

Teachers (老师)

1. Do you want to be a teacher in the future?

① Well, if I'm just daydreaming (白日做梦) without considering my current major and my future career path (不是考虑我目前的专业和未来的职业路线), I would love to become a teacher. I'm a very patient person and I love sharing my knowledge and skills with people; I love helping people fulfill their potential (实现潜力) and become a better version of themselves (成为更好的自己). So yeh, it's a good fit for me (挺适合我). (原因)

② 教育学的宝宝可以说，那就是自己的目标。参考录播赠课第二节内容。

③ No, being a teacher is definitely not an option for me. I'm a terrible teacher (很不擅长教学). I never know how to explain things to people in an easy and understandable way (我从来不知道如何用简单明了的方式把事情解释清楚). I just make things even more complicated (越解释越糟). On top of that (在这个基础上), I'm not very articulate (很善于言辞, 口齿清晰). I get nervous when I give public speeches (做公共演讲). And I'm not the most patient person in the world (我不是很有耐心). So, I guess, the answer is no.

2. Do you remember one of your teachers?

① Yes, I remember my high school English teacher. She was so nice to me and she saw a lot of potential in me (看到我的潜力). She was all the time encouraging me to speak up more (多发言) during class and shared with me a lot of her favorite movies and TV series. Because of her, I fell in love with English (爱上英语). (原因)

别的科目也可以!

② I remember a teacher that I really, really disliked in middle school. She was so unprofessional (不专业) . She never paid attention to our needs (不关注我们的需求) and was very impatient (没耐心) . The worst part was (最糟糕的是) , she only favored those ones who had better grades (她只喜欢成绩好的学生) . And she even formed a little smaller group (搞小团体) with those students. She was so mean (刻薄) to students who were outside the group. And we were all the time feeling belittled (感到很渺小) and looked down upon (被鄙视) , so it was a really bad memory. (原因, 细节)

3. What were your primary school teachers like?

Some were very nice and some were just okay (okay 表示凑合, 马马虎虎) . I remember I had some teachers who really cared about me and paid a lot of attention to my needs. And they would go above and beyond (做得超出标准) and visit my home and talk to my parents about my performance at school (和我的父母聊我的表现) , which I really appreciate. But there were also teachers who didn't care about who I was, or how my family was. They didn't even know who my parents were. They were just doing the bare minimum (凑活, 干活干到最低标准) .

4. Do you have a favorite teacher?

Yes, my favorite teacher was that high school English teacher I talked about just now (刚刚) . She was like a breath of fresh air (一股清风) , a ray of sunshine (一束阳光) , very caring and loving (充满爱和关怀) . I feel like we were not just in a teacher-and-student relationship (不仅仅是师生关系) . It was more than just that (比那还多) . She was like my friend and also my family. She would care about what I was doing outside the school, like where I went to on holidays or on weekends. When I went through some tough times (遇到挫折, 陷入困境) , she was there for me (支持我) ,

supporting me, providing me with useful advice (给我有用的建议) . She was my mentor (人生导师) .
