

如何表达自身观点、同意与不同意（配合音频学习）

考虑到雅思口语考试并不是真实的一对一的对话，所以以下表达方式有些适用于雅思考试的自述性风格，有些适用于日常对话的有来有往风格，学生们要自行通过逻辑判断。

1. 表达观点：

(例, being on time is very important)

I think/ believe

I feel/ guess/ suppose that,...

The way I see it,...

It seems to me that,...

I would probably say,...

In my eyes,...

In my view,...

In my opinion,....

I'm of the opinion that...

From my point of view,...

What I mean is...

As far as I'm concerned,...

I hold the view that,...

It goes without saying that...

Well, it is considered that,...

2. 表示同意：

I totally agree.

(雅思考试中, Some people say that....., and I totally agree.)

Exactly,...

Definitely,...

Absolutely,...

I couldn't agree more,...

I agree with you 100%.

Tell me about it!

You took the words right out of my mouth!

I think so too.

That's a good point.

3. 表示部分同意:

(雅思考试中, Some people say that.....,然后 and...接以下句子)

I'd go along with that to a point, but,...

I see where you are getting at, but,...

That's one way of looking at it, ...

I agree up to a point, but...

I'm not sure about that, because...

It's not necessarily true,...(I mean/ because/ for example..)

Some people say that video games are big distractions for kids, and I agree up to a point, but I think it also can teach kids things like team work, strategy and patience.

4. 表示不同意

即便是不同意, 也有语气强烈之区别

(雅思考试中, Some people say that.....,然后 and..接以下句子)

客气一点的:

I don't really/quite agree with that idea,...

I don't go along with that,...

Well, I see things quite/rather differently

不客气:

I completely/totally disagree,...

There's no way I could agree with that.
