Part 4

语境/话题：简介一位建筑大师

1. why does the student choose this topic

C. **he has interest in the experience of this architect** *admired him from childhood*

32. why does the architect take architecture as his career

A. under the influence of his father

B. **he wanted to break from convention**

C. he made the first wrong decision

33. why did the man finally come back from London

B. **to get more business opportunities** *because the place he went to in London had no chance to make money*

C. **win more respect**

34. what is the architect famous for

C. **joined the association and became a chairman**

building		now used as	disadvantage
1	conference centre	35. as a hotel	36. made of glass material, windows tended to wind leak
2	37. has a big balcony	38. as a car park	
3	was originally prison	39. as transport museum	40. there is no room to do exercises

雅思听力真题 T 0815402

Part 4

语境/话题：有机农场的介绍

- 31. organic farming advantage: it is **sustainable**
- 32. to boost the **sales**
- 33. main advantage of organic food: saves necessary **energy** in producing fertilizers
- 34. good for soil: worms and double **insects** which may attack organic vegetables/weeds *many yields have declined, but in varying proportions*
- 35. sustainable vegetable for example **potato** crop, went 40% down
- 36. winterweed production **10%** lower than it used to be *now=90%*
- 37. including organic **grass** *production remains the same*

- 38. what happened to organic farming in India
 - A. **yield increase** *more production*
 - B. farmers are reluctant to accept the organic farming
 - C. farming in certain area is also very successful
- 39. conclusion in an international organic farming review focus on\
 - A. whether people are interested in organic farming
 - B. compare different methods of organic farming in countries in the world
 - C. **organic farming is beneficial to wildlife** *to the environment mainly*
- 40. what did the speaker think is the main advantage of organic farming
 - A. **depends on consumers** *brand image, market demand determine everything*

雅思听力真题 T 0815403

Part 4

语境/话题：大学举办交流大会

why do they choose this conference site

- 31. firstly, it has **good facilities**
- 32. secondly, the large range of **researches** already being done
- 33. this conference will help raise fund from the **government**

speakers	subject
professor Mr.	34. politics and the media
professor Mr	35. humor of speech
professor Mis	36. translation and internet
professor Mr	37. crimes

- 38. some volunteers staffs are doing technical support and **equipment**
- 39. requirement of volunteer: **formal** language, *not different language*
- 40. collect the **feedback**

雅思听力真题 T 0815404

Part 4

语境/话题：小岛的生态保护

- 31. we cannot construct things when birds are **nesting**
- 32. through collecting **feedbacks** from the **public** comments
- 33. this project is outstanding because the no-native animals and **farming**

Two industries:

34. 1930s: **fishing**

1940s: marketing

1950s: **mining**

Wildlife on island

- 35. development of the **streets/ traffic**
- 36. remove **gas** from ocean
- 37. convert plants to a **liquid**
- 38. **noise** form ocean in Australia, which puts pressure on marine creatures
- 39. turtles attacks predators like: **crocodiles** will attack *not sharks* when turtles are laying eggs
- 40. personal pets will have impacts; especially the **rats** will attack baby turtles

雅思听力真题 T 0815405

Part 4

语境/话题：伦敦地下轨道

31. there has been a **low impact** on environment *There are some very sensible and practical reasons for developing down as opposed to upwards. The property has very little impact on the surrounding environment*

32. it is **energy-saving** because of the alternative energy technologies *It is easy to heat in winter and to keep cool in summer, in our underground house is the belief that it is possible to reduce energy need, and in particular to reduce the amount of energy needed to heat our home. The stable subsurface temperature of the earth saves around 80% in energy costs*

33. **conservation** of land resources

34. go underground, there is no **traffic noise** outside

Additionally, the noise insulation of the surrounding earth makes underground homes exceptionally quiet, and with a smaller surface area, fewer building materials are used

35. the construction can have a **long life span**

36. the **healthy benefit** comes from the methods of ...

Two new houses type shortened in M and H

A. M

B. H

C. both the M and H

37. saving energy --- **C**

38. zero noisy --- **B**

39. low cost --- **B**

40. durable structure --- **A**

雅思听力真题 T 0815406

Part 4

语境/话题：大猩猩行为研究

- 31. rule out **genetic** and biological factors
- 32. chimpanzee know making **tools**
- 33. use a **stone** hammer to crash nuts
- 34. on the other side of **river**
- 35. can **open** shell / hull of a ...
there are 2 examples in the article
- 36. learn through **observation** of each other behaviours
- 37. considerable **skills**
- 38. alarmingly decreased population **density**

Conclusion of all passage

- 39. chimpanzees learn things by
 - A. chimpanzee copy humans' behavior
 - B. chimpanzee follow the instructions *this is a trap option*
 - C. **chimpanzee has very strong ability of logically thinking**

The chimpanzees the steps to take box of fruit, but they didn't just follow the steps, but they can escape some unnecessary steps to finish the task

- 40. other conclusion of passage
 - A. **developed behaviors over some generations**
 - B. chimpanzee modify to adapt to the environment
 - C. chimpanzee is slower than human in different ways

Then a passage talked about chimpanzee imitate human behaviour very fast. Chimpanzee's behaviour will pass through generation and be improved by their descendant

雅思听力真题 T 0815407

Part 4

语境/话题：坚持能力的研究

31. samples in the subject course students have common features

A. an age group

B. **same geographic area**

C. financial problem/social-economic

32. elder students are more influenced by

A. **impact from their family** *not to consider financial*

level of importance	social and environmental factors	personal factors	other factors
Level – 1	35. rich experiences at school	33. enjoy a challenge	
Level – 2		37. the students have good health	34. study of many interests
Level – 3	36. by/ with tutors		

38. filling questionnaire for obtaining their level of **maturity**

39. to help students act as **advisers**

40. they provide **online** service *not telephone help*

雅思听力真题 T 0815408

Part 4

语境/话题：澳洲当代艺术及艺术家和艺术品

Ernabella arts

31. rugs made from **wool**

The older women collected wool and took it away to their more familiar camp, and the others made floor-rugs in a craft room

Tiwi design

32. designers are good at natural images: **bird**

The early designs, were inspired by the environment and incorporated fish, bird and lizard motifs

33. design, for example in symbol asking of **rain**

Bima wear

34. based on symbols, structures, **family** and nature

The fabrics produced at Bima wear feature the: ancient symbols, structures, family and environmental representations which are central to their culture

Desert designs: Jimmy Pike

35. Jimmy pike began his life as a design artist start in **prison**

In Fremantle prison where he attended art classes taught by Steve Culley, a founder, with David Wroth, of Desert Designs

36. design can be used in making **clothing**

37. artist Jimmy Pike was inspired by Australia, especially the **desert**

Desert designs is a commercial business which originated in western Australia in the 1980s. many of their designs are created by an Aboriginal man, Jimmy Pike, from the Kimberley region. His traditional land is the Walmajarri Great Sandy Desert country

Bronwyn Bancroft

38. Cathy Freeman's jeans are famous because lizards and a tailless **snake**

The imagery is of snakes and lizards moving really quickly across the Australian terrain, just as Cathy does, not only in Australia but on the world stage

39. Fabric's background look like a **rainbow**

In Aboriginal tradition, the Rainbow Serpent is the creator. Have also painted a rainbow background to show the optimism

40. a young couple named the **couple** case

雅思听力真题 T 0815409

Part 4

语境/话题：澳洲水资源利用分布报告

- 31. water for daily life is what people most concerns **safe and reliable**
- 32. the supply of water is **scarce** out of supply
- 33. water for household is consumed most in **washing** and **waste disposal**

comparison of histogram of three water consumption

Drinking and cooking 4% minor, garden watering 20%, toilet flushing 32%, bathing and cleaning 28%, laundry and dishes 16%

- 34. common surface water is from the rivers, creeks **dams** and **lakes**
- 35. surface water is prone to be **contaminated**
- 36. the rain is the **purest** the *cleanest*, it is without **air pollution**

39. how does the speaker think the water management body

- A. inadequate
 - B. **barely adequate**
 - C. admirable
40. the environment report in 1989
- A. caused a concern
 - B. **unreliable** *coz it is lack of insufficient data*
 - C. Inconclusive

雅思听力真题 T 0815410

Part 4

语境/话题：同伴阅读小组

- 31. each scheme: set up **time** for group meeting
- 32. **distribute** the articles to students
- 33. write a **summary** in 3 days
- 34. review materials before preparing **lectures**
- 35. check accuracy for the collected **facts**

benefits of peer program

undergraduate: improve reading

postgraduate: organization skill *Advantages Suggestions*

undergraduate	36. improve their management skills <i>useful for future</i>	37. need to check grade
postgraduate	38. help their comprehension of texts	39. relationships <i>strengthening the relationship in the discussion</i>

- 40. assessed in a more **standard** way for the feedback

雅思听力真题 T 0815411

Part 4

语境/话题：船王邱那德的造船传记

31. where did he get the ship experience

- A. sea voyage
- B. family *his dad*
- C. **first job**

when left home (Canada) he was a teenager and come to join a US company, got to know sail

32. the company experienced

- A. **immediately profitable** *had an instant wealth*
- B. deal with one commodity *more than one cargo*
- C. the business world widely *major business in north America, and Atlantic*

33. why did he want to use mail contact to buy steam ships

- A. faster
- B. stronger
- C. **more reliable**

mail contact to buy steamship which was more dependable, steamship brings more punctuality, other type ships always delayed

34. what did he do when he won the bid *Bid British post*

- A. reduced the fleet of the ships
- B. **opened a new company** *cooperated with British, opened many branches but went bankrupt*
- C. appointed a new British agent

35. why did he choose Boston

- B. had a good business environment
- C. **once he worked there** *he had the first job in Boston, and built the port there*

36. what could be revealed about the 1844 event

- B. **Boston was not a good location for port** *one ship sank coz the winter freeze. Ice berg, heavy loss, then the board recommended company be moved to New York, and, it was a huge success then became one of the biggest US shipping companies*

37. how did he improve the sail safety? by **radio** communication

38. **newspapers** were produced on the board, so the passengers would not feel uneasy during the journey

39-40. before 1912, paid more attention to the **speed** of the ships, afterwards, poured more money in the decoration, compared to **hotels**

雅思听力真题 T 0815413

Part 4

语境/话题：关于医院的问卷调查的总结，讲医院情况以及做出哪些方面的改进

The major reasons for people choose one hospital

- 31. first, **transport** is convenient
- 32. second, the building should be **clean**
- 33. should provide some **information** to the patients even prior to treatment

The future plan for the hospital

- 34. help build new web page for local **doctors** and medical staffs
- 35. award staffs with effective **bonus**
- 36. help **visitors** assess to the hospital *need to set up a opinion scheme*
- 37. assess **communication** from all levels *evaluation*

A new unit in the hospital will be built soon aim for the patients who are having

- 38. example: to cure patients with **sleep** disturbance
- 39. and also for **plastic** surgery patients services

Improvement suggests

- 40. the hospital has many equipment, but is should improve **planning** surgery *hope to improve it to 24 hours*

语境/话题：印尼的西番莲果（百香果）

31. passion fruit grows in

A. costal place

B. **certain altitude** *only grows in 800 metres above*

32. produce yielding in recent years

A. **noticeably increased**

B. declined

C. exceed...proportion *compared with last year, the output of western java in Indonesia has been doubled*

33. the production in area ... was subjected to the factor of

A. **the weather** *climate*

34. what improvement has been made

B. **fruits now can be grown through the whole year**

C. the taste becomes better

35. the exported passion fruit's disadvantage

A. **appearance of fading** *after a long time, the skin changes color quickly, passion fruit's skin becomes unattractive*

B. insufficient supply

C. unreliability of transportation

36. why do people in western countries like the fruits

C. **it is addictive-free** *no chemicals were added*

37. export shortage because

A. young tree

B. **unstable price** *price fluctuated*

C. unstable output

38. compared to Kenya, in New Zealand what's the problem

A. **plant period is short** *production period is shorter than in Kenya, in iKenya there can be output in 12 months of the year, in New Zealand it only grows from February to July*

B. most of them are domestic consumed *95% are exported to South America*

C. less reliable quality

Socio-economic effects for the industries

39. can provide jobs for a sizable of **workforce**

40. improve the use of **land**

雅思听力真题 T 0815419

Part 4

语境/话题：不饱和脂肪酸研究

Report about fish are rich in unsaturated fatty acid and improvement for people's health; fatty acids (fish oil fatty acids) function. Comparison between a list of children from different countries children who eat this kind of food; long chain fatty acids

Gap filling

31. when does the story begin

A. **pretend to buy two fishes**

C. bought two rare fishes

First they told story of great-grand father, like fishing? But always caught nothing. Then one day, grandfather pretend to fish 2 fish, actually bought from market, and its smoked fish, discovered by grandmother

32. long-chain fat can improve function of **brain**

Then discussed several countries

33. survey from UK, children who has **learning difficulty** are in shortage of Fat Acid; thus it will be helpful for children who have study difficulty

34. how long does it work since taken? There is one kid had taken **3 months** improved a lot, *in the tape, recording mentioned just 3 months, effect equals to 5 years*

35. some people take them but they don't seem to **digest** well

36. only **a third** people eat some kind of nutritious...

37. USA: found student who often eat fish, **mathematics** is better than others' *because there are unsaturated fatty acids in fish*

38. Japan: children who often eat fish can avoid problems in **reading difficulty**

39. Japanese **government** encourages people eat more

40. Ireland: prisoners become very aggressive due to the low level of various **minerals** in their diets
