I received a phone call from the school saying I won third place. As a reward, the school presented me with this white T-shirt. What makes it unique is a special QR code printed on it. If you scan the code, you'll be able to see the award-winning photo. I used to proudly showcase my achievement by wearing this T-shirt. So, that's another reason why I love wearing this shirt.

4. 教他人做事

Well, I taught my cousin a lot about photography last summer. At the time, he was obsessed with learning how to take photos with a single-lens reflex camera. Actually he had been hoping to learn this skill for a long time. But shooting a good picture is not a walk in the park. You have to know a ton of basic theories of photography, like composition, lighting and timing. So, my cousin asked me to lend a hand. He knew that I had taken a photography course at college.

It was great to be recognized for my skills. So, when he turned to me to learn some photography tricks, I was happy that he asked. Even though I'm an amateur myself, I still gave him a ton of hands-on experience. For example, I taught him step by step how to adjust the camera's mode and exposure level to suit different environments and brightness levels. ! 雅恩過過過寸綢宝店舖願創 !

My cousin tried to operate the camera the way I taught him. Honestly, now he shoots way better pictures than before, and he's learned a lot about composition.

Not long ago, he sent me a picture he took. He got a really great shot of dozens of birds taking off from a lake. The lighting and composition were both perfect. I gave him high praise after I checked it out. He said he even thought about make a living from photography. As the one who gave him the most basic knowledge of photography, I feel a great sense of accomplishment.

自己的技能被得到肯定是很开心的事。所以当他求助于我, 说想要学一些拍照技巧时, 我马上答应了教他。尽管我自己也比较业余, 但还是给了他很多实践经验。例如, 我一步步教他如何调整相机的模式和曝光水平, 以适应不同的环境和亮度水平。

我表弟按我教他的方法操作了。说真的, 现在他拍的照片比以前好多了, 而且他学到了很多构图方面的技能。

前不久, 他给我发了一张自己拍的照片。他抓拍到一只特别棒的几十只鸟都刚从湖面起飞的场景, 光线和构图都很好。我看了照片后给了他极大的肯定。他说他甚至考虑靠摄影谋生。作为他的启蒙老师, 我感到非常有成就感。

One of the websites I often visited is called TuChong. It's a popular website for photography enthusiasts. I learned a lot about photography on it. If memory serves correctly, I learned about this website three years ago. At the time, I was obsessed with learning how to take photos with a single-lens reflex camera. I'd been hoping to learn this skill for a long time because it sounds really intriguing. But shooting a good picture is not a walk in the park. You have to know a ton of basic theories of photography, like composition, lighting and timing. 雅思过过过淘宝店铺原创

Luckily, my cousin is a professional photographer who works for a magazine. When I turned to him to learn some photography tricks, he referred this website to me. He said I could learn a ton of hands-on experience from this website. There are lots of posts about photography skills on this website written by photographers. I learned from a popular article about how to adjust the camera's mode and exposure level to suit different environments and brightness levels. Honestly, after becoming a huge fan of this website, I shoot way better pictures than before.

In addition, whenever I'm free, I like to enjoy works by professional photographers on it. Many photos capture the happy and sad memories in life. I have to say the appreciation of those photos has enriched my spiritual life and boosted my happiness. So this website is a treasure for me and I would recommend it to anyone who loves photography.

6. 未来想学的东西

I'm going to talk about a skill I've been eager to master. It's photography. I've been obsessed with learning how to take photos with a single-lens reflex camera for a long time because it sounds really intriguing. But shooting a good picture is not a walk in the park. You have to know a ton of basic theories of photography, like composition, lighting and timing.

My cousin is a professional photographer who works for a magazine. He gave me a ton of hands-on experience. For example, he taught me step by step how to adjust the camera's mode and exposure level to suit different environments and brightness levels. But he told me that it was just scratching the surface. He suggested taking a proper photography course.

In fact, our school offers an elective photography course. The only requirement is that everyone needs to bring their own camera to class, which means I have to buy a DSLR camera. So, if I have time and money, I will take this elective course to learn photography in a systematic way.

I believe it'll be cool to learn some photography skills. That will definitely enrich my spiritual life and can also boost my happiness. Plus, if I can make a great work portfolio, then I think it'll be a breeze for me to make a living from photography. I might be able to travel wherever I want without having to do a 9 to 5 job. That's definitely my dream.

8. 难用的科技产品

I think my DSLR camera is the worst technology ever! I mean, I love photography, but I still need to admit it.

I have always been obsessed with learning how to take photos with a single-lens reflex camera. Luckily, our school offered an elective photography course last year. But everyone was required to bring their own camera to class, which meant I had to buy a DSLR camera. So I did a lot of research and found that high-tech products are so expensive. The most decent cameras would cost me 5000 to 10,000 yuan. The one I intended to buy was 6000 yuan. Eventually, I made up my mind and broke the bank for it. But I found it hard to use... 雅認過過過過過寶店舖源創十

You know, after I started taking the elective course, I really listened to each class carefully. But I found that shooting a good picture with a DSLR camera is not a walk in the park. You have to know a ton of basic theories of photography, like composition, lighting and timing. And the camera itself is hard to set up. You need to remember how to adjust the camera's mode and exposure level to suit different environments and brightness levels. Keeping track of so many numbers is tough for me.

So I'm still not very familiar with DSLRs. I'm more comfortable taking photos on my phone. After all, I can be carefree about the modes and lenses on phones. It seems that I'm not very tech-savvy.

As a photography lover, I think the DSLR camera is an invaluable invention. Despite the expensive price tags, I believe it can definitely **enrich your spiritual life** and can also **boost your happiness**.

Now, I know how to **adjust the camera's mode and exposure level** to suit different environments and **brightness levels**. But you know, **it was just scratching the surface**.

However, **it doesn't diminish my amazement at how incredible a DSLR camera is**. While smartphones have made photography easier, there's no doubt that a DSLR camera **elevates the visual pleasure to a whole new level**. Now, using my DSLR camera for photography has become an essential part of my life. It brings me so much joy and fulfillment. It's hard to imagine how dull life would be without the invention of such a camera.

10. 得到非常需要的东西

Last year, I got a DSLR camera that I was dying to have. It was a gift from my father. I was practically bouncing off the walls when I received it. At the time, I was obsessed with learning how to take photos with a single-lens reflex camera. Luckily, our school offers an elective photography course. But everyone was required to bring their own camera to class, which meant I had to buy a DSLR camera.

I did a lot of research and found most decent cameras would cost me 5000 to 10,000 yuan. The one I intended to buy was 6000 yuan. As a student with no income, buying this camera meant I would have to scrimp and save for months. So I hesitated for a long time.

Later when I was having a chit-chat with my dad, he learned that I was bummed out about the situation. Not long after, he bought me the camera I chose. When I saw it, I was really surprised and delighted. My dad said it was a gift for the new school year. He also told me that I'll never regret spending money on my hobby.

Actually, after I started taking the elective course with the camera, I really listened to each class carefully. Now I shoot way better pictures than before. And I even thought about making a living out of photography. You know, none of that would be possible without the camera my dad gave me. I'll always be grateful and remember his support.

我做了很多研究, 发现大部分好一点的相机价位都在 5000 到 1 万。我看中的一款相机 6000 多块。作为一个没什么零花钱的学生, 如果我买了, 意味着我要省吃俭用好几个月。所以我犹豫了很久。

后来, 当我和我爸闲聊时, 他知道了我因为这个事情很沮丧。然后没过多久, 他就给我买了我选的相机。当我看到它时, 我真的又惊又喜。我爸说这是作为新学年的礼物。而且他和我谈, 为自己的兴趣爱好买单, 永远不会觉得后悔。

事实上, 后来开始上摄影课后, 我有很认真听课, 现在我拍的照片也确实比以前好多了, 我甚至有考虑靠摄影谋生。你知道, 要是没有我爸给我这个相机, 这一切都是不可能的。所以我会永远都心怀感激, 并记得我爸对我的支持。

If possible, I'll pay a visit to the famous Green Lake there in January. A friend of mine in Kunming said that watching birds is a must in winter. There will be tons of mallards and seagulls passing by on the water. It would be breathtaking seeing so many birds taking off from the water. You know, it's impossible to see such a fantastic view in the north. Plus, there is a rowing race there every year. I saw it on TV before. Once it began, dozens of boats moved on the water with drum beats and loud encouragement. And every boat was moving fast like a fish in water. It was so exciting. I really want to be there and see it for myself. 雅思过过过淘宝店铺原创

Besides all that, Kunming is also a city where many ethnic minorities live, so the cultural diversity there is amazing. You can eat so many different ethnic cuisines there. So I bet I'll try all the local specialties if I go. Anyway, my family is in the north, so it's unrealistic for me to settle down there. But I think it'll be an unforgettable trip.

如果可能的话, 我会在一月份去参观那里著名的翠湖。我在昆明的一个朋友说, 冬天去那里看鸟是必须要做的一件事。在那里会有好多绿头鸭还有海鸥从水面上经过。能看到这么多鸟从水里起飞是一件很壮观的事。你知道在北方是完全看不到这些的。而且, 那里每年都举行皮划艇比赛。我以前在电视上看到过, 比赛一开始, 就有几十艘船在水面上划动, 鼓声震耳欲聋。所有的船都像水中的鱼一样快速移动。场面非常刺激。所以我真的很想去那里亲眼看看。 雅思过过过淘宝店铺原创

除了上面说的这些, 昆明还是一个拥有很多少数民族的地方, 在这里你可以探索到中国不同民族的文化, 也可以吃到各种特色地方小吃。所以如果我去的话, 我绝对要去尝遍所有的当地特色菜。不过我家人都在北方, 所以让我在那里定居是不现实的。但我想这一定会是一次难忘的旅行。

20. 想去的遥远的地方

One of the distant cities that I'd like to tour is definitely Kunming, the capital of Yunnan Province. As I live in the north, Kunming is pretty far south for me. But I really like the climate there. I think a sunny day with a mild temperature around twenty Celsius is always the best. As far as I know, Kunming has good weather like this all year round. So, I really hope to experience it for myself.

If possible, I'll pay a visit to the famous Green Lake there in January. A friend of mine in Kunming said that watching birds is a must in winter. There will be tons of mallards and seagulls passing by on the water. It would be breathtaking seeing so many birds taking off from the water. You know, it's impossible to see such a fantastic view in the north. Plus, there is a rowing race there every year. I saw it on TV before. Once it began, dozens of boats moved on the water with drum beats and loud encouragement. And every boat was moving fast like a fish in water. It was so exciting. I really want to be there and see it for myself.

Besides all that, Kunming is also a city where many ethnic minorities live, so the cultural diversity there is amazing. You can eat so many different ethnic cuisines there. So I bet I'll try all the local specialties if I go. Honestly, I can't wait for my travel plans to come together soon.

有一个我很想要去的遥远的地方是昆明, 云南的省会城市。我一直生活在北方, 所以昆明对我来说是非常靠南的一个地方。但我很喜欢那里的气候。我认为一个阳光明媚、温度是20摄氏度的温和的日子是最好的。据我所知, 昆明一年四季都有这样的好天气。所以我非常希望去那里感受一下。

如果可能的话, 我希望在一月份去参观那里著名的翠湖。我在昆明的一个朋友说, 冬天去那里看鸟是必须要做的一件事。在那里会有好多绿头鸭还有海鸥从水面上经过。能看到这么多鸟从水里起飞是一件很壮观的事。你知道在北方是完全看不到这些的。而且, 那里每年都举行皮划艇比赛。我以前在电视上看到过, 比赛一开始, 就有几十艘船在水面上划动, 鼓声震耳欲聋。所有的船都像水中的鱼一样快速移动。场面非常刺激。所以我真的很想去那里亲眼看看。

除了上面说的这些, 昆明还是一个拥有很多少数民族的地方, 在这里你可以探索到中国不同民族的文化, 也可以吃到各种特色地方小吃。如果我去的话, 我绝对要去尝遍所有的当地特色菜。说真的, 我非常期待我的旅行计划能快点实现。

I'd like to share a delightful experience I had with my young nephew during the last Dragon Boat Festival. My uncle asked me to babysit his 8-year-old son, so I took him to the lakeside to watch the Dragon Boat race and try paddling a boat. It was a memorable day for both of us!

Dragon boat race is a traditional event during our country's Dragon Boat Festival in June. It serves as a grand ceremony where participants compete in rowing boats, aiming to bring good fortune and a prosperous harvest. Anyway, once the race began, dozens of boats moved on the water with drum beats and loud encouragement. And every boat was moving fast like a fish in water. It was so exciting. My little nephew was so pumped. He chased the boats on the shore, and cheered loudly to support the rowers. He was absolutely thrilled!

Then, we went kayaking. It was his first time paddling a boat. I told him to stay seated, but he got so excited that he stood up, stomped his feet, and even sang loudly. So, we both lost our balance and fell into the water! Thankfully, it wasn't deep, and we had life jackets on, so everything was fine. We laughed our heads off. It was a hilarious moment.

Even though we had a little mishap that day, it turned into one of the funniest memories we've ever had. Whenever we talk about paddling a boat now, we always think back to that day and crack up.

I once visited a lake and there was a lot of noise there. It's an important lake in downtown Kunming called Green Lake. It's not the largest lake in the province. But it's still vital to the locals.

If memory serves correctly, it was during the winter about two years ago. My family and I took a plane to Kunming to watch birds. It's said that there are tons of migrant birds that stay at the lake during the winter. Even in January, you can see tons of mallards and seagulls passing by on the water. You know, it's impossible to see such a fantastic view in the north. So there are more and more tourists who love to check it out during holidays like us.

However, when we went there, it was very disappointing. There weren't a lot of birds at the lake. Instead, tons of seniors were singing and dancing by the lake. The volume of their speakers was so loud that we couldn't stand it. Perhaps because of this, the birds were scared away. So we only stayed there for a few minutes and went away. It was such a bummer!

I really hope that those dancing old people will consciously realize that they made serious noise pollution. They'll drive away a lot of tourists who come to see the birds if they don't stop it. It'd also be a disaster for the migrant birds. I wonder if the park is still so noisy nowadays. I hope it's getting better.

我有一次去一个湖边旅游, 那里特别的吵闹。那是昆明一个很重要的湖, 叫翠湖。它不是那个省最大的湖, 但对当地人来说, 它仍然非常重要。

如果我没记错的话, 我去的时候大概是在两年前的冬天。我家人和我坐飞机专门去昆明看鸟。据说冬天在那个湖能看到很多候鸟。即使在一月份, 你也能看到很多绿头鸭和海鸥从水面上经过。在北方是不可能看到如此美景的。所以这些年有越来越多的游客会像我们一样, 假期专门来看这个美景(赏鸟, 旅游)。

可是, 当我们到了那里, 却非常失望。湖上并没有多少鸟, 但是湖边却有特别多的老人在跳啊唱的, 他们的音箱声音大到我们忍受不了。或许是因为这个原因, 鸟都被吓跑了。所以我们就在那里就待了几分钟就走了, 太让人郁闷了!

我真的希望这些跳舞的老人们能自觉意识到他们正在制造很严重的噪音污染。如果他们继续这样做, 会赶走很多来观鸟的游客。而且这对候鸟来说可能也是一场灾难。我不知道现在在那里是不是还是这么吵, 希望能好一点了。

I'd like to talk about my experience of seeing people burn garbage at a lake. It's an important lake in downtown Kunming called Green Lake. It's not the largest lake in the province. But it's still vital to my hometown.

In January of last year, my family and I went to the lake to watch birds. Unfortunately, we saw fires set in two huge garbage bins. Someone was still tossing things into them. Smoke filled the lake and spoiled the air. This had never been the case before. Actually, there are tons of migrant birds that stay at the lake during the winter. Even in January, you can see tons of mallards and seagulls passing by on the water. So there are more and more tourists who would love to check it out during their stay in my hometown.

Perhaps because of this, it's inevitable for garbage to be left there. Anyway, in order to dispose of the garbage as soon as possible, the janitors burned it. Obviously, there was black smoke and a strong smell. Even with masks, we couldn't put up with the bad air and left.

I really hope that the administration will realize that what those janitors did is wrong. If they do it frequently, they will cause severe air pollution. Then we would definitely lose a beautiful recreational place for the public in the downtown area. It'd also be a disaster for the migrant birds. Green Lake is one of nature's best gifts to us, so we definitely need to protect it.

我想要说的是我在湖边看到有人焚烧垃圾的经历。那个湖是我们昆明市区一个很重要的湖, 叫翠湖。它不是我们省最大的湖, 但对我们家乡来说, 它仍然非常重要。

去年一月份的时候, 我和家人去翠湖赏鸟, 可惜的是我们看到两个巨大的垃圾箱里冒着火, 还有人仍然在往里面扔东西。浓烟飘在湖面上, 空气完全被污染了。这在以前是从没有过的场景。事实上, 很多候鸟会在冬季到翠湖过冬。即使在一月份, 你也能看到很多绿头鸭和海鸥从水面上经过。所以这些年有越来越多的游客会专门来翠湖看这个美景(赏鸟, 旅游)。

或许是因为这个原因, 导致湖边不可避免的出现了大量的垃圾。总之, 为了尽快清理掉这些垃圾, 清洁工就一把火烧了。显然, 湖边弥漫起大量黑烟和非常刺鼻的味道。即使戴着口罩, 我们也无法忍受这样的空气, 只好离开了。

我真的希望管理部门能意识到这些清洁工的行为是错的。如果他们经常这样做, 必然会导致空气污染, 那么我们的城市中心就少了一块很漂亮的娱乐放松的地方。这对候鸟来说可能也是一场灾难。翠湖是大自然给我们的最好的馈赠之一, 所以我们真的需要好好保护它。

32. 喜欢的生活习惯

Well, I enjoy jogging in a **gigantic** park two or three times a week. I **picked up this habit** two years ago when the park had just opened to the public.

It's a great place for running. There's a **giant artificial lake** in the park. And they have a **track** around the lake where a lot of people run. If you need a break, you can sit in a pavilion nearby while enjoying tons of **mallards** and **seagulls** passing by on the water. Other than **the occasional bird call**, you can't hear any other noise. ● 雅恩过过过淘宝店铺原创

I really like this kind of atmosphere. So I ran for about half an hour the first time I went there. Honestly, I used to be a **night owl** and didn't work out very often. So **my legs were killing me** the next day. But I still enjoyed running there. The run easily **calmed me down**. I just forgot about the **hustle and bustle** of study/work, and enjoyed the peace and quiet of the morning surrounded by nature. It even made me more productive with study/work for the rest of the day.

So, since then, **a morning workout** has become part of my daily routine. And the park has become a place where I often go jogging. To be honest, one of the reasons why I stick to this habit is that I like that park a lot. I'm glad there's such a great place near my home. It always makes me want to exercise.

我非常喜欢这样的氛围, 所以我第一次去那里就跑了大概有半小时。老实说, 我以前是个**夜猫子**, 而且不怎么爱运动。所以跑完的第二天**我的腿都疼死了**。但我还是很享受在那里跑步的过程。它很容易就**让我整个人放松下来了**。我完全忘记了自己**繁忙的学习(工作)任务**, 而且跑完步甚至让我那天的学习/工作效率都变得更高了。 ● 雅恩过过过淘宝店铺原创

33. 居住地发展

Well, I'd like to talk about a new park in my neighborhood. It's about a 15-minute walk from my home. If memory serves correctly, the park was built just a year ago. All the residents love it. My first visit to the park was last October when the gigantic park had just opened to the public. Actually it's been my favorite hangout since my first visit.

It's a great place for doing exercises. There are so many people who work out in the park on a daily basis, but it's rare to hear any shouting or other loud sounds. There are plenty of facilities for various sports in the park. Most people there play badminton and tennis, and they even have a square for Tai-chi practice. Everyone is focused on their own thing. I really like this kind of atmosphere.

Besides, they built a giant artificial lake in the park. And they have a track around the lake where a lot of people run. If you need a break, you can sit in a pavilion nearby while enjoying tons of mallards and seagulls passing by on the water. Other than the occasional bird call, you can't hear any other noise.

So it's a peaceful and delightful place with tons of sports facilities and venues, which is why it's so popular in our neighborhood. I'm glad there's such a great place near my home. It's become a place where I often go for a workout. I really like being there.

34. 不喜欢的广告

I'm going to talk about **a nonprofit advertisement**. It's an introduction for a new park in our hometown. But the ad itself is not quite friendly to seniors.

When the **gigantic** park had just opened to the public, the government made an online ad to introduce it. In the video, the park looks stunning. There's a giant artificial lake in the park. It looks like a great place for doing exercises. There are **plenty of facilities for various sports** in the park. You can see so many people working out in the park. In the ad, most of them are playing badminton and tennis, and they even have a square for **street dancing**. But if you look carefully, you would find that the ad is full of young people but has no old people. There is only one old man in a wheelchair who shows up at the end. He sits in a **pavilion** while enjoying tons of **mallards** and **seagulls** passing by on the water. ● 雅思过过过淘宝店铺原创...

It looks so ridiculous to me. **It encourages the stereotype that** old people can't do sports. I think **it's very offensive to seniors**. After all, many elderly people like to exercise in public places. So, I mean, the park IS a peaceful and delightful place with tons of sports facilities and venues, which IS popular in my hometown. But I don't think this advertisement worked well because **it was totally ageist**. I really hope **the media and advertising community** will pay attention to this issue. After all, everyone gets old.

It turned out the article had the wrong address because they **messed up a street name**.

So, finally, it took me **another fifteen minutes or so** to actually get to the park. Honestly, I was quite surprised that a public account would make such a careless mistake in their article. That misleading advertisement **must have confused a lot of people**. Later on, when I went back to check the article, **it had already been taken down**. They must have realized their error. Describe a movie you watched recently that you felt disappointed about

I'd like to talk about *Robinson Crusoe*, which is a movie adaptation of a classic adventure novel. The first time I read the novel was actually in a Chinese class when I was in high school. That was an amazing novel. From the very beginning, I was hooked by its captivating story. So, when I recently came across the movie adaptation while browsing online, I couldn't resist watching it. But honestly, it was quite disappointing.

The movie follows the general theme of the book, telling the adventurous story of the protagonist, Robinson Crusoe. He is shipwrecked and castaway on a remote island. He tries his best to survive by all means and manages to live on the island for over 20 years. He's in danger lots of times. Of course, he overcomes all of them and learns to survive on his wits.

But the movie failed to include many exciting scenes from the book. I particularly enjoyed the detailed descriptions of how Robinson learned to find food, make fire, and create tools. Sadly, the movie simplified or even left out these important parts.

So, I found the movie didn't live up to the brilliance of the original book. It was boring and I felt like I wasted my time watching it for two hours. I really hope that future adaptations of books can do a better job of staying true to the essence of the story, as well as the intricate plots that fans like me want to see on screen.

电影和书里讲的大致主题是一样的, 它讲述了主人公鲁宾逊漂流记的冒险故事。他遭遇了海难, 被遗弃在一个偏远的岛屿上。他想尽一切办法求生, 在岛上生活了 20 多年。这期间他遇到了很多困难。当然, 所有的困难都被他克服了, 他学会了靠自己的智慧生存。

所以我觉得这部电影完全没法和原著相提并论(没有达到原著的水平)。它整体来说非常无聊, 完全浪费了我两个小时。我希望以后改编原著的电影, 能够更好的忠于故事本质, 以及更好的还原书中的复杂情节, 这才是书迷们希望看到的。

41. 因某角色而欣赏的演员

I'm going to talk about Pierce Brosnan. He's best known for playing 007 in the James Bond series, an agent who is handsome and resourceful. But he actually impressed me more in another movie, Robinson Crusoe(鲁宾逊漂流记).

It's a classic adventure film. Pierce played Robinson in the movie. The first time I watched this film was actually in a Chinese class when I was in high school. Our teacher asked us to watch the film and write a review of it. So my classmates and I carefully watched the film.

Honestly, Pierce was almost unrecognizable in the film. You know, the movie tells the adventurous story of the protagonist, Robinson Crusoe. Unlike James Bond who is handsome and upper-class, Robinson is shipwrecked and castaway on a remote island. He tries his best to survive by all means and manages to live on the island for over 20 years. He has challenges and is in danger many times. Of course, he overcomes all of them and learns to survive on his wits. But you know, in a story like this, the character is homeless, and always looks like a hobo. So I didn't realize Brosnan played him. But in the finale, when he's rescued and goes back to England in his fifties, I was surprised to find that he looks like James Bond.

I never imagined a charming, rich man playing a naked, near-primitive character. So you see, a real actor can handle any role, whatever it may be. That's what I admire about Pierce.

我要谈谈皮尔斯·布鲁斯南。他最出名的角色是在 007 系列电影中扮演一个英俊而足智多谋的特工。但实际上, 他在另一部电影《鲁宾逊漂流记》中给我留下了更深刻的印象。

这是一部经典的冒险电影。皮尔斯在电影中扮演罗宾逊。我第一次看这部电影实际上是在我上高中时的一堂语文课上。我们的老师要求我们观看这部电影并写观后感。所以我和同学们很仔细地看了这部电影。

说实话, 皮尔斯在电影里几乎认不出来了。你知道, 这部电影讲述了主人公鲁宾逊漂流记的冒险故事。与英俊的上流社会的詹姆斯·邦德不同, 罗宾逊遭遇了海难, 被遗弃在一个偏远的岛屿上。他想尽一切办法求生, 在岛上生活了 20 多年。他遇到了很多困难, 并多次遇到危险。当然, 所有的困难都被他克服了, 他学会了靠自己的智慧生存。但你知道, 在这类型故事里, 这种角色总是无家可归, 看起来像是流浪汉一样。所以我完全没看出来是布鲁斯南饰演的。直到结尾, 当他被救出来, 50 多岁回到英国时, 我才惊讶地发现这人怎么看起来长得像詹姆斯·邦德。

我从没想过一个多金又有魅力的男人会扮演一个赤身裸体、近乎原始人的角色。所以你看, 一个真正的演员可以胜任任何角色, 不管是什么。这就是我欣赏皮尔斯的地方。

I live with my parents in the **penthouse** of a high-rise. We've lived there for over a decade now. Honestly, I love **every nook and cranny of the house**. But the most relaxing part is probably the large balcony. ☆ 雅思过过过淘宝店铺原创 ☆

She likes to grow all kinds of plants and flowers on the balcony, mostly **succulents** and **pansies**. She keeps over thirty pots of succulents and a variety of **orchids** in different colors. So the balcony is like a garden. What I like to do is lie on the couch **after I'm off from work**, and enjoy the scenery over a cup of coffee, perhaps with some music. It's just cozy.

Plus, my whole family love cats. My dad ran a pet shop that was **devoted to** cats before he retired. So now we have three cats in our home. We set up some pet furniture, food and toys on the balcony for these three cats. The cats like to **bask in the sun on the balcony**, just like us.

So basically, I spend a while on the balcony whenever I'm free, especially on weekends. **All I do is look after** our cats and flowers with my parents and **relax in the mini paradise** we've made on the balcony. Sometimes I also like to drink tea and chat with my parents there. **It's a great time to bond with them**. It's definitely better than just watching TV in the living room!

With Joey's leadership, we did a great job presenting. Our teacher also complimented us on it. More than that, I was fortunate enough to be in a group with him several times. Whenever he was there, we got high marks on our group work because he was like a mentor to us. Studying with him gives me the opportunity to learn how to think and how to do things effectively. 50. 想了解更多历史时期

The Tang Dynasty is probably my favorite historical period. Honestly, I don't like history and I found history classes at school boring. But I like to watch a TV program called *National Treasure* (《国家宝藏》). It's produced by CCTV to introduce Chinese culture and history. One episode of this program was about our country's Tang Dynasty, which is very intriguing for me.

The program is very creative. They invite famous actors to portray historical figures and introduce related historical periods or historical relics. I remember one of the episodes where many celebrities wore Tang Dynasty clothing on the catwalk. They looked like they were coming out of the Mogao Grottoes murals. A historian explained the clothes on them. From the episode, I learned how powerful our country was during the Tang Dynasty, and how easy life was at that time. People in the Tang dynasty were very confident, independent and proud.

That episode made me jealous of the life of people in the Tang Dynasty. It also made me more curious about our history. I couldn't help thinking why that dynasty was so rich, and whether the prosperous Tang Dynasty was as good as the present day. I also wonder if we could still learn a lot from the Tang Dynasty, both politically and culturally. I believe there have been many studies in this field, but I've never paid attention to them before. If I have time, I will find out more. I think this is what history is for. Young generations can always benefit from history and learn something valuable.

唐朝可能是我最感兴趣的一个历史时期。老实说, 我一般对历史不感兴趣, 我觉得在学校上历史课就很枯燥。但是我非常喜欢一个节目叫《国家宝藏》。它是我们国家央视制作的介绍中国历史和文化的节目。在这个节目里, 有一期介绍了我们国家唐朝的历史文化, 完全把我吸引住了。

节目的形式很新颖, 他们会邀请有名的演员来出演各种历史人物, 介绍相关历史时期或历史文物。我记得有一期节目邀请了很多明星穿着唐朝服饰走时装秀。他们就像是莫高窟壁画里走出来的一样。专家很仔细地解释了那些服饰。从那期节目我了解到我们国家唐朝时期国力有多么雄厚, 而且那个时候的人们生活的多么的悠闲自得。唐代的人们都非常的自信、独立和骄傲。

那期节目让我很羡慕唐朝人的生活, 所以也让我对唐代更加好奇。我会情不自禁地去想为什么那个朝代可以如此发达, 以及是否现在能和盛唐时期媲美。我也会想, 无论是从政治方面, 还是从文化方面, 我们现在是否依然可以从唐朝学到很多。我相信已经有很多这方面的研究了, 只是我以前从没有关注过。如果有时间, 我会多了解一些。我觉得这或许就是历史的意义, 年轻一代总是可以从中受益, 学到一些有价值的东西。
