

Part3 全课件 (9-1)

刷题要求： 4-5 mins 5-6 个问题， 每问 4-6 句话， 每问时长不超过 20-35s;

6 types of questions, reasons; personal opinion; listing (what qualities should a good /listing solutions) ; change (now vs past decade); comparison (a vs b, old vs young men vs women); Speculation (possibilities, future trend);

Part 2a book you have read many times;

Step 1: book, reading, e book, reading bedtime story, library

<p>Change 古今对比</p>	<p>How has ppl's way of reading changed? 左手-固定题型的回答模板; 右手-lexical resources</p> <p>Way of doing sth has been changing all the time (dramatically)</p> <p>For example, in the past, people used to read in traditional/physical/solid ways, like reading paper book,</p> <p>But now, there is a trend that people read electronically (on the Internet, on social media/live stream), since it is time/labor/money-saving/diverse</p> <p>This trend will carry on in the future. Electronic device; ev electric vehicle; electronical engineering</p>
<p>Reasons</p>	<p>Benefits of reading bedtime stories to children 面-线-点</p> <p>Emotion; health; relationship; career; cost; efficiency; quality; safety</p> <p>Benefits are manifold/multiple</p> <p>For starters, it allows</p> <p>Besides, it is also rewarding</p> <p>On top of that, by doing sth,</p> <p>线性思维</p> <p>好坏处: merits and demerits; pros and cons</p> <p>Surely, sth can be good, since 好处</p> <p>While conversely/alternatively, when talking about drawbacks/shortcomings/flaws, I have to say if sth is too much/it lacks management or supervision/censorship 审查 (Information is false/misleading/fraudulent/inappropriate/exaggerating 夸张的) , some</p>

	<p>consequences might happen (情绪反转; 健康反转 be obese, be shortsighted; 三费 it is a waste of time money or labor.) 结论; balance personal choice. 监管方 Must be responsible/careful for that. Solution or best wishes</p>
<p>Personal opinion</p>	<p>Is reading important? (without if) If people don't read, they might be ignorant, and they would be helpless in work study life, they couldn't catch up with the social trend That's why it is important</p> <p>Is work-life balance important? 鉴于城市病 life pace is fast, living cost is high; stressed; traffic congestion is common; air pollution is concerning</p> <p>Be sick = be under the weather</p> <p>2 Paper books will be disappearing online vs offline 好坏处: advantages and disadvantages of reading ebook</p>
<p>Comparison</p>	<p>What is the difference between reading paper book and electronic book</p> <p>Basically, they are very different from each other, about many aspects like cost, efficiency, quality, sources, preference and even diversity</p> <p>To be more specific, 举一个 common sense 的例子; For example, readers can have xxx when they read paper books, while/whilst/whereas</p> <p>And something like that.</p> <p>What is the difference between children and adults regarding reading 鉴于小孩子, 他们选择 先定性, 再定量 然后鉴于成年人, 他们选择 Given that children are naïve and less experienced, they may choose books like comic book, magazine, picture book, fairy tale, science fiction, textbook and so on While considering that adults are more knowledgeable and even profession, they tend to read diverse books like novel, reference book, romance, newspaper, books about htc and something like that.</p> <p>Clothing style Conservative/conventional = old-school/old-fashioned thing</p>
<p>Listing</p>	<p>第一种, 家长和孩子 How can parents do to make children be interested in reading</p>

	<p>Parents can do various things For example, at first, children should be taught/educated about the importance or meaning of doing sth; after all, one's behavior lies on/relies on mentality And then, it is also crucial for them to put words into action/theory into practice, by doing things like xxx and xxx So that their understanding can be deepened. 给一个效果作为结果 And something like that. 第二种 What qualities should a good teacher have? The following traits For example, they should be xxx, since their main job is to xxx (professionalism) And besides, they must have social skills like xxx 通用技能 Last but not least, it will be great if they are honest/responsible/patient/hardworking, or they might lose credit/trust easily. 品质加分 第三种: 遇到事怎么办 How would people do when they experience bad services? Take several steps or actions First, they can try to get over it/figure it out by themselves, which can be straightforward 第一步, 叫做如果 thing is minor, 靠自己 And then, if it is necessary, we can turn to others for help, like calling the manager to make complaints 找别人 Or if they all fail, we have no choice but to call police or regulators to give them a lesson 找权威 to solve the problem we have make sure everything is fair and square</p>
Speculation	<p>A: If children can study or read well, they tend to be successful when they grow up? 子集能够导致合集结果吗? Sure, if xxx, it is possible for them to be But it is not always the case/it is not a 100% thing Since there are still other factors like hard work, opportunity, timing, financial support, personality and so on; talent is only one of them That's why never say never. B: 千人千面 are all students in your country interested in science? Not really, It is personal and situational 定性 When talking about xxx, it depends on factors like parenting, schooling, personality, serendipity, timing, peer influence 定量 In other words, as long as children 1 有兴趣, 2 有能力 他们就会做 go ahead I believe the answer is positive. Otherwise, I don't think so. Safety hazard</p>

Step 1: 课堂听讲解，然后做作业的时候先听雅思哥 APP 的语音问题提问，自己试着反应问题类型和组织语言，注意自己的停顿的地方和原因 top-down

Step 2: 再次阅读课件所体现出我们课上所讲解的方法和结构，然后自己再次练习一遍流利度，同时在笔记上总结出这是什么问题类型

一级准备

1 烹饪

What do we need to prepare when we need to cook? 名词罗列	Basically, we need to prepare a variety of things when we cook, including utensils 厨具 , gas , ingredients 佐料 , food materials like meat, seafood or veggies. (recipe)
Do you agree that food is an important part of Chinese festivals and ceremonies? 很重要，就直接反证 Important = if/without 1 情绪反转 2 健康反转 be shortsighted be obese 3 三费 its gonna be a waste of time labor money	There is no doubt that food is very essential when talking about festivals and ceremonies; since if there is no food, everything else would be so tedious and people would be disappointed or confused without delicacies and specialties 特色菜 .
Which dishes are a must at festivals? 罗列名词	As far as I am concerned, in my country, when it comes to festivals, there are heaps of dishes that are necessary, including dumplings, noodles, soup, fried rice, fish and so on.
Should students learn to cook at school? 除非是，否则 As long as Otherwise	The question is very interesting; from my perspective, unless the school is about cooking and cuisine 烹饪 , I don't think students should learn how to cook at school, since they are too busy to do that.
Do you think cooking should be a compulsory or an elective course? Why?	这道题目的思路和上题是重复的

<p>Are there any difference between cooking today and in the past?</p> <p>Now vs past change</p> <p>It has been changing all the time;</p> <p>For example, in the past, people used to do sth in traditional ways, like doing a b or c</p> <p>But now, it is common for us to do sth on social media or on the Internet, since it is</p>	<p>I think so; for instance, in the past, people only had limited choices of ingredients and recipes 菜谱; but now it is simple and straightforward to improve culinary skills 烹饪技术 by using apps and watching live stream on social media, and people can learn how to cook a special dish easily.</p>

What's the difference between watching sports on TV and watching it live?两者作比较	The main differences lie on the following aspects, like timeliness 时效性, live vibe 现场氛围, cost, mood, interaction, multisensory feelings and so on; basically, people can feel the live vibe more strongly when they watch a live show, while it is free to watch a sport show on TV.

传统节日

Is it important for children to learn traditional festivals at school? Do children like to learn about traditional festivals? 很重要，如果不学的话	The answer is positive, children do need to learn traditional festivals at school, since it is the way to understand more about history, culture and tradition, and it is also the way to appreciate life values and arts; without those teachings, children would be ignorant 无知的, and they might lose national iDentity 身份认同感 gradually.
Why do people hold events to celebrate? 八词给动机	It is interesting to hold events or parties on special occasions like festivals or national holidays, since it is the way to boost ties with family or friends; besides, it can also be viewed as a way to honor ancestors 纪念祖先 and look forward to the future, which is meaningful too.
Are traditional festivals disappearing?八词反向，不能给人带来好处的就淘汰 be obsolete or redundant	From where I stand, I do agree that some festivals are disappearing; mainly because some of them can't bring values or excitement and inspiration to us, and gradually, they will be forgotten and disappearing; which is a part of the natural selection process (物竞天择，适者生存 the fittest survive)

<p>Is music important in traditional festivals? 反证，如果没有音乐，然后举一个例子</p>	<p>I think so; music is an important part of the multisensory feelings, including seeing, hearing, touching and even smelling, surely music is one of them. In some traditional festivals, music can bring joy and enlightenment 启迪 to us; without music, the celebration might be dull or tedious; for example, at spring festival, we tend to listen to conventionally cheerful songs to bring us the new year vibe 新年气氛.</p>
<p>Do you think good food and drinks are important for celebrations? 反证</p>	<p>The answer is yes; since celebrations always come with activities and socialization, and if there is no good food/delicacies or drinks, people would be depressed and frustrated, they have no willingness and energy to carry on the celebrations.</p>

理想居所

<p>What are the most common architecture styles in Chinese cities? 观点加支持</p>	<p>In my country, I guess the architecture of courtyard house can be commonly found everywhere across the country, since it is very economical and functional 经济适用的, including residential buildings, temples, schools and governmental departments.</p>
<p>What is the difference between an apartment and a house? 不同方面+举个明显的例子</p>	<p>To some degree, they are quite different from each other; and main differences lie on the following aspects like size of the place, number of rooms, price, location and function; for instance, house always comes with a backyard or front yard, while an apartment is enclosed by windows and walls.</p>
<p>What are the advantages of the facilities of the apartment and the facilities of the house? 分别给出八词</p>	<p>Both of them have advantages, respectively. To be specific, apartment takes less effort to be maintained and managed, including water, gas, electricity, cleaning and security. while for houses, they can provide us with more space regarding activities and rooms, like outdoor activities and life choices; for example, people can plant trees and build a veggie garden in a house, while it is less likely to do so in an apartment. And something like that</p>
<p>What difficulties do people have when living in the city? 罗列名词</p>	<p>When people live in the city, they may face heaps of challenges and difficulties, like traffic congestion, air pollution, parking problem, noises, high living cost, stress, fast life pace and so on; that's why some people would rather move to the countryside to live.</p>

<p>What can be done to reduce the stress of city life? Listing solutions</p>	<p>Firstly, people can rely on their own to find a balance between life and work, to find inner peace by letting off steam. Besides, they can turn to others for help to reduce stress, like parents, friends, classmates, colleagues, specialists and consultants. Or, they can just move to the countryside to live on, to get away from the bustling city.</p>
<h2>有趣工作</h2>	
<p>What are the most popular jobs for young people in your county? 罗列名词</p>	<p>Jobs for young people can be a dime a dozen 比比皆是, and those popular jobs include being a teacher, a doctor, an engineer, an entrepreneur 年轻企业家, a self-media worker 自媒体者 and a programmer and so on.</p>
<p>What is the difference between high-income and low-income jobs in your country? 区别主要是以下方面, 加上一个具体的诠释</p>	<p>When talking about such a comparison, I guess the aspects are no more than the following ones, including their educational background, qualification, capability, knowledge, skill, experience and so forth; to be more specific, a low-income job doesn't require high qualification and work experience, while it is not always the case regarding high-income jobs.</p>
<p>When is the right time for young people to start making serious plans for their future careers?千人千面</p>	<p>Decision-making requires a range of qualities, including their maturity 成熟度, knowledge, wisdom, family background, financial situation, personality and experience; in other words, as long as the young people are mature or experienced enough, they can make decisions on their own, and the possible age might be around 20-25 years old. 给出合理解释即可</p>
<p>Which jobs have the highest salaries?罗列名词, 高风险高回报 high returns/rewards, high risks</p>	<p>Frankly speaking, I am not sure about this question, since it is beyond my experience; but I suppose those highest-salary jobs involve high return and high risk; after all, every coin has two sides, and in that case, I think those jobs include financial specialists 金融专业者, venture capitalists 风险投资人, entrepreneurs 企业家, scientists and senior doctors 资深医生.</p>
<p>Which jobs pay low wages but require a high level of skills?给出具象的特列, 解释这一类 contradictory 矛盾的点</p>	<p>This question is very tricky and interesting at the same time, since it is very contradictory 矛盾的, I reckon that if there is an oversupply of skillful workers or the economy is lousy, those skillful workers have to bear the low wages, like being a handicraftsman, a miner, a taxi driver or even a soldier.</p>

<p>Do you think it is important for secondary schools to offer careers advice to students? 鉴于社会的特点，需要这样的教育，反之就很可能无助</p>	<p>I think so, since those teachings can pave the way for their future, so that they can be well-prepared; especially given that our society is competitive and challenging, they need such a lesson to understand what is going on in job-hunting market; otherwise, they would be helpless and even jobless when they graduate.</p>
<h3>经常帮助别人的人</h3>	
<p>How can children help their parents at home? 罗列动名词</p>	<p>Children can do heaps of things to help their parents at home, like doing housework, being a kitchen hand, obeying house rules and finishing homework on time.</p>
<p>Should children be taught to help others? 当然是了，如果不教或者做出榜样，他们就不不知道帮助别人的重要性或者如何帮</p>	<p>The answer is positive, children should be taught by parents or teachers to help others, since children need to understand the importance and necessity of doing so; besides, parents also need to set good examples for children to learn from, so that children can be warm-hearted and generous.</p>
<p>What makes children help each other at school? 怎么做，listing solution</p>	<p>At first, children should be aware of the importance of helping each other; after all, one's behavior lies on mentality; they need to understand that helping is a mutual thing. 帮人就是帮自己 Additionally, children should spare no effort to others on things like studying, playing games, doing sports, solving problems, socialization and so on 学以致用，说到做到</p>
<p>Should students do community service? 做的好处，八词世界观 Why do some people do volunteer work all over the world?</p>	<p>If there is any chance, children should be encouraged to do community service, since it allows them to understand that we are all part of the community, and helping others is all about helping ourselves; besides, by doing such a service, their personality and capability can be honed, including communication skill, leadership, problem-solving skill, teamwork spirit and so forth. That's why the answer is positive.</p>
<p>Do students in your country do volunteer work? 罗列动名词，是的，具体做什么</p>	<p>Mostly speaking, I guess students do like to do volunteer works in my country, and it is only a matter of degree; they do things like planting trees, helping seniors, picking up plastic bottles, saving street animals and so on.</p>

冒险	
Who likes to read adventure books? 和具体的人没有关系	When talking about the preference of reading adventure books, I guess it has nothing to do with certain group of people; after all, it lies on factors like personality, job nature, personal interest, mood, social influence and even social trend; that's why it is hard to define such a certain group of people who like to read adventure books.
Do people prefer adventure novels or adventure movies? 千人千面	Basically speaking, I suppose that people do both on different occasions; and their choice lies on elements like mood, timing, personality and environment; for example, if people crave for multisensory feelings like seeing, hearing and experiencing, they prefer to watch an adventure movie, otherwise, they would rather read an adventure novel.
Why do people like to read adventure books rather than take an adventure? 八词给出读小说的好处+举个例子	The question is interesting, when talking about reading a novel over taking an adventure physically, I think people put many things into consideration, like cost, time availability 是否有空, risk level, possibility, skill and personal capability; more specifically, it is more doable to read a novel about climbing the Mount Everest 珠穆朗玛峰, instead of being there in person.
Who doesn't some people like to take adventures?	这道题已经被上题合并回答
What kind of personality should people have in order to experience a lot of adventure? 人具备素质	As a qualified adventurer, they must be skillful, knowledgeable and experienced, including the knowledge of geography, climate, history, tradition and even culture. 技能和知识 Besides, they have to be physically strong enough to deal with issues of all kinds; or they would fall into trouble easily. 健壮的体魄 One more to add, it will be awesome if they have social skills like leadership, problem-solving skill, teamwork spirit and communication skill; or taking an adventure would be very challenging. 社交通用技能 And something like that.
Will experiencing adventures broaden people's horizons? 特别是经历过各种冒险的人来说	The answer is positive; especially when people take different kinds of adventures, they can enrich knowledge and life experiences; in the meanwhile, they tend to meet people from all walks of life, and they need to improve their skills and capabilities all the time to solve problems and finish tasks; as a result, their horizons can be greatly broadened.

汽车旅行

<p>What benefits does public transport bring to the world? 八词世界观 给出三个好处，准时，省钱和环保</p>	<p>Benefits can be multiple regarding public transportation; for example, using subway allows us to save time and labor, since it is reliable and punctual; besides, it is eco-friendly to use new energy public transportation, since they are driven by electricity, instead of fossil fuels; moreover, it is cost-efficient than self-driving when using public transport.</p>
<p>Is it too late for people to get the driver's license at the age of 18? 如果太年轻，可能不具备能力</p>	<p>No, I don't think so, since when people turn to their 18's, they are mature and responsible enough to learn how to drive and get a driver's license; after all, driving on their own requires factors like skill, experience, knowledge and discipline, which might be absent 不具备的 for people who are under the age of 18.</p>
<p>What qualities should a good driver have? 人具备哪些素质</p>	<p>In order to be a good driver, people should have the following traits; For example, they must be skillful in driving, which is the key to be a qualified driver. Besides, they also need to understand the traffic rules and safety hazard 安全隐患 when they drive. One more to add, it will be great if they are polite and responsible when driving the car, or it is likely for them to have road rage 路怒症 And something like that.</p>
<p>Do you think the government should make it a rule for people to use public transport? 政府应该强制使用公共交通吗，给出例外条件</p>	<p>No, I don't think so, since it is totally up to us to choose what way of transport to use; especially for those people who are used to driving on their own, and there is no need for them to use public transportation; after all, public transport is only one of the options, instead of something that is compulsory. 可以有，但是不能强制</p>
<p>Which jobs require people to be good at driving? 罗列名词</p>	<p>Many jobs require people to be good at driving, like being a driver of bus, taxi, train, truck and so on; mainly because they are supposed to be responsible for other people's safety and even lives.</p>

Do you think people need to develop the habit of reading? Why? 相当于阅读重要吗	I think so; just as a saying goes, a room without books is like life without a soul; and reading can nourish our mind and soul; in the meanwhile, reading allows us to be wise and knowledgeable; that's why the answer is yes.
Do you think reading books can make people happier? 七分词汇表	Surely, reading can bring happiness to us, since reading is the way to refresh mind and boost mood; besides, people's imagination can be stimulated by reading; in that case, the answer is positive.
Do you think e-books will make people read more? Why? 没有关系	When deciding the reading time, I guess it relies on factors like personality, personal hobby, time and space, mood and even necessity; in that case, I don't see the connection between time of reading and specific way of reading; in other words, as long as the book is interesting, people are willing to spend more time on reading; otherwise, I don't think so.

演讲经历

<p>What benefits does the Internet bring to communication? change 改变类</p>	<p>The way of communication has been greatly changed by the Internet; For example, in the past, people used to communicate with others in traditional ways, like making phone calls or sending messages; While nowadays, almost everyone is using the Internet tools like social media app to chat with each other, since it is very instantaneous and multifunctional. I believe the trend will carry on in the future.</p>
<p>Which one is better, being a communicator or a listener? 看情况 How important it is to be a good listener in communication?</p>	<p>I think two of them are not mutually exclusive 不互斥，没必要一定要二选一，and it totally depends on factors like timing, mood, personality, social scenario and so on; to be more specific, people tend to be listeners when they are in a meeting or in a class, and teacher or presenter will be the communicator, and something like that.</p>
<p>What qualities should a person have to be a good communicator? 人的素质</p>	<p>Firstly, they need to be sincere and sensible, since communicator needs to present their ideas clearly. Besides, they should have social skills as well, like communication skill, problem-solving skill, organizational skill and even teamwork spirit. One more to mention, it will be awesome if they are patient, or listeners will be confused. And something like that.</p>
<p>What qualities do people need to speak in public?人的素质</p>	<p>For starters, a good speaker should be knowledgeable and experienced, since their role is to deliver knowledge or share experience. 知识和经验 Besides, they should have other skills like communication skill, verbal skill, teamwork spirit, interaction ability and so forth 通用能力 One more to mention, it will be great if they are passionate and energetic, or the audience will be drowsy 激情和能量 And something like that</p>
<p>What kinds of people often give speeches? 罗列名词</p>	<p>Many kinds of people often give speeches, including politician, entrepreneur, leader, teacher, scientist, lawyer, speechmaker and so forth</p>

童年游戏

<p>What games do kids like to play now? 罗列名词</p>	<p>Kids tend to play heaps of games now, like playing video games, mini games on smart devices, computer games, or conventional games like role play game and hide-and-seeK.</p>
<p>Is it good for a kid to be ambitious? 千人千面</p>	<p>It is hard to say, since we have to follow the natural course 遵循自然规律 to educate kids, and it is not always the case for them to be ambitious when they are young, since it totally lies on factors like personality, parenting, schooling, personal interest and so on. It can be good if they are ambitious, but it shouldn't be compulsory.</p>
<p>Is outdoor sport important for kids? 反证</p>	<p>I think so; especially considering that children tend to spend hours indoors, and they should be encouraged to step out and stretch or do outdoor sports; otherwise, they would be stuck at home or classroom all the time, gradually, they might be obese and frustrated.</p>
<p>Is winning important in games? 子集决定合集吗</p>	<p>Winning can be important in games, since it stimulates people's ambition and excitement; but it is not always the case, after all, there are other purposes in games, like socialization, friendship, participation and teambuilding, that's why it is not a 100% thing.</p>
<p>Which is better, individual games or team-based games? 千人千面</p>	<p>Both of them can be good, and the judgement should be based on the following determinants, like purpose, timing, personality, mood, background and environment; for instance, by playing team-based games, people can hone teamwork spirit and build friendship; while playing individual games can be relaxing and easygoing, that's why people choose both games, respectively.</p>

失望的电影

<p>Do you believe movie reviews? As long as + otherwise</p>	<p>Mostly speaking, as long as the movie comments or reviews are down-to-earth and insightful, they are trustworthy; or I don't think so, after all, nowadays, false information or marketing disguisers 水军 can be commonly found everywhere, and they are purpose-driven 利益驱使 to make comments on movies.</p>
<p>What are the different types of films in your country? 名词罗列</p>	<p>In my country, there are different genres of films, like comedy, sci-fi, documentary, rom-com, drama, action movie and so on.</p>
<p>Are historical films popular in your country? Why? 八词给动机</p>	<p>I think so, since watching historical films allows people to acquire knowledge and absorb information regarding history, tradition and culture, which is also a good way to reminisce what happened in the past 追忆, 缅怀</p>
<p>Do you think films with famous actors or actresses would be more popular? 子集决定合集吗</p>	<p>The answer can be true, since it is the actor or actress who can attract audiences, but it is not always the case, since there are other factors to decide a good film, including storyline, screenwriting, visual impact, special effect and even soundtrack; that's why the answer can be yes and no</p>
<p>Why are Japanese animated films so popular? 罗列不同方面</p>	<p>The question is very interesting; I guess one of the major reasons is that Japanese animations can bring us wonderful multisensory feelings in a movie, including storyline, characters, visual effect, music, values, and life resonance 人生共鸣; that's why they are popular nowadays.</p>
<p>Should the director pay a lot of money to famous actors? 千人千面</p>	<p>It totally lies on many factors when talking about paying an actor, including their market appeal, the number of followers, the influential power and so on; in other words, as long as those famous actors can create enough profits and values, they should be paid a lot; otherwise, I don't think so.</p>

新的商店

<p>What kinds of shops are popular in your city? 罗列名词</p>	<p>There are heaps of shops that are popular in my city, like shopping mall, convenience store, grocery store, outlets, department store, milk tea shop, snack bar and so on.</p>
<p>Why do young people enjoy going to some boutiques? 八词罗列好处</p>	<p>The question is interesting; for instance, by going to the boutiques, young people can kill time and find bargains at the same time, which is a part of their lifestyle; besides, shopping in boutiques can offer them a chance to keep up with the fashion trend by buying things like tees, bags and sneakers.</p>
<p>Do you think location is the key factors that attracts customers? 子集决定合集吗</p>	<p>The answer is yes and no; surely, location is one of the key factors regarding attracting customers, since they can be easily found by others; but it is not always the case, and there are other factors like quality of products, price advantage, customer service, reputation and so on; that's why it is not a 100% thing.</p>
<p>What is the difference between a small shop and a large shop? 对比</p>	<p>There are different in many ways, including size of the shop, number of products, decoration, location, after-sale service, bargaining degree and so forth; for instance, people can have one-stop shopping experience in a large shop, while it is not always the case when they shop in a small store; and something like that.</p>
<p>How important are price and quality in influencing consumer behavior? 反证</p>	<p>When consumers make decisions to buy something, they put many factors into consideration, like price, quality, function, after-sale service and so on; accordingly, two of them are very important to influence consumers' behavior; or it is unlikely for consumers to spend money on them.</p>
<p>Why is cheap fashion so popular? 鉴于 xxx 的具象</p>	<p>Especially given that nowadays living cost is high and job-hunting is getting increasingly competitive, people realize that they can't make ends meet, and they have to turn to cheaper things to satisfy their need, like fashion and lifestyle.</p>

发明

<p>Are there inventions that have changed the world? 古今对比</p>	<p>Those inventions can be a dime a dozen; for example, in the past, we used to communicate with each other in traditional ways, like making phone calls and sending messages; but now, almost everyone is using social media app or tool to chat with each other, since it is very convenient and multifunctional, which is a perfect illustration for this question.</p>
<p>What are the qualities of a scientist? 人的素质</p>	<p>To begin with, a qualified scientist must be knowledgeable and intelligent, since their main job is to get scientific breakthroughs. Besides, they also need other skills like communication skill, problem-solving skill, teamwork spirit and fundraising ability. One more to mention, it will be great if they are patient and persistent, since they will encounter many failures before the success; And something like that</p>
<p>Do all inventions bring benefits to our world? 过分就产生了反例</p>	<p>Not really, since nothing is perfect, and invention is no exception; for example, some inventions like toxic herbicide 毒性除草剂 may bring about tremendous degradation of water, soil and plants, which can be disastrous 灾难性的; that's why people have to be prudential and responsible when using those inventions.</p>
<p>Do you think people who have not been educated in school can invent things? 子集决定合集吗</p>	<p>When talking about inventing things, it lies on many factors like education, talent, hard work, inspiration, luck, financial support and so on; in other words, it can be true that education plays an important role in inventing things, but it is not always the case; as long as people are talented or lucky, they are able to invent, regardless of their educational background.</p>
<p>Who should support and sponsor inventors, governments or private companies? 千人千面</p>	<p>Both of them can be sponsors for inventors, and two roles are not mutually exclusive, and inventors actually can get fund from both of them; since it lies on factors like the prospect of the application, the possibility of success, the quality of inventors and purposes; that's why it is totally a market conduct for inventors to choose which way to raise fund.</p>
<p>What inventions do you think should be improved? 观点加支持</p>	<p>There are many options in my head now; but the first one popping up should be the speed of aero plane; since nowadays, travelers always feel tired and bored when they</p>

	go on an international travel, and we have to reinvent supersonic planes to shorten the flying time; I believe this invention will be a blessing for all of us.
<h3>受欢迎的人</h3>

What is the difference between living alone and living with roommates? 区别	They are very different from each other; for example, it is private and quiet when people live alone; while they have to share things with others if they live with roommates like utility expenses; and it is totally up to the personal choices and situations.
Is it positive for young people to live by themselves? 八词给好处	It can be a good thing, since they have freedom and free will to do whatever they want; especially when they need to do something that is very important like exam prep, they can live alone and study alone to be focused; besides, it is also a good way to hone abilities like survival skill and independence.
Besides cooking, are there any other skills that people need to learn if they live on their own? 名词罗列	I think so; besides cooking skill, they also need to learn other skills like making bed, doing laundry, fixing things, communication skill with neighbors, problem-solving skill and so on.
What kinds of people tend to live by themselves? 千人千面	It totally lies on factors like personality, timing, mood, parenting, environment, family background and financial situation; for example, if people are independent or introverted , they tend to live on their own to have space or freedom. And something like that.
How can parents and teachers help young people to live independently? 名词罗列	Their teachers and help can be manifold, including the following aspects like survival skills, encouragement, financial support, safety instruction , crisis management 危机处理 and communication skill;

错误信息

Why don't people trust information on the Internet? 走极端出问题	Mainly because if there is no supervision or censorship, information on the Internet tends to be misleading/misguiding/fraudulent/ exaggerating , and people are likely to be fooled/cheated/ticked/ripped off by those frauds 骗子; that's why it is essential for people to have their own judgement.
--	---

What jobs provide information to others? 名词罗列	A wide variety of jobs involve providing information to others, like teacher, lawyer, doctor, scientist, consultant , engineer and so on; since their role is to communicate with others to get the job done.
What's the difference between e-mail and phone in terms of providing information? 区别	The main differences lie on the following aspects, including the timeliness 时效性, way of presentation, message context/content 内容, people's preference and emergence level 紧急程度; in other words, if people would like to reach others instantly, they prefer to make phone calls, or they could send emails.
Which do you think is the better way to provide information, by phone or email?	这道题目同上
How do people judge the accuracy of information? 罗列不同的因素	When talking about judging the information, it relies on many factors like knowledge, experience, wisdom, personality, intuition, other's advice and so on; in a word, if people are knowledgeable or experienced enough, they can tell whether the information is right or wrong. Otherwise, I don't think so.
How do people make sure they are getting the right information?	这道题目同上

和小孩共处

Do you think children should have a lot of toys? 八词给好处	I think so, and it is a good thing for children to have many toys, since playing toys allows them to practice skills like eye-hand coordination, motor skill, problem-solving skill and characters like patience or persistence. Besides, some toys are educational, children can stimulate their creativity and imagination when playing toys And something like that
Where do children usually play? 名词罗列	Children have many choices regarding playing toys or playing games, like home, school, playground, park, garden, amusement park and theme park.
Do you think there are too many rules for children to follow, whether at school or at home? 千人千面	The question is very situational, and there are rules for children at both home and school, but I am not sure about the degree, since it totally lies on aspects like environment, purpose, children's personality, parenting, schooling and so on; that's why the answer can be yes and no.
Do you think that children should follow	Normally speaking, as long as the rule is down-to-earth and practical, they should be necessary for children to obey or follow; but on the other hand, if the rule is not realistic or too

all the rules?as long as + otherwise	harsh, probably there is no such a need, since children will be stressed out and frustrated.
Do you think its necessary for parents to make decisions for their children? 看情况	I think children can make decisions on minor issues, like making friends, choosing hobby or selecting toys or gifts; while if the issue is major, it is better for parents to make decisions, like choosing school, correcting behavior, lifestyle and so on; after all, children are not mature enough to make those decisions.
Do you think it is good for parents to help their children choose friends? 千人千面	Mostly speaking, I don't think there is such a need for parents to interfere with children's personal will, since it can be intuitive and willful 凭直觉的 when making friends; but in rare cases, parents have to offer their help if children are off the right track 偏离轨道 due to the bad peer influence.

常穿的衣服

Do you like buying clothes? Part1 的问题	I can take it or leave it; especially given that currently I am busy with my work/exam prep, I have to be devoted to studying, and I don't have spare time to buy clothes; probably in the future, I will go window shopping to buy them when I am available. 有空的时候
Under what circumstances will people in your country wear formal clothes? 名词罗列	When people attend formal occasions or special events, they tend to wear formal clothes, like celebration, party, meeting, conference, ceremony and so on; they will dress up to show their confidence, attitude and respect.
What is the difference between the dress of the elderly and the young in China? 老少对比	The question is interesting, I guess they dress very differently; for instance, given that young people are more open-minded and energetic, they will put on something that is very fashionable or casual, like tees, jeans and sneakers. While for senior, they may stick to conventional or conservative styles, like wearing suit, dress or jacket and so on.
When do people in your country wear traditional clothes? 举个例子	When it comes to traditional event or historical event, people may wear traditional clothes to be part of the ritual; for example, people tend to wear Tang-style suit during the spring festival to be ceremonial 有仪式感的
Does the climate affect what people wear? 观点加支持	Definitely, people will mix and match according to the change of weather or climate; for instance, people will put thin and casual clothes when the weather is warm or cozy; while people will put on thick clothes like down-jacket if the weather is freezing cold.

迷路

<p>How do people react when they get lost? How can people find their way when they are lost? Listing solution</p>	<p>Firstly, I guess people will try to figure it out by themselves. 靠自己, like using the navigation app or reading paper maps. And then, if it doesn't work, they will turn to others for help, like asking local people or calling friends. 求别人 If they all fail, they probably have to no choice but to call the police to rescue them. 最后找权威 And something like that</p>
<p>Why do some people have a good sense of direction? 千人千面 Why do some people get lost more easily than others?</p>	<p>It totally lies on many factors like talent, intuition 直觉, parenting, schooling, knowledge, experience, timing and even mood; to be more specific, if people are intuitive 有直觉的 and knowledgeable, they will find direction very easily; otherwise, I don't think so.</p>
<p>Is a paper map still necessary? 具象带入</p>	<p>I believe so, especially when people travel to remote places where the navigation device or apps are not functioning, they have to rely on paper map to find ways out; otherwise, they would be so helpless and frustrated. That's why the answer is yes.</p>

人多的地方

<p>Where do young people like to go? 名词罗列</p>	<p>Young people like to go to a range of places, like park, garden, pub, restaurant, café, theme park, amusement park, scenic spot and so on.</p>
<p>Are people happy living in crowded apartments? 观点加支持, 名词罗列</p>	<p>No, I don't think so, since if people live in crowded apartments, they may experience many issues like noise, mess, conflict, stress and frustration, which are less likely to be the case if people live in a spacious house.</p>
<p>Which scenic spots will have queues of people? 名词罗列</p>	<p>In my city, some scenic spots will be crowded when it comes to national holidays or festivals, like forest park, scenic spots, historical sites, cultural heritage sites and so on.</p>
<p>What are the advantages of living on a high floor? 八词给好处</p>	<p>I guess the view is better when people live on a high floor, and they tend to stay away from street noise or neighborhood noise; that's why sometimes, people have to pay extra to live on a high floor.</p>
<p>What are the disadvantages of living on a lower floor? 走极端找坏处</p>	<p>Like what I mentioned above, if people live on a lower floor, they might be disturbed by street noise like dog's barking, car's honking or people's yelling; but it is not always the case if people live on a high floor.</p>

<p>What do you think of the phenomenon of people queuing in restaurants for more than an hour? 个人意见</p>	<p>I think it is quite ridiculous, since it is still doable if we order a food delivery from home; and sometimes, for those people who have a lot of spare time and the extreme desire, they might have the strong willingness exchange their time for delish food.</p>
---	---
