

Part3 全课件 (5-9)

刷题要求： 4-5 mins 5-6 个问题，每问 4-6 句话，每问时长不超过 20-35s;

6 types of questions, reasons; personal opinion; listing (listing of solutions/listing of qualities/家长怎么做 政府怎么做); Speculation (possibilities analysis 对于可能性的猜测 2 future trend); change (how has people 's way of making friends changed over the past years?); comparison (what is the difference between a and b? men vs women; old vs young); 5w

A book you have read many times Key words: reading; book, ebook, way of studying/reading; novel, movie, library bedtime story	
Listing	What types of books do young people like to read? There be Different Genres of books, including comic book, picture book, science fiction, detective novel, textbook, magazine and so on; while I guess the most popular one should be comic book, since it is very engaging and imaginative.
Change	How has people's way of reading changed over the past years/decades? Used to + but now Generally, xxx has been changing all the time For instance, in the past/Previously, people used to do xxx in traditional/offline ways, like doing sth job fair But now/while nowadays, it is common for us to do sth on social media/online/in an electronic way, since it is time/labor/money-saving/straightforward I believe this trend will carry on in the future.
Reasons/incentives	What are the benefits for parents to read bedtime stories to kids? 2-3 个 aspects 的七分词汇表 (万能理由) 面-线-点 疑问-陈述 benefits can be manifold/multiple For example, it allows children to Additionally/in addition to that, it is also rewarding for them to

	<p>Last but not least/one more to mention/add, by doing sth, people can it can be viewed as a way to do</p> <p>That's xxx</p> <p>International traveling</p>
<p>Personal opinion</p> <p>Express</p> <p>Justify</p> <p>Weather forecast?</p> <p>How to mix and match</p> <p>Troublesome</p> <p>It is necessary for people to make plans when they go traveling?</p> <p>Personal and situational;</p> <p>Keep it simple and straightforward</p> <p>Local tourism</p> <p>Electronic devices</p> <p>Electric vehicle</p> <p>Electrical engineering</p>	<p>Is reading important? 上思维 1 personal situation 2 城市病 3 social Trend 人们这么做能得到什么好处 3 反之 otherwise(情绪健康反转, 三费), ignorant;</p> <p>好坏处 pros and cons advantages and disadvantages?</p> <p>Nowadays, doing sth is rather common and popular, what are the pros and cons of doing sth? (are there any drawbacks? Do you think something is always good?)</p> <p>Surely, sth can be good, since 好处一 或者好处二 (people can carry a mobile library with them when they read ebook; they can do sth anytime anywhere.)</p> <p>But conversely, when speaking of shortcomings, I have to say if 过分 或者 缺乏 监管 方 监管 (there is no supervision/discipline/management), 出现问题 (那三个)</p> <p>In the virtual world, frauds can be a dime a dozen. (fraudulent/fraudulence)</p> <p>(Be undermined compromised)</p> <p>结论: 1. There should be a balance 2 parents should be responsible. (be careful/prudential)</p>
Listing	<p>How can parents do make their children be interested in reading?</p> <p>Parents can do several things to make it happen</p> <p>大脑 For starters, it is essential for children to understand the importance of doing sth, after all, one behavior lies on/depends on mentality 认知</p> <p>身体 and then, it is also necessary for them to put words into action/to put theory into practice, by doing things like reading bedtime stories, borrowing xxx from library or attending reading groups and so on.</p>
<p>Comparison</p> <p>Which one is better, wild park or manmade park?</p> <p>(investment,</p>	<p>Regarding knowing a story, what is the difference between reading and watching a movie?</p> <p>Regarding the following aspects, including multisensory feelings like seeing, watching, hearing, interacting, special effect, visual and sound effect</p>

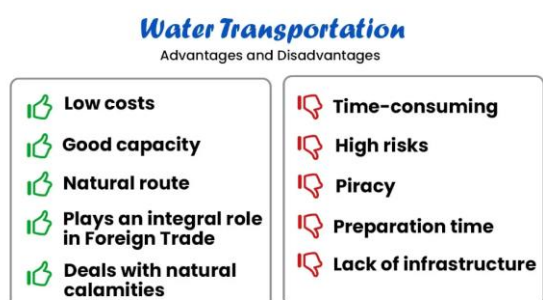

<p>original look, design, natural view, location and operation model, value. Creatures, ecological significance)</p>	<p>Reading can be 2-dimensional, while watching a movie can be 3 dimensional; audiences can have better experience</p> <p>Reading can stimulate readers' imagination, while when people watch a movie, they just follow the storyline.</p> <p>What is difference between a and b? how is one place's food different from other places? They are different from each other regarding xxx 哪些方面不同? And they mainly lie on aspects like geography, history, tradition, culture, climate, weather and even religion (revenue, market share, products, size of the company, numbers of employees, reputation, the history of the company)</p> <p>举一个具体的例子 to be more specific, one place's food can be sweet, while/whereas/whilst food can be spicy in xxxx</p> <p>More sizable</p> <p>And something like that.</p>
<p>Speculation Why are people late for important things? 千人千面 分 析 aspects/factors Interest, major, financial situation, language ability As Long as (有兴趣有能力 go ahead) + otherwise 符合条件就做，反之就不做</p>	<p>Do you think paper books will be disappearing? Some people say if children can read/study well, they tend to be successful when they grow up in career? Agree or disagree? 1 千人千面 when people do that, they have multiple reasons, like xxxxx For example, From what age will children start sending gifts (children's understanding, parenting, schooling, personality, peer influence, financial ability/pocket money) job nature (personality, traffic condition, weather condition, accident/emergence, health condition, timing or bad luck, poor time management;) People experience traffic congestion or if they are not good managing time, it is possible for them to miss Important occasions or appointments. And something like that. 2 子集决定合集吗? Rich – success; good-looking- famous movie star; study well – success; talent – champion</p>

	<p>Surely, if ppl are xxx , they can be xxx, since xxx is quite foundational</p> <p>But it is not always the case</p> <p>Since there are still other factors like xxxx (talent, diligence, luck, social network, financial support, opportunities, timing, mood, personality/health/relationship; honesty)</p> <p>So that's why never say never</p> <p>It is not a 100% thing</p> <p>3 不相关 你说的这个事和性别不相关 age or gender</p> <p>It lies on/in depends on/relies on the following factors like xxx</p> <p>So, as I see it, gender is not one of the main concerns; in other words, they are not relevant</p> <p>As long as</p> <p>Get the hang</p> <p>Childhood traits; family vibe; job nature, mood or timing</p> <p>As long as they are stressed out and they have no idea how to manage emotion, they tend to be emotional, regardless of the gender.</p>

Step 1: 课堂听讲解，然后做作业的时候先听雅思哥 APP 的语音问题提问，自己试着反应问题类型和组织语言，注意自己的停顿的地方和原因 top-down

Step2: 再次阅读课件所体现出我们课上所讲解的方法和结构，然后自己再次练习一遍流利度，同时在笔记上总结出这是什么问题类型

一级准备

水上运动

What is the most popular water sport in your country? 观点+支持	In my country, there are heaps of water sports, like swimming, surfing, diving, parasailing, fishing and so on; while the most popular water sport should be swimming, since it is very aerobic and healthy; besides, it is handy for people to find a pool to swim.
What are the advantages of water transport compared to other modes of transport? 好处	Advantages of water transport can be manifold; for instance, it is cost-efficient when it comes to transporting large goods like coal, stone or sand; additionally, water transport is very simple and straightforward to carry/move people around, especially when talking about natural route, like the mainland to island transportation.
What are the characteristics of goods transported by water? 好处	The question is interesting; as what I mentioned above, water transportation is suitable for transporting goods that are bulk or staple 大宗物品 , since the moving capacity is large; one more to add, water transportation is the major way to do international trade, liking shipping cars, crude oil 原油 , natural gas and wheat.
Why do people like to live near water? 八词给好处	When people live near water, they can enjoy natural views like river view, lakeview, ocean view and so on; besides, it is handy for them to do water sports, like swimming, fishing, jogging along the riverbank and boating;
What do you think of the people who waste water? 直接反证	It is absolutely unacceptable; especially given that water scarcity 水资源匮乏问题 is very concerning now, and everyone should do their share to protect water resources; and those who compromise valuable water should be fined or punished.
Do you think It is good to teach swimming in schools? 八词给好处	I think so; since swimming is a good way of doing aerobics, and students can burn calories and keep fit by swimming; besides, swimming is a survival skill, students can protect themselves from the risk of being drown.

重要决定

Do you think children sometimes have to make important decisions? 具象带入	I think it's ok for children to make decisions on their own; but when it comes to important occasions, like choosing schools or making life plans, it is better for their parents to make decisions for them; after all, children are not mature or experienced enough to make wise decisions.
What important	When they graduate from high school, they may face a range

decisions do teenagers need to make after graduation? 动名词 listing	of challenges and situations, and it is common for them to have heaps of decisions to make, like planning life path, choosing university or college, how to make a living and so forth.
Who can children turn to for help when making a decision? 名词罗列	when children experience critical moments in life, they can turn to many people for help, like parents, teachers, friends, specialists and even experts on the Internet, provided that 只要 they are sincere and experienced, they can offer useful suggestions.
Do you think advertisements can influence our decisions when shopping? 广告的长处	Yes, I think so; since advertising can be informative , and it includes useful details of products or services, like price, function, feature, design, reference and so forth; so that consumers can be well aware which product they are going to buy; without advertising, it will be difficult for consumers to make comparisons .
Do you think the influence of advertising is always good? 坏处走极端	No, I don't think so; for instance, if there is no supervision or censorship, advertising might be misleading and even fraudulent 欺骗性的, and consumers are likely to be cheated or misguided by false information; that's why advertising must be well managed.

存钱买昂贵礼物

What do young people like to save money for? 罗列名词	People tend to save money to buy their desirable things , like a car or a fancy house, gifts and home appliances 家用电器; besides, it is also likely for them to save money for importance purposes like education, medical care and retirement life.
Is it easy for people to save money to buy something expensive? 千人千面 lies in +as long as+ otherwise	The question is quite personal and situational; the answer can be yes and no; when talking about the difficult level of saving money, it lies on many factors like financial foundation, salary level, financial management skill and even personality; in other words, as long as they are capable of making money and financial planning 管理金钱, saving money shouldn't be hard; or I don't think so.
Should children have pocket money? Yes + without	I do believe that children should have pocket money, since they do have needs of spending on a range of aspects like toys, gifts, snacks or even socialization; while on the other hand, if they don't have pocket money, they might be frustrated and unconfident in life.
Should children learn how to use money at school or from their	The answer is positive, it is crucial for children to learn how to use money and manage their pocket money from both teachers and parents; simply because they need to

parents?如果不这么做	understand how painstaking for parents to make money and without such a teaching, they might take things for granted 一切理所当然 and be spoiled 被宠溺.
How do people save money?意识+行为	Many things can be done to achieve such a purpose For example, it is essential for them to understand the importance of saving money, and they need to do so to be prepared for any uncertainty 不确定性 in the future. After all, one's behavior lies on mentality. And then, they need to put words into action by doing things like spending less and starting saving, investing and even living a simple life. And something like that.
Why can't some people save money? 千人千面	The question is very interesting, since it is quite difficult for some people to save money, since factors can be various in this case, like their financial status, job nature, consumption habit and even mood; more specifically, if their spending is beyond the income 入不敷出, they can't meet ends meet 收支平衡, and saving money will be possible. 要给出 More specifically

体育节目

Which sport do you think most people like to do? 观点加支持	The answer can be a matter of personal opinion 见仁见智; but generally speaking, I consider swimming to be the most popular sport in my country, since it is rather aerobic and healthy; people can burn calories and refresh mind by swimming; that's why there are many venues 场所 for swimming, like swimming pool, gym, hot spring 温泉, bathing beach 海滨浴场 and so on.
Do children need exercises?具象	The answer is absolutely positive; children do need to do sports or exercises; especially given that children always stay indoors to read and study, they need exercises to boost mood and keep fit, doing things like playing balls, running around, playing games and so on; otherwise, they would be obese or shortsighted if they stay indoors all the time.
What are the benefits of exercise?七分词汇表	Like what I mentioned, doing exercises allows people to improve their health physically, mentally and psychologically, it is also a way to socialize with others; without doing exercises, they would suffer from a range of issues, like frustration, obesity, stress, poor health and so on; that's why it is necessary for us to do exercises.
What can be done to get children into sports?	First of all, children have to be taught about the importance of doing sports, since one's behavior lies on mentality;

怎么样让孩子实现某事？	Besides, they should be encouraged to step out and interact with others, doing different sports like playing basketball or swimming; One more to mention, their parents should set good examples for them; otherwise, parenting won't be convincing. And something like that
What sports programs do people like to watch in your country? 罗列名词	In my country, there is a range of popular sport programs, including live shows, the Olympic games, online streaming 网络直播 and so on.
What's the difference between watching sports on TV and watching it live? 两者作比较	The main differences lie on the following aspects, like timeliness 时效性, live vibe 现场氛围, cost, mood, interaction, multisensory feelings and so on; basically, people can feel the live vibe more strongly when they watch a live show, while it is free to watch a sport show on TV.

传统节日

Is it important for children to learn traditional festivals at school? Do children like to learn about traditional festivals? 很重要，如果不学的话	The answer is positive, children do need to learn traditional festivals at school, since it is the way to understand more about history, culture and tradition, and it is also the way to appreciate life values and arts; without those teachings, children would be ignorant 无知的, and they might lose national identity 身份认同感 gradually.
Why do people hold events to celebrate? 八词给动机	It is interesting to hold events or parties on special occasions like festivals or national holidays, since it is the way to boost ties with family or friends; besides, it can also be viewed as a way to honor ancestors and look forward to the future, which is meaningful too.
Are traditional festivals disappearing? 八词反向, 不能给人带来好处的就淘汰 be obsolete or redundant	From where I stand, I do agree that some festivals are disappearing; mainly because some of them can't bring values or excitement and inspiration to us, and gradually, they will be forgotten and disappearing; which is a part of the natural selection process (物竞天择, 适者生存 the fittest survive)
Is music important in traditional festivals? 反证, 如果没有音乐, 然后举一个例子	I think so; music is an important part of the multisensory feelings, including seeing, hearing, touching and even smelling, surely music is one of them. In some traditional festivals, music can bring joy and enlightenment 启迪 to us; without music, the celebration might be dull or tedious; for example, at spring festival, we tend to listen to conventionally

	cheerful songs to bring us the new year vibe 新年气氛.
Do you think good food and drinks are important for celebrations? 反证	The answer is yes; since celebrations always come with activities and socialization, and if there is no good food/delicacies or drinks, people would be depressed and frustrated, they have no willingness and energy to carry on the celebrations.
理想居所	
What are the most common architecture styles in Chinese cities? 观点加支持	In my country, I guess the architecture of courtyard house can be commonly found everywhere across the country, since it is very economical and functional 经济适用的, including residential buildings, temples, schools and governmental departments.
What is the difference between an apartment and a house? 不同方面+举个明显的例子	To some degree, they are quite different from each other; and main differences lie on the following aspects like size of the place, number of rooms, price, location and function; for instance, house always comes with a backyard or front yard, while an apartment is enclosed by windows and walls.
What are the advantages of the facilities of the apartment and the facilities of the house? 分别给出八词	Both of them have advantages, respectively. To be specific, apartment takes less effort to be maintained and managed, including water, gas, electricity, cleaning and security. while for houses, they can provide us with more space regarding activities and rooms, like outdoor activities and life choices; for example, people can plant trees and build a veggie garden in a house, while it is less likely to do so in an apartment. And something like that
What difficulties do people have when living in the city? 罗列名词	When people live in the city, they may face heaps of challenges and difficulties, like traffic congestion, air pollution, parking problem, noises, high living cost, stress, fast life pace and so on; that's why some people would rather move to the countryside to live.
What can be done to reduce the stress of city life? Listing solutions	Firstly, people can rely on their own to find a balance between life and work, to find inner peace by letting off steam. Besides, they can turn to others for help to reduce stress, like parents, friends, classmates, colleagues, specialists and consultants. Or, they can just move to the countryside to live on, to get always from the bustling city.

有趣工作

What are the most popular jobs for young people in your county? 罗列名词	Jobs for young people can be a dime a dozen 比比皆是, and those popular jobs include being a teacher, a doctor, an engineer, an entrepreneur 年轻企业家, a self-media worker 自媒体者 and a programmer and so on.
What is the difference between high-income and low-income jobs in your country? 区别主要是以下方面, 加上一个具体的诠释	When talking about such a comparison, I guess the aspects are no more than the following ones, including their educational background, qualification, capability, knowledge, skill, experience and so forth; to be more specific, a low-income job doesn't require high qualification and work experience, while it is not always the case regarding high-income jobs.
When is the right time for young people to start making serious plans for their future careers?千人千面	Decision-making requires a range of qualities, including their maturity 成熟度, knowledge, wisdom, family background, financial situation, personality and experience; in other words, as long as the young people are mature or experienced enough, they can make decisions on their own, and the possible age might be around 20-25 years old. 给出合理解释即可
Which jobs have the highest salaries? 罗列名词, 高风险高回报 high returns/rewards, high risks	Frankly speaking, I am not sure about this question, since it is beyond my experience; but I suppose those highest-salary jobs involve high return and high risk; after all, every coin has two sides, and in that case, I think those jobs include financial specialists 金融专业者, venture capitalists 风险投资人, entrepreneurs 企业家, scientists and senior doctors 资深医生.
Which jobs pay low wages but require a high level of skills?给出具象的特列, 解释这一类contradictory 矛盾的点	This question is very tricky and interesting at the same time, since it is very contradictory 矛盾的, I reckon that if there is an oversupply of skillful workers or the economy is lousy, those skillful workers have to bear the low wages, like being a handicraftsman, a miner, a taxi driver or even a soldier.
Do you think it is important for secondary schools to offer careers advice to students? 鉴于社会的特点, 需要这样的教育, 反之就很无助	I think so, since those teachings can pave the way for their future, so that they can be well-prepared; especially given that our society is competitive and challenging, they need such a lesson to understand what is going on in job-hunting market; otherwise, they would be helpless and even jobless when they graduate.

经常帮助别人的人

How can children help their parents at home? 罗列动名词	Children can do heaps of things to help their parents at home, like doing housework, being a kitchen hand, obeying house rules and finishing homework on time.
Should children be taught to help others? 当然是了, 如果不教或者做出榜样, 他们就不知道帮助别人的重要性或者如何帮	The answer is positive, children should be taught by parents or teachers to help others, since children need to understand the importance and necessity of doing so; besides, parents also need to set good examples for children to learn from, so that children can be warm-hearted and generous.
What makes children help each other at school? 怎么做, listing solution	At first, children should be aware of the importance of helping each other; after all, one's behavior lies on mentality; they need to understand that helping is a mutual thing . 帮人就是帮自己 Additionally, children should spare no effort to others on things like studying, playing games, doing sports, solving problems, socialization and so on 学以致用, 说到做到
Should students do community service? 做的好处, 八词世界观 Why do some people do volunteer work all over the world?	If there is any chance, children should be encouraged to do community service, since it allows them to understand that we are all part of the community, and helping others is all about helping ourselves; besides, by doing such a service, their personality and capability can be honed, including communication skill, leadership, problem-solving skill, teamwork spirit and so forth. That's why the answer is positive.
Do students in your country do volunteer work? 罗列动名词, 是的, 具体做什么	Mostly speaking, I guess students do like to do volunteer works in my country, and it is only a matter of degree; they do things like planting trees, helping seniors, picking up plastic bottles, saving street animals and so on.

冒险

Who likes to read adventure books? 和具体的人没有关系	When talking about the preference of reading adventure books, I guess it has nothing to do with certain group of people; after all, it lies on factors like personality, job nature, personal interest, mood, social influence and even social trend; that's why it is hard to define such a certain group of people who like to read adventure books.
Do people prefer adventure novels or adventure movies? 千人千面	Basically speaking, I suppose that people do both on different occasions; and their choice lies on elements like mood, timing, personality and environment; for example, if people crave for multisensory feelings like seeing, hearing and experiencing, they prefer to watch an adventure movie, otherwise, they would rather read an adventure novel.

Why do people like to read adventure books rather than take an adventure? 八词给出读小说的好处+举个例子	The question is interesting, when talking about reading a novel over taking an adventure physically, I think people put many things into consideration, like cost, time availability 是否有空, risk level, possibility, skill and personal capability; more specifically, it is more doable to read a novel about climbing the Mount Everest 珠穆朗玛峰, instead of being there in person.
Who doesn't some people like to take adventures?	这道题已经被上题合并回答
What kind of personality should people have in order to experience a lot of adventure? 人具备素质	As a qualified adventurer, they must be skillful, knowledgeable and experienced, including the knowledge of geography, climate, history, tradition and even culture. 技能和知识 Besides, they have to be physically strong enough to deal with issues of all kinds; or they would fall into trouble easily. 健壮的体魄 One more to add, it will be awesome if they have social skills like leadership, problem-solving skill, teamwork spirit and communication skill; or taking an adventure would be very challenging. 社交通用技能 And something like that.
Will experiencing adventures broaden people's horizons? 特别是经历过各种冒险的人来说	The answer is positive; especially when people take different kinds of adventures, they can enrich knowledge and life experiences; in the meanwhile, they tend to meet people from all walks of life, and they need to improve their skills and capabilities all the time to solve problems and finish tasks; as a result, their horizons can be greatly broadened.

汽车旅行

What benefits does public transport bring to the world? 八词世界观给出三个好处, 准时, 省钱和环保	Benefits can be multiple regarding public transportation; for example, using subway allows us to save time and labor, since it is reliable and punctual; besides, it is eco-friendly to use new energy public transportation, since they are driven by electricity, instead of fossil fuels; moreover, it is cost-efficient than self-driving when using public transport.
Is it too late for people to get the driver's license at the age of 18? 如果太年轻, 可能不具备能力	No, I don't think so, since when people turn to their 18's, they are mature and responsible enough to learn how to drive and get a driver's license; after all, driving on their own requires factors like skill, experience, knowledge and discipline, which might be absent 不具备的 for people who are under the age of 18.

What qualities should a good driver have? 人具备哪些素质	<p>In order to be a good driver, people should have the following traits;</p> <p>For example, they must be skillful in driving, which is the key to be a qualified driver.</p> <p>Besides, they also need to understand the traffic rules and safety hazard 安全隐患 when they drive.</p> <p>One more to add, it will be great if they are polite and responsible when driving the car, or it is likely for them to have road rage 路怒症</p> <p>And something like that.</p>
Do you think the government should make it a rule for people to use public transport? 政府应该强制使用公共交通吗，给出例外条件	<p>No, I don't think so, since it is totally up to us to choose what way of transport to use; especially for those people who are used to driving on their own, and there is no need for them to use public transportation; after all, public transport is only one of the options, instead of something that is compulsory.</p> <p>可以有，但是不能强制</p>
Which jobs require people to be good at driving? 罗列名词	<p>Many jobs require people to be good at driving, like being a driver of bus, taxi, train, truck and so on; mainly because they are supposed to be responsible for other people's safety and even lives.</p>

阅读多次的书

What kinds of books do children like to read? Why? 罗列名词	Children like to read heaps of books, like comic book, picture book, novel, science fiction, magazine, story book and so forth.
What can kids learn from books? 七分词汇表 只要是罗列方面, 不外乎那八个	Kids can acquire knowledge and absorb information from reading, including history, tradition, culture, geography, science; besides, they can have fun by reading, since reading is recreational.
Do people prefer to read e-books or printed books in your country? 看情况 1 千人千面: It varies from person to person; depends on As long as or Mostly	It totally depends on many factors when talking about preference, including timing, mood, personality, age, scenario and so on; and there is no need to make such a comparison; for instance, when people are on the move, they tend to read ebooks, while they prefer to read printed books when they are in the classroom.
Do you think people need to develop the habit of reading? Why? 相当于阅读重要吗 鉴于这个情况 这么做的好处 不这么做的	I think so; just as a saying goes, a room without books is like body without a soul ; and reading can nourish our mind and soul; in the meanwhile, reading allows us to be wise and knowledgeable; that's why the answer is yes. Life without xxx is like sailing without navigation;
Do you think reading books can make people happier?七分词汇表 1 心情 + 词汇	Surely, reading can bring happiness to us, since reading is the way to refresh mind and boost mood; besides, people's imagination can be stimulated by reading; in that case, the answer is positive.
Do you think e-books will make people read more? Why?没有关系	When deciding the reading time, I guess it relies on factors like personality, personal hobby, time and space, mood and even necessity; in that case, I don't see the connection

	between time of reading and specific way of reading; in other words, as long as the book is interesting, people are willing to spend more time on reading; otherwise, I don't think so.
