串联版 Part2 目录以及使用说明

串联版 Part2 指的是一篇范文回答多个话题。具体分类看看以下目录就知道了。但是有些话题问的方向不一样，如果用同一篇范文来回答的话会有跑题嫌疑。所以有些串联的话题我们还是写了 2-3 篇范文，根据问题的问法稍作了一些修改。但是大体上的内容和思路都是一致的~

翻译里标黄的部分是与其他文章相同的句子，共用的。

如果我觉得素材有错怎么办？

我们的素材都是经过店主和外教一起编写和检查过的哦！您可以放心！

其实外国人在生活中有一些常用的口头上的表达，看起来很奇怪但实际并没有错的，国内老师也不会懂这些。所以呀！如果你觉得素材有错，我们是非常欢迎您来询问我们滴！千万不要觉得不好意思哦！下面举两个例子：

“Anna is two years my elder.” 安娜比我大两岁。“She is four months my younger” 她比我小四个月。

这是一种比较现代的说法，当然我们平时都会讲 “Anna is two years older than me” 和 “She is four months younger than me.” 但其实外国人都会用前者多一些的。

“the majority of the girls were content discussing about how handsome or how affluent their boyfriends were.” 女孩子们都在热烈地讨论他们的男朋友有多帅。

这是现代英语的另一个特征，就是外国人在口头上都常常会省略掉介词。这里就把 were content with discussing 的 with 去掉了。这在口语上是完全没问题的，但大家在写作中就尽量要避免哦。

《住所附近的变化》

A household waste disposal system was erected near our community and while it was around it polluted foul smelling air into the neighborhood. I would regularly pass it each night as I exercised my dog. I found myself feeling compelled to plug up my nose and speed past the area due to the rank odour.

This station had been constructed a few years past to manage the copious amount of household waste produced by the local community. All the refuse we discarded into our trash cans was collected and conveyed to the station by enormous vehicles.

However, there have been some very welcome and pleasing developments recently. As a result of the constant petition and complaints of the local community, the station was relocated to a remote area about half a year ago. All the buildings and any remaining trace of the station were also eradicated. Currently, the area is an idyllic park in the centre of the street after a complete transformation from its previous repulsive condition. This project of demolition and reconstruction only took about six months.

I despised this waste disposal station from the moment of its construction to the second of its demolition. I was ecstatic after learning that the waste station was to be relocated to a remote region. And I was overjoyed with the completion of the street park. Although the park may be quite minuscule, the removal of the waste station has vastly enhanced the quality of life for the denizens of this block. The tranquil space allows the elderly and children to have a place of leisure and entertainment. My mother will frequently visit the park to dance in the square on pleasant evenings and has made a whole host of friends from this activity. 中文翻译:

我们小区不远处有一座生活垃圾处理站，这导致附近的空气非常不好。我每天晚上出门遛狗，都会经过这座垃圾站。每次路过我都不得不捂住鼻子和加快脚步，因为那里的气味实在是太难闻了。

这座垃圾站大概是几年前建成的，附近处理周边居民的生活垃圾。我们扔在垃圾桶里的垃圾，都会被大货车运到这里集中处理。

最近一段时间这里发生了令人欣喜的改变，由于附近居民的不断投诉，垃圾站在半年前搬走了。原先垃圾站所在地的建筑也全部被拆除。现在那片土地已经被改造为街心公园，整个工程大概只用了半年时间。

很长时间以来，我都非常讨厌这间垃圾处理站。当得知垃圾站要被拆除，我高兴的跳了起来。街心公园建成后，更是别提有多开心了。虽然公园的面积很小，但垃圾站变成公园，很大程度改善了这个街区的居住环境，也让老人小孩有了休闲娱乐的地方。现在，我妈妈每天晚上都会去公园跳广场舞，还因此认识了新的朋友。

This station had been constructed a few years past to manage the copious amount of household waste produced by the local community. All the refuse we discarded into our trash cans was collected and conveyed to the station by enormous vehicles.

The horrendous odour emitted into the surrounding air since the station was not completely sealed off from the elements. The situation was manageable during the winter months. However, upon the advent of summer, the air surrounding the station was intolerable. What's more, the site also generated copious amounts of litter on the pavements.

I despised this waste disposal station from the moment of its construction. It seriously affected the surrounding air. I was also considerably concerned that the toxic particles in the air would be a detriment to the health of me and my family. The stench of the refuse made me retch, vomit and violently cough at times. It goes without saying that nobody desires living in an area with rank odours. My greatest desire is that the station is demolished and relocated far away so that I am free to venture out and walk around my community without being assailed by the stench.

《去过的一个嘈杂地方》

You may feel incredulous and be surprised to hear that the most deafening place I have been to recently was a high-speed train carriage. Last month, I boarded the high-speed train to commute back to my hometown as I normally do. I purchased an early morning ticket to make it home in time for lunch. Originally, it was my intention to catch up on some sleep while in the carriage. AnnaIELTS copyright.

After I boarded the train, I discovered it was filled with a sea of people which would normally be quite unusual but was the result of the approaching holiday season. Every seat on the carriage was occupied and my ears were assaulted by a cacophony of noises.

I kept getting hit by waves of exhaustion, so, I put on my earphones in an attempt to drown out the surrounding racket and soon after was able to fall asleep. However, I was rudely awakened by the ceaseless noise, which was so deafening it was utterly impossible for me to return to my slumber. Once I removed my headphones, I arose to discover a juvenile boy was bawling his eyes out a few rows behind me. His father seemed inured to the situation and therefore did nothing to quell the boy's crying.

I became enraged by his apathy at that moment. So, I ventured up to the father to make my feeling's plain, anticipating that the child could lower his voice and cease his infernal wailing. Unfortunately, my words fell on deaf ears. The little boy resumed his squealing after a brief pause. I am of the opinion that it is a disgrace to make a racket in public as it affects and offends all the people nearby. Being young is no excuse for disrupting social order.

你一定不能相信，最近我去过最吵闹的地方，竟然是高铁车厢。上个月，我像往常一样坐高铁回老家。为了能在中午前赶回家吃饭，我买了一大早的票。我计划在车厢里好好睡一觉。

上车之后我发现，由于临近假期，车厢里的人比往常多很多。所有的座位都坐满了，因此我的耳边充满了各种各样的噪音。

虽然周围很吵，但我实在是太困了，我戴上耳机就开始睡觉。不知道睡了多久，我的耳边传来了接连不断的吵闹声，这样的噪音让我无法继续睡觉。我摘下耳机站起来，发现我后面几排的一个小男孩在不停的哭闹。而他的父亲似乎已经习惯了这一切，并没有制止他。

那一刻我很生气，我走过去和小孩的父亲沟通，希望他的孩子能小声一点，然而这一切并没有什么用。很快，小男孩又开始继续尖叫了。在公共场合大声说话是一种非常不礼貌的行为，这会给周边的人带来巨大的困扰。年纪小并不是不遵守秩序的理由。

Therefore, I had to complain to the father a second time, who apologized profusely and then departed from the seat with his little boy. After which, the carriage fell into a deep silence.

It was not a particularly simple task to complain during this trip. After all, I had to confront the father twice before I could resolve the noise issue. Having one's sleep disturbed is a very irritating occurrence. Fortunately, the father was a reasonable man, and ultimately showed courtesy in his response.

I don't think it was easy to complain this time. After all, I had to talk to him twice before I could solve the problem. Being woken up from sleep is very annoying. Fortunately, his father was reasonable, and the results were good. I am of the opinion that it is a disgrace to make a racket in public as it affects and offends all the people nearby. But more often than not, many people persist in disturbing the peace and do so with abandon.

《收到想要的东西》

Describe a time when someone gave you something that you really wanted.

Some instructions you can follow:

Who this person was

What this person gave you

Why you wanted this thing

And explain how you felt when you got this thing.

Last month, I boarded the high-speed train to commute back to my hometown as I normally do. During the journey, a stranger gave me a pair of earplugs which I really needed. I was very grateful for this gesture.

After I boarded the train, I put on my sleeping-mask and soon fell asleep. However, I was rudely awakened by the ceaseless noise, which was so deafening it was utterly impossible for me to return to my slumber. I arose to discover a juvenile boy was bawling his eyes out a few rows behind me. His father seemed inured to the situation and therefore did nothing to quell the boy's crying. In the moment, I became enraged by his apathy. So, I ventured up to the father to make my feelings plain, anticipating that the child would lower his voice and cease his infernal wailing. Unfortunately, my words fell on deaf ears.

The passenger sitting next to me seemed to share my frustrations. She told me that she often encountered situations such as this, and thus always carried earplugs with her. She then offered me a pair of them, which was something I needed very much at that moment. I was very grateful to her and thanked her profusely. The world then fell quiet after I put them on.

I am always surprised by the kindness of strangers because I am so used to living in an indifferent society. In our country, our parents have been consistently telling us not to trust strangers since early childhood. But I believe such assumptions can lead to an unhealthy society. We should always maintain goodwill towards others and lend a helping hand when others need it.

来自陌生人的善意让我很惊讶。因为我已经习惯生活在一个冷漠的社会。在我们国家，父母从小就教育我们不要轻易相信陌生人。但我认为这样的教育方式以及这样的社会是不健康的。我们应该始终保持对他人的善意，在别人需要的时候伸出援手。

《一个享受的生活习惯》

Watching American dramas has been an entertaining hobby of mine that I have pursued ever since I was in high school. I have done it so frequently I would argue it is a routine of mine that I have followed for a considerable length of time. I enjoy watching American dramas because they are typically hilarious, state of the art, and fast-paced. But that's not all – I can also expose myself to colloquial phrases and idioms of the English language.

I find the act of following this routine easy to complete because it is a soothing and entertaining activity rather than the stress and drudgery of studying tasks. I am a creature of habit, and I like to watch American dramas on my laptop in my dormitory each day during some alone time. My first drama of choice was “Friends”, after which I stumbled upon “The Big Bang Theory”.

Initially, I was dependent upon Chinese subtitles to comprehend the shows. Without them I was clueless as to what they were talking about. Later, I began to follow and grasp much of the dialogue. I was utterly astonished to discover that I had made substantial progress in my comprehension of English. After which, I started to think of the activity as a form of education and began to note down English words and conversations I had picked up from these dramas. This activity of watching American dramas has become an indispensable tool for me to expand my vocabulary and put my listening skills to the test.

I can say without a doubt that my aptitude for English has greatly improved by sticking to this routine. Watching American dramas is beneficial to me as it allows me to adapt to the English environment. Since it is my intention to study abroad, I feel so thankful I have the opportunity to condition myself to the environment ahead of time.

我从高中开始，就很喜欢看美剧。这个习惯已经维持了好多年了。这不单单是因为美剧通常都制作精良，剧情紧凑有趣，而且我也能从中学习很多日常英语用语。

遵循这个习惯对我来说非常容易，因为看美剧对我来说完全不是任务，而是一种放松和享受。一般我都会在宿舍用我的笔记本电脑独自看美剧。我以前经常看老友记，后来一直在看生活大爆炸。

其实一开始我需要对着中文字幕来看美剧，不然我不太能听懂里面的台词。后来，我逐渐能听懂电视剧里面的一些对话。我惊喜地发现看美剧能帮助我学英语。之后我都把里面的一些英语单词和对话摘抄下来，纯当是积累词汇和锻炼听力。

通过把看美剧当做日常习惯，我的因此提高了英语能力，这对我以后的出国留学生活是非常有帮助的。相当于提前让我适应了外国的语言环境。

《以后想学习的事情》

How to design slides for a presentation, specifically the skills required to produce a distinct and exceptional slideshow through Powerpoint is a technique I desire to study in the future. An na Yasi.

Not too long ago I attempted the feat myself, endeavoring to self-educate through reading books on the technique to design high quality slides. Unfortunately, I failed to produce any piece of work to my satisfaction. It then dawned upon me that it would be necessary for me to acquire professional tutoring by taking a course from a trusted teaching service. I decided that Bilibili, a video platform, would be an excellent place to start since I know there are a whole host of tutorials and learning materials available on that site. I sincerely hope that I am able to discover the perfect course suited to my needs, free or paid, in the future.

It goes without saying that anyone can put together a few slides, however designing and curating an excellent and captivating slide show is not a feat to be taken lightly. My own presentations are considerably low-quality from being brief and due to my focus on aesthetically pleasing slides rather than effective and informative ones. An outstanding slide requires a significant level of design and software expertise, similar to designing a cover or a poster. Moreover, a wide skill set is required as different occasions call for different styles of slides.

I would argue that producing an effective slide is a very practical skill. In school, and in the workplace, you could make the case that it is an essential and indispensable skill. If you possess the talent to design a unique presentation, you are likely to excel in your personal presentation at the end of the term. In today's workplace, the skillset and aptitude to utilize slides to produce a presentation has superseded communication and interpersonal skills as the most likely skill to help you get a raise.

如何制作 PPT 演示文稿，是我以后非常想学习的事情。确切的说，是做出一份与众不同的，优秀的 ppt。

我曾经试过自己看书摸索如何制作 PPT 演示文稿。但是没有明显的效果，我做出的成品总是无法让自己满意。这让我认识到我需要一些课程来帮助我学习。例如 B 站就是一个非常好的视频网站，我知道里面有很多 PPT 的教学视频。未来我希望在上面找到适合我的免费亦或者收费的教学课程来学习。

做 ppt 不是一件困难的事，但是做出优秀的 ppt 却很难。比如我做的演示文稿就无法做到美观和与众不同。一份优秀的 ppt 需要很多设计和美术方面的知识。比如设计封面或者设计海报。不同的场合其实需要不同种类的 ppt。

我认为做 ppt 是一项非常实用的技能。不管是在学校还是在职场，这几乎是一项必备技能。如果你能做出与众不同的 ppt，很可能在期末的个人展示中取得好成绩。在当今职场上，会做 PPT 的能力已经远超英语能力和社交技巧，成为最能帮你涨工资的技能。

《教朋友或亲戚的时刻》

A short while ago, I instructed my friend Anna on the technique to prepare a slide though PowerPoint. To be precise, I edified her on the skills required to produce a distinct and exceptional slideshow.

I have cultivated an interest in art and comics ever since early childhood. Despite my lack of any formal education in artistic practices, I possess a sensitivity for color and design. From the dawning of my freshman year, I commenced a process of self-education to discover the best method for designing PowerPoint slides. During my spare time, I would design some templates by myself. I would argue that this work bears many similarities to the process of painting.

It is not the most challenging task to educate Anna on how to produce a handful of slides, however designing and curating an excellent and captivating slide show is not a feat to be taken lightly. An outstanding slide requires a significant level of design and software expertise, similar to designing a cover or a poster. And explain why you use this website regularly.

I am a frequent user of the popular website Gaoding.com. It is a website that provides its users with templates and images for producing PowerPoint slides.

I once endeavored to self-educate through reading books on the technique to design high quality slides. Unfortunately, I failed to produce any piece of work to my satisfaction. It was not until my roommate introduced me to this handy website that I was able to produce high quality PowerPoint presentations, I found it extremely useful. There is a vast sum of material hosted on the site and all users can download anything for free from it. As a beginner the process is simple, I am only required to select a suitable template, input words and data, and then I receive an appealing and appropriate slide.

This website offers a whole host of templates and ever since I discovered this website, my slides have been praised and commended by my teachers and classmates. Every time I need to design a slide, I decide to log in to the website to search for appropriate templates. These days I practically log in several times per month because it's super convenient to use the templates to design my own slides.

Gaoding.com 是我时常会使用的一个网站。这是一个提供模板和图片的网站，

一开始，我曾经试过自己看书摸索如何制作 PPT 演示文稿。但是没有明显的效果，我做出的成品总是无法让自己满意。直到我的舍友介绍了这个网站给我，使用后我发现它确实很好用。网站上有非常多免费的模板和图片。对于我一个初学者来说，我只需要挑选好适合的模板，然后把文字和数据录入，这样我就能得到一份非常美观的 PPT。

不管是在学校还是在职场，做 PPT 几乎是一项必备技能。做 ppt 不是一件困难的事，但是做出优秀的 ppt 却很难。一份优秀的 ppt 需要很多设计和美术方面的知识。比如设计封面或者设计海报。不同的场合其实需要不同种类的 ppt。这个网站给我提供了很多可选择的 ppt 素材和模板，自从发现了这个网站，我做的 ppt 经常得到老师和同学的夸赞。

现在，每当我需要做 PPT 的时候，我都会登录这个网址来寻找素材和模板。基本上我每个月都会登录几次，利用这个网站的模板制作自己的 PPT 实在是太方便了。

11: 校外学习的某种重要东西

Describe something important that you learned, not in school or college.

Some instructions you can follow:

What you learned

How you learned it

How easy/difficult it was to learn

And explain why learning this was important to you.

How to design slides for a presentation, specifically the skills required to produce a distinct and exceptional slideshow through Powerpoint is the significant technique I have learned outside my college.

Not too long ago I attempted the feat myself, endeavoring to self-educate through reading books on the technique to design high quality slides. Unfortunately, I failed to produce any piece of work to my satisfaction. It then dawned upon me that it would be necessary for me to acquire professional tutoring by taking a course from a trusted teaching service. Bilibili, a video platform, is an excellent place to learn from since there are a whole host of tutorials and learning materials available on that site. I have learnt so much from it.

It goes without saying that anyone can put together a few slides, however designing and curating an excellent and captivating slide show is not a feat to be taken lightly. My own presentations are considerably low-quality from being brief and due to my focus on aesthetic pleasing slides rather than effective and informative ones. An outstanding slide requires a significant level of design and software expertise, similar to designing a cover or a poster. Moreover, a wide skill set is required as different occasions call for different styles of slides.

I would argue that producing an effective slide is a very important skill. In school, and in the workplace, you could make the case that it is an essential and indispensable skill. If possess the talent to design a unique presentation, you are likely to excel in your personal presentation at the end of the term. In today's workplace, the skillset and aptitude to utilize slides to produce a presentation has superseded communication and interpersonal skills as the most likely skill to help you get a raise.

如何制作 PPT 演示文稿，是我在校外学到的最重要的技能。安娜雅思版权所有。确切的说，是做出一份与众不同的，优秀的 ppt。

我曾经试过自己看书摸索如何制作 PPT 演示文稿。但是没有明显的效果，我做出的成品总是无法让自己满意。这让我认识到我需要一些课程来帮助我学习。例如 B 站就是一个非常好的视频网站，我知道里面有很多 PPT 的教学视频。这些视频非常有用，从中我学到了很多。

做 ppt 不是一件困难的事，但是做出优秀的 ppt 却很难。比如我做的演示文稿就无法做到美观和与众不同。一份优秀的 ppt 需要很多设计和美术方面的知识。比如设计封面或者设计海报。不同的场合其实需要不同种类的 ppt。

我认为做 ppt 是一项非常重要的技能。不管是在学校还是在职场，这几乎是一项必备技能。如果你能做出与众不同的 ppt，很可能在期末的个人展示中取得好成绩。在当今职场上，会做 PPT 的能力已经远超英语能力和社交技巧，成为最能帮你涨工资的技能。

《不寻常的一顿饭》

I consider myself to be a foody, someone with an enthusiasm for culinary matters, as long as it is delicious! If I was to speak on the topic of my most special meal, there is nothing more appropriate to discuss than my first experience of cooking a meal by myself.

AnnaELTS copyright. On my birthday this year, my closest companion Anna and I visited a brilliant culinary training store called ABC cooking. While we were at the store, Anna and I had the opportunity to prepare a dish for ourselves. Since we were both utter novices when it comes to cooking, we decided to begin with omurice, which was the least complicated dish on offer. During the process, there was a professional instructor who guided us through the steps and methods to create the perfect dish. She instructed us on the techniques required to cook perfect rice and fry an egg to perfection. We were also given guidance on some foundational cooking knowledge, such as what to consider when deciding upon suitable meats for a dish and how a chef controls the fire during cooking. I followed her instructions to the letter, step by step, and finally, I prepared a mouth watering curry omurice in about two hours.

Anna and I tasted our dishes which we made with our own hands during the class. I have to say, it was the finest omurice I had ever tasted. Furthermore, the entire experience made it one of the most special meals I have had. It felt particularly meaningful to cook a meal for myself on my birthday. It was like an act of self-love. Ever since that day, I have fostered an interest in cooking. If I find a spare few hours in the future, I will join a similar cooking course again.

今年我过生日的时候，我的好朋友 anna 一起去了一家很棒的厨艺体验馆，叫做 ABC cooking。在店里，我和 anna 将有机会制作一款完全属于自己的料理。因为没有基础，我们选择了最简单的蛋包饭。制作过程中，有一位专业的老师全程指导我们。她告诉我如何蒸米饭，如何煎鸡蛋。我还学到了一些专业知识，比如怎么选择合适的肉类，煎肉的时候如何控制火力。我跟着老师一步一步操作，大约两个小时的时间，我做出了一款超完美的咖喱蛋包饭。

做完之后我和 anna 在那里享受了自己亲手制作的美味。我不得不说这是我吃过最好吃的蛋包饭。我认为这是最特别的一顿饭。能在生日的时候亲手给自己做顿饭，是一件很有意义的事。我似乎有点爱上做饭了。如果以后有时间，我还会再次参加类似的课程。

《难用的科技产品》

My laptop is an essential device that I would say gets daily use as I require it to complete my homework and surf the web. Unfortunately, due to a recent careless mistake on my part, there is a fundamental flaw in the operating system of my device which has turned using my laptop into a Herculean task.

I purchased the laptop immediately after arriving to university. It is without a doubt the most frequently used electronic device in my arsenal, I would go as far as saying it is indispensable. I can hardly live without it. I possess the laptop to use it to do homework, search for miscellaneous information, and while I relax to take the edge off I use it to play games and watch films.

I can remember as clear as day the moment my laptop was corrupted. I happened to be installing a necessary piece of software at the end of last year. During this procedure, several pieces of malware installed themselves onto my computer without my permission or knowledge. My laptop has run at a snail's pace ever since then and now it takes an eternity to load a webpage. All the while, advertisements plague me in the form of ceaseless pop ups from the moment I boot up my laptop. Its utterly frustrating as I can't find where to close them for the life of me. I have been driven to the brink of madness by it.

I don't think my laptop could be called "good to use" as it fails to taken even the slightest defensive actions against malware. I find it quite disturbing that this malware could be installed on to my laptop right under my nose. I must say, next time I will consider purchasing a Mac.

我每天都要使用我的笔记本电脑来完成作业和浏览网站。但不幸的是，前一段时间由于我的操作失误，我的电脑变得非常难用。

这台电脑是我刚上大学的时候买的，它是我生活中使用最多的电子产品。我的生活几乎离不开它。不论是写作业，查资料，还是玩游戏和看电视剧，这些事情都离不开电脑。安 娜雅 思。

我清楚地记得那是去年年底的某一天，我一不小心在网上下载了一个软件。这个软件在未经我同意的情况下，给我的电脑安装了其他几个垃圾软件。从那以后我的电脑运行速度开始变得缓慢，打开一个网页都得等好几秒。于此同时，我每次开机都伴随着一堆的广告弹窗。更令人讨厌的是，我几乎都找不到关闭它们的地方。我几乎都被这电脑逼疯了！

我觉得我的电脑并不是一件好用的科技产品，它对于垃圾软件，没有任何的防御措施。我甚至不知道这些软件是怎么安装到我的电脑上的，这是一件非常可怕的事。我想下一次，我会考虑换一部苹果电脑。

《不喜欢的广告》

I would speculate that a considerable number of people are familiar with this advertisement because it is so infamous. I for one utterly detest the advert.

I can remember as clear as day the moment my laptop was corrupted. I happened to be installing a necessary piece of software at the end of last year. During this procedure, several pieces of malware installed themselves onto my computer without my permission or knowledge. Since then, advertisements plague me in the form of ceaseless pop ups from the moment I boot up my laptop. The most common one is an advertisement of an online game, Tanwan Lanyue. Its slogan is always the same, “come and hit me if you think you are my best friend”.

Its utterly frustrating as I can't find where to close them for the life of me. I have been driven to the brink of madness by it. I frequently click this ad by mistake and then I am sent to the webpage for this online game. There is no doubt that this is a malicious ploy by the game developers to gather more people into its userbase. However, this form of advertising is so wicked and frustrating.

I detest this ad with all my heart because it was installed on my computer without my permission. My laptop has run at a snail's pace ever since then and it had a detrimental effect on my study. In the end, I spent 50 Yuan to restore the system in a computer repair shop. After which, the ad has ceased to pop up incessantly on my computer anymore, and I must say I am overjoyed with this result.

我几乎都被这广告逼疯了，因为我很难找到关闭它的地方。我一不小心就会点到这个广告，然后就进入了这个游戏。估计这个游戏就是为了吸引更多人来玩，所以到处打广告，而且是以恶意的形式打广告。

我非常讨厌这个广告。因为它是未经我允许就安装在我电脑里的。它让我的电脑运行速度变得很慢，严重影响了我的学习效率。最终我花了 50 块钱去修电脑的那里还原了系统。于是这广告再也没在我电脑中出现了，真是令人喜悦。

During my youth, I made a very significant accomplishment by overcoming a considerable challenge, this filled me with pride. The accomplishment in question was learning to swim. If my memory serves me correctly, this occurred during my time in junior high school. My family was of the disposition that the art of swimming was an indispensable skill one shouldn't be without. Therefore, I was enrolled in beginner swimming lessons which took place during the summer vacation. To be quite frank with you, I had no interest in learning to swim during the holiday. If I had my own way, I would have passed my time shopping with my classmates or having a wild time at the amusement park. However, my parents enlisted me in the classes, therefore I had to learn.

It was not until after I had commenced the task of learning to swim that I discovered it was truly a trying task. I learned breaststroke, which is a rudimentary stroke in swimming. However, in the early days of my learning, I found it impossible to coordinate my arms and my legs. The result of this was that I could only stroke with my arms without kicking my legs, or the reverse, I could only kick with my legs while failing to stroke with my arms. It may sound curious, but due to this it quickly dawned on me that I did not have the innate knack for swimming. AnnaIELTS copyright. 直到我开始学游泳，我才发现学游泳竟然是一件非常困难的事情。我学的是蛙泳，是游泳姿势里面相对简单的一项。但在刚开始学的时候，我无论如何都不能做到手脚协调，也就是说，我只能在保持脚不动的情况下，用手划水，或者说在保持手不动的情况下，用脚划水。这听起来是一件奇怪的事情，但我的确在学习游泳方面没有一点天赋。

幸运的是，通过不断地练习，我终于在课程结束前学会了蛙泳。虽然我并不能游很长的距离，但我毕竟是掌握了一项求生技能。能够通过自己的努力，完成一件最初看起来很困难的事。我还是感到很欣慰的。

She had successfully learned the art of swimming. My family was of the disposition that the art of swimming was an indispensable skill one shouldn't be without. Therefore, my sister was enrolled in beginner swimming lessons which took place during the summer vacation.

Subsequently after she enrolled in the swimming class, she would come to me with her grievances and objections over the difficulty of the task at hand. It wasn't until she had completed the course of swimming lessons that my sister returned home triumphant and declared to me with joy that she had finally learned to swim. Not only that, but she also invited me to attend the swimming pool the following day to witness her swimming. The excellent news really raised my spirits for a long time. Not too long ago, I made a calamitous mistake which was to be late for the first day of my part-time job. But fortunately, I gained wisdom and experience from it.

I am employed as a part-time tutor for junior high school students in my spare time while I'm at university. I had made ample preparations to ensure I would perform superbly as a tutor, and I was eager to leave a good impression on both students and parents.

Although I attributed significant importance to this part-time job, I unexpectedly muddled the date of the part-time job and set my alarm clock incorrectly! On that morning, while I was sleeping like a dog, my roommate shook me awake and informed me the time was 9 o'clock. I immediately bolted up, snatched my bag and exited the house.

I had no time for breakfast and ran as fast as I could to the metro station. Since I was in such haste, I ended up entering the completely wrong subway! I felt incredibly foolish and was quite dismayed when I realized I would have to exit the carriage and find a subway going in the opposite direction. By the time I reached the student's home, I was half an hour late! Though the parents didn't blame me, I still felt ashamed and a sense of guilt.

After that day, I would confirm what activities I was engaged to do the following morning before sleeping and never depart in a rush so that I would never make such a horrendous mistake again.

不久前，我犯了一个灾难性的错误（忘记了一件重要的事情），我在工作的第一天迟到了。但幸运的是，我从中吸取了教训。

在大学期间，我利用课余时间给初中生做兼职家教。为了做好这份家教工作我看了很多书，我希望能给学生和家长都留下一个好印象。这对我来说很重要。

虽然我很重视这份兼职，但是我竟然在兼职开始的第一天，糊涂地定错了闹钟的时间！那天早上，正当我睡得迷迷糊糊的时候，我的舍友把我摇醒。告诉我现在已经是早上九点了。我立刻就清醒过来，随便收拾了一下就出门了。

我顾不上吃早饭，并且一路跑到地铁站。因为太匆忙了，我最终乘坐了完全错误的地铁！我觉得自己非常愚蠢，当我意识到我必须离开车厢去找另一个方向的地铁时，我感到非常沮丧。当我到达的时候，我已经迟到了半个小时！虽然家长并没有怪我，但我觉得非常惭愧。从那以后，我每天睡前都会确认我第二天需要做的事情，从不匆忙出门，这样我就不会再犯这样可怕的可悲的错误了。

《想短暂停留的城市》

When I consider the ideal location for a short getaway, Macau comes straight to the top of my mind. For as long as I can remember, Macau has been a hot site recommended in travel guides and social media. Therefore, it piqued my curiosity.

It is my intention to travel to the wonderful city with my boyfriend as a travelling companion whenever we find the time since we have never taken a long trip together as a couple. I cannot think of a more romantic act than to travel the world with the person I love. Furthermore, this has been one of my long-cherished dreams as well.

While technically it is considered a part of China, Macau is unusual and distinct from the other cities of China due to its unique culture and unconventional history. I long to gaze upon its exotic architecture, of course with the famed Ruins of St. Paul not to be missed. I intend to sample its delicious local delicacies. These include Portuguese cuisine with treats such as egg tarts which are surely not to be missed. And of utmost importance, I intend to capture copious amounts of fantastic photographs since the location is utterly picturesque and it is an excellent place to snap some shots in its metropolis.

It goes without saying, I wouldn't go for a long stay while in Macau. Three or four days should be more than enough time for a satisfying holiday. On the one hand, I may run out of interesting tasks and suffer from boredom if I overstay in such a small city. On the other hand, I can hardly afford the luxury of lingering for many days or even weeks on end in a location where the price of a hotel appears to be astronomical.

当然，我并不想在澳门呆很长一段时间。我认为三四天就足够了。一方面，澳门面积很小，长时间的旅

When I think of a city to recommend to others, Macau comes to the top of my mind. For as long as I can remember, Macau has been a hot location recommended in travel guides and on social media. Therefore, it piqued my curiosity.

Last summer vacation, I visited Macau with my boyfriend. It was the first time we had ever gone on a trip together, and I think it is such a romantic gesture to travel with someone you love.

Because of the Covid-19 pandemic, there were not many tourists around when I went to Macau. But due to the newest policies, tons of tourists have recently begun traveling to Macao, and the city has become one of the most popular tourist destinations in the country.

The reason why I would like to recommend it to others is that while technically it is considered a part of China, Macau is unusual and distinct from the other cities of China due to its unique culture and unconventional history. I long to gaze upon its exotic architecture, with the famed Ruins of St. Paul of particular note. I intend to sample its delicious local delicacies. 《喜欢一起工作/学习的人》

It is a common occurrence for my girlfriend and I to frequent the library together to study. I must admit, she is a first-rate study buddy. We happened to bump into each other at a party. She is stunning and always the life of the party. I fell in love with her the moment I laid my eyes upon her. We exchanged our WeChat details at the party, then only a short while after we became an item.

At any opportune moment, we will visit the library to do our research and revise together. We must have been doing this for at least a year at this point. Most commonly, we attend the library after our classes or when we find ourselves unoccupied. In contrast to the conventions of most couples I know, we sit together, however we don't converse or discuss things very often. The reason for this is that we believe frequent chatter has a detrimental effect on our learning efficiency. It is only in the rare instances that I face a problem I consider to be insurmountable on my own, that I will ask her for her assistance. I must admit, I am quite the fan of this method of learning.

All the while, we go out to dinner together in the evenings or kill some time shopping if we get a spare hour or so. It is always a pleasure to shoot the breeze with her because there is always an enormous smile planted right on her face. The slightest humorous remark or joyful moment will send her into fits of laughter for a long time. Every minute I have spent with her has been precious and filled with happiness. She is a ray of sunshine in my life and fills each second with happiness during my hours of study and my daily life. I enjoy my time studying with her and like sharing my life with her very much.

《派对上交谈甚欢的人》

My girlfriend and I happened to bump into each other at a party. This occurred on the day some of my companions and I attended a barbecue party in a garden adjacent to our college. If my memory serves me correctly, this occurred around a year ago. She is stunning and always the life of the party. I fell in love with her the moment I laid my eyes upon her.

It just happened to be my good fortune that I was sat beside her during the barbecue, which gave us plenty of opportunity to converse. Initially, I was somewhat constrained and inhibited because chatting with a beautiful girl has always made me apprehensive. However, I gradually discovered that we had much common ground and shared quite a few interests. We both adored gourmet cuisine and so I confided in her several of my favorite restaurants. In addition, Anna is fond of pets and my family happen to have a pet dog. We felt an affinity due to our shared interests and this quickly built bridges between us.

We were shooting the breeze after the party. I found her a very bright and outgoing girl. It is always a pleasure to converse with her because there is always an enormous smile planted right on her face. The slightest humorous remark or joyful moment will send her into fits of laughter for a long time. Every minute I spent with her was a delight. She is a ray of sunshine in my life and fills each second with happiness during my free time and in my daily life. I must say, I feel like the luckiest man alive knowing she is my girlfriend.

我和我的女朋友是在一个聚会上认识的。大概是一年多以前，我和几个同学约着一起去我们学校附近的公园烧烤。这次聚会让我认识了我的女朋友 Anna。她很漂亮，很开朗，我见到她的第一眼就喜欢上了她。

烧烤的时候我恰巧就坐在她隔壁，于是我们有了很多交流的机会。一开始我还有点拘束，因为跟美女聊天让我有点紧张。但慢慢的我发现，而且我们之间有非常多的共同话题。我们都喜欢美食，我给她分享了好几家我喜欢的餐厅。另外，anna 喜欢宠物，而我家正好养了一条狗，共同的爱好让我们迅速熟悉起来。

吃完饭后的空闲时间，我们两个一直在聊天。Anna 是个性格很好的女孩，跟她聊天总是很开心，因为她的笑容很灿烂。一丁点开心的事情都能把她开心好久。我想没有人会不喜欢开朗又漂亮的女孩子，聚会上跟她度过的每分每秒都是令人愉快的。在紧张的学习生活之余，她给我带来了快乐，我很高兴她能成为我的女朋友。

《家里舒服的某处地方》

When most people consider the most relaxing location at home, a common answer would be the bedroom. But here, I would have to disagree with the majority and say my favorite space to relax is the balcony. When we first moved into this house, it was my mother's desire that the balcony should be boarded up and closed, however I strongly opposed this plan. I was already of the opinion that there is nothing more comfortable than having access to a spacious balcony in one's own home. AnnaIELTS copyright.

When I return home during the weekend, I relish the moments I spend relaxing upon the balcony. I filled the balcony with flora and foliage, including not only common small potted plants but even large and exotic plants of the tropical variety. I must say, it is a lengthy chore to water all the plants and prune them of their dry leaves. I even installed a swing suspended from the roof of the balcony and there are seldom things more pleasant than reclining on the swing and savoring an afternoon tea when the weather is favorable.

In addition to its being a place for respite and relaxation, the balcony also serves as an excellent location for partying and festivities with my companions. The balcony at my home is large and spacious. I am never filled with dread about the lampblack on the grass or the incessant buzzing and harassment of mosquitoes while barbecuing upon the balcony. It is a fresh and remarkable experience.

I believe that the balcony is an excellent location to relax most likely due to all the pleasant memories I have fostered in this place. At my desk, I am confronted by the headache of an onslaught of homework and papers. In contrast, the memories of my balcony such as planting flowers, savoring afternoon tea, and barbecuing with my companions are all moments I cherish.

说到家里最放松的地方，大多数人应该会喜欢卧室，而我最喜欢的却是家里的阳台。当我们刚搬进这件房子的时候，我妈妈曾经想把阳台封闭起来，这遭到了我的强烈反对。没有什么比一个宽敞的大阳台更舒服的地方了。

当我周末回到家，我很喜欢把时间都浪费在阳台上。我在阳台上种了很多植物。不仅有常见的小盆栽，还有一些大型的热带植物。给它们浇水并且除掉干枯的叶子，这需要很长一段时间。我甚至在阳台的屋顶上装了一个秋千。在天气好的时候，没有什么比坐在秋千上享受一顿下午茶更惬意的事情了。

阳台除了是我放松休息的地方，更是我和朋友聚会的好选择。我们家的阳台很大，拥有足够的空间。在阳台烧烤既不用考虑烤肉的油烟，还不用担心草地上的蚊虫。这是一种新奇又有趣的体验。

我认为我们家的阳台是个放松的好地方，大概率是因为我在这里留下的都是开心的回忆。在书桌前，我不得不面对令人头痛的作业和论文。而种花，下午茶，烧烤都是很快乐的事。

《朋友的家》

Discussing the topic of a home of my friend, I would like to discuss the abode of my closest companion Anna. Her balcony is my most cherished place of any home. I believe there is nothing more comfortable than having access to a spacious balcony in one's own home.

On weekends, when neither of us are occupied, the two of us frequently idle away the hours at her house. Therefore, I'd say I visit her residence at least twice a month. She has a grand and spacious house; I would estimate it's at least 200 square meters. She filled the balcony with flora and foliage, including not only common small potted plants but even large and exotic plants of the tropical variety. She even installed a swing suspended from the roof of the balcony and there are seldom things more pleasant than reclining on the swing and savoring an afternoon tea when the weather is favorable. On her birthday the previous year, we even threw a barbecue party on her balcony.

The balcony at her home is large and spacious. We are never filled with dread about the lampblack on the grass or the incessant buzzing and harassment of mosquitoes while barbecuing upon the balcony. It is a fresh and remarkable experience.

I adore Anna's house with all my heart. It's my dream house. Not only is it so spacious its fit for a king, but it is positioned with access to excellent sunlight. I hope one day I can purchase a house similar to this through my own efforts and perseverance.中文思路：

《想再看一次的电影》

I am a big fan of movies and love thrillers in particular. Every time I watch a fascinating movie, it feels like I'm following the main character on an adventure. Recently, I have wanted to watch Sherlock again which was introduced by my friends. In fact, I found it almost impossible to tear my eyes away from the screen! It was when I was in college that I watched it for the first time. This movie is full of intrigue and suspense.

Sherlock is a film adaptation of the Sherlock Holmes series of novels. Holmes and Watson are famous detectives who protect England from evil. Most importantly, they protect people from the criminal mastermind, Professor Moriarty. The battles of wit between Sherlock and Moriarty are very interesting, because both of them are geniuses.

I want to watch Sherlock again because it's my favourite British film. The director of this movie must be a genius because the criminal is never the person who you think it is going to be. Therefore, the conclusion is always a surprise.

我喜欢看电影，尤其喜欢看悬疑电影。每当我遇到精彩的电影，那种感觉就像我在跟着主角一起冒险。最近我很想再看一次《神探夏洛克》，这部电影是我的好朋友推荐给我的。我第一次看大约是刚上大学的时候，我和舍友一起在宿舍看的。这部电影里有许多有趣的单独的故事。这些故事充满了神秘和悬念。

《神探夏洛克》是由福尔摩斯系列小说改编的电影。福尔摩斯和华生是著名的侦探，他们保护英国免遭罪恶。最重要的是，它们保护人们免受超级恶棍 Moriarty 博士的伤害。夏洛克和莫里亚蒂之间的智慧之战非常有趣，因为他们都是天才。

我想再看一次《神探夏洛克》，因为它是我最喜欢的一部英国电影。这部电影的编剧一定是个天才。因为罪犯从来都不是你想象中的那个人，总有出人意料的结局出现。

《读过的有趣书籍》

I am a big fan of reading and love all kinds of novels. Every time I read a fascinating novel, it feels like I'm following the main character on an adventure. Recently, I bought a set of the Adventures of Sherlock Holmes, which was introduced to me by my friends. In fact, I found it almost impossible to put down! The book contains many separate and exciting stories. These stories are full of intrigue and suspense which is why I found the book so hard to put down.

The Sherlock Holmes novels are actually a large collection of stories written by Sir Arthur Conan Doyle. Holmes and Watson are famous detectives who protect England from evil. Most importantly, they protect people from the criminal mastermind, Professor Moriarty. The battles of wit between Sherlock and Moriarty are very interesting, because both of them are geniuses.

The Adventures of Sherlock Holmes is a series of books. I have just finished the first set, which took about a week. I am looking forward to reading the rest of the story.

I really like mystery and detective novels because I like to try and solve the mystery myself before I finish the book. I have bought many different types of detective novels since I was young, the best of which is the Sherlock Holmes series. This is because the criminal is never the person who you think it is going to be. Therefore, the conclusion is always a surprise. So, I think that's the reason why the Sherlock Holmes stories are so interesting and popular. An na Yasi.

我喜欢悬疑小说和侦探小说，因为我喜欢在看完之前尝试自己解谜。夏洛克·福尔摩斯的小说非常好，因为罪犯从来都不是你想象中的那个人，总有出人意料的结局出现。所以这就是福尔摩斯系列如此有趣的原因。

29: 喜欢的演员（新题）

Describe an actor who you admire for playing a particular character in a film/movie.

Some instructions you can follow:

Who the actor is

Where and when you watched this person

What kind of character this person played

And explain why you admire the actor for playing this character in a film/movie.

Benedict Cumberbatch is a world renowned actor and I adore the role he performed in the film *Sherlock*. If my memory serves me correctly, I was first recommended this compelling film by my roommate Anna. My initial viewing of the production occurred two years prior, I screened the production on my laptop and watched it online during some time off in my dormitory.

The film *Sherlock* is an adaptation of the internationally acclaimed novel series, *Sherlock Holmes*. In this series of novels, Sherlock and his companion Doctor Watson are intrepid and cunning detectives who safeguard England from malevolent and wicked schemes. Their most significant role is the protection of the general populace from the mastermind and evil genius of Professor Moriarty. The battles of wits between the titular hero and the villain are fascinating and highly entertaining as both characters are men of extraordinary intellect.

Benedict Cumberbatch's depiction of Sherlock in the film is utterly delightful and captivating. His proficiency to swiftly deduce an individual's background and recent activities through the most minute of details is truly enthralling. The film is also hair-raising, as the perpetrator is seldom who you'd expect and the endings are always a mystery full of sudden twists. However, despite the confounding nature of the cases, Sherlock always manages to unearth the truth and unravel the crime.

In my opinion, among the various TV series and movie adaptations of "Sherlock Holmes," Cumberbatch's portrayal is the most engaging and of the finest quality.

在电影里，康伯巴奇扮演的 Sherlock 非常的帅气和聪明。他最吸引我的一点是他能在几秒钟内通过一个人的细枝末节来准确分析出他的家庭背景和最近做过的事情。于此同时，这部电影的好看之处也在于罪犯从来都不是观众想象中的那个人，总有出人意料的结局出现。但夏洛克总能在最后找到凶手！

其实《福尔摩斯》这部小说有很多个电视剧和电影版本，但康伯巴奇的这一部电影是我认为最精彩最好看的。

《享受的一节英语课》

I would like to discuss an English lesson I attended in primary school. Back when we had graduated to the fourth grade, we were introduced to a new English teacher, Mike, who originates from Britain. After we were introduced to Mike, we had weekly lessons taught by him. His lessons made a long-lasting impression on me.

Encountering Mike was actually the first time I had met a foreigner. His method of teaching was completely dissimilar from our former English teacher. As well as using the textbook, he enjoyed conversing with us in English, and frequently made utterly exaggerated facial expressions and gestures. Mike was the type of man who wore his heart on his sleeve. His face beamed when he was joyful. When he was puzzled, his eyes and eyebrows would scrunch together until they were almost closed! He is an incredibly enthusiastic person who often broke out into laughter. No matter what we said in class, he would always praise us unreservedly. What's more, he also spoke a small amount of Chinese. However, due to his strange accent, he repeatedly caused the class to burst into laughter.

I can still recall this English lesson now. Even though I didn't exactly know every word he said at that time, I could understand the topic by his facial expressions and body language. He brought me to the realization that English is not simply written in books. It is essential to converse with others in order to learn English properly.

那是我第一次见外国人，他的教学方式和原本的英语老师完全不同。他没有讲课本上的内容，而是用英语和我们聊天，还经常做出一些非常夸张的表情和动作。我觉得他心情都写在了脸上，他高兴的时候会咧开嘴大笑，在感到困惑的时候，眼睛眉毛几乎都皱在一起了，非常与众不同。他是个非常乐观和爱笑的人，课堂上不管学生说了什么，他都会非常大声的表扬他。不仅如此，他还会说一点点中文，由于口音奇怪，常常会惹得同学们哈哈大笑。

我至今还清楚地记得这堂英语课。虽然我没有听懂他说的每句话。但是结合它丰富的表情和肢体语言，我能很好的理解他想表达的意思。他让我明白了英语不是写在书本上的文字，必须要开口和人交流，才能学好英语。

Mike is without a doubt the most interesting senior I have ever encountered. Despite his age, he always seems full of energy. An engaging teacher can significantly stimulate students' desire to learn and help them to be more attentive in class.

《受欢迎的运动场》

I regularly frequent the stadium at our school. The stadium is a popular open-air space, it is known by everyone in the school. The stadium was constructed adjacent to the student dormitories, which was most likely a cunning design choice to encourage and facilitate the daily exercise of the students.

My first visit to the stadium occurred when I was a freshman and my roommate challenged me to a game of basketball at the stadium court. After that experience, the stadium became my habitual location to work out. The stadium is spacious, and there are a whole host of sports facilities within its grounds. There is a track for running, a field for soccer, and courts to play badminton. I am an enthusiastic athlete and adore playing sports. So, I usually invite my classmates to join me in the stadium after school to play a few rounds of badminton.

I feel elated when I play sports here, partly because the venue and equipment are state of the art, and partly because the grounds are illuminated at night, so I can continue to play sports outdoors. Whenever I see large groups of people around me playing sports and exercising here, I feel revitalized and full of energy.

I would wager that even those who aren't into sports still like the stadium. Almost all the significant school events are held on the stadium grounds, such as the campus singing competition, the school sports meeting, the welcome party for freshmen, and many other fun and exciting events. Some students like to go on strolls in the stadium with their male and female friends, and I am convinced that everyone has left here with good memories. It is for these reasons I believe the stadium is immensely popular with the student body.

在这里运动是非常开心的，一方面是因为它的场地和设备都是非常新的，另一方面是它晚上还会开灯，充足的光线让我在晚上也可以在户外进行运动。这里有非常好的运动氛围。每次我看到身边有这么多人和我一起努力的时候，就会重新充满了能量。

即使是不喜欢的运动的人，相信他也会喜欢这座体育场。我们学校几乎所有大型活动都会在体育场举办。

比如校园歌手大赛，校运动会，迎新晚会等等。这都是很受同学们欢迎的节目。还有一些同学喜欢和自己的男女朋友在运动场散步，相信每个人都在这里留下过美好的记忆。这就是这座体育场如此受欢迎的原因。

《分享某物的时刻》

I recently suggested to my dorm-mates that we get a washing machine for ourselves in our room and split the cost between us. There is no doubt that the washing machine has completely changed my life. I no longer need to handwash my clothes.

At first, my roommates disagreed. First, they thought buying a washing machine was redundant and unaffordable spending. Moreover, we only have a narrow balcony that would become even narrower with a washing machine. I told them it would only cost 200 yuan each to split it up. The washing machine could be placed at the corner of the balcony and wouldn't occupy much space. After three weeks of relentless coaxing, they finally agreed.

At the beginning, I considered the washing machine as a personal item. It would be great if I could buy one for myself. However, due to the limited space of my dormitory, I have to share a washing machine with my roommates. It is impossible for all of us to buy one.

After buying the washing machine, I basically use it once every 3-4 days. Even though it is shared between four people, as long as we agree on the washing plan in advance, one washing machine can meet our needs. Throw your clothes in, pour in a bit of detergent and conditioner, and there you have it — a load of fresh laundry in an hour. This also saves me a lot of money, which I can spend on whatever I want. I have to say, sharing a washing machine is definitely a good idea.

最近，在我的提议下，我和我的舍友集资买了一台洗衣机。不得不说，这台洗衣机简直改变了我的生活，我再也不需要自己洗衣服了。

一开始我的其他几个舍友并不同意买洗衣机，一方面是因为这是一笔额外的支出，对于她们来说负担不起。另一方面是因为我们宿舍阳台很小，洗衣机会让阳台变得更加拥挤。我告诉她们我们可以四个人共享一台洗衣机，分摊下来一个人只需要 200 元而已。洗衣机可以放在阳台的角落处，并不会影响通行。几个星期后，他们经不住我的软磨硬泡，终于同意了。

一开始，我认为洗衣机是一件个人用品，如果可以单独使用的最好的。但由于宿舍实在太小，我不得不与我的舍友们共享一台洗衣机。我们不可能每人购买一台。

在购买洗衣机后，我基本上 3-4 天才会使用一次，即使是四个人分享，也完全没有影响到我。我只需要要把衣服放进去，加上洗衣液和消毒液，一小时后我就能得到一筐干净的衣服。最重要的是这让我节省了一大笔钱，我可以用这笔钱买其他我喜欢的东西。四个人合买一部洗衣机真是一个好主意。

《与某人意见不合的时刻》

Several months ago, I had a big disagreement with my dorm mate Anna, which was all about my idea of buying a washing machine.

Anna held an opposing opinion. First of all, she thought buying a washing machine was redundant and unaffordable spending. I told her it would only cost 200 yuan each to split it up. Moreover, we only have a narrow balcony that would become even narrower with a washing machine. But I didn't agree with her opinion because without a washing machine, I would have no choice but to handwash my clothes. The number of classes I have to attend daily always leaves me drained by the end of the day, so handwashing, especially during summer when the laundry load increases, is simply too much time and energy

Since Anna and I share a room, I can't make the decision on my own. So, I had to prevail upon her almost every day with the advantages of getting a washing machine and the time that we would save. After three weeks of relentless coaxing, she finally agreed.

Although the matter was finally satisfactorily resolved, it still gave me food for thought. Anna and I come from different families, so we have different lifestyles. Since we live together, we should consider problems from the perspective of each other. In this way, many problems can be solved easily.

大约半年前，我和我的舍友 anna 发生了巨大的分歧，这一切都是因为我想买一台洗衣机。

我的舍友 anna 并不同意买洗衣机，一方面是因为这是一笔额外的支出，对于她来说负担不起。另一方面是因为我们宿舍阳台很小，洗衣机会让阳台变得更加拥挤。而我完全不同意她的观点，如果没有洗衣机，我只能用手洗衣服。每天下课我已经很累了，回到宿舍还要洗衣服，尤其是炎热的夏天，脏衣服很多。这让我感到费时费力。

我生活在宿舍里，买洗衣机不仅是我一个人的事，因此我一直在尝试说服 anna。我几乎每天都会告诉她洗衣机有多好用，一台洗衣机能为我们节约多少时间。几个星期后，她经不住我的软磨硬泡，终于同意了。

虽然这件事最后圆满解决了，但依然带给我一些思考。我和 anna 来自不同的家庭，因此有着不同的生活习惯。这是一件非常正常的事。既然大家住在一起，就要要多站在对方的角度想问题，这样很多问题都能迎刃而解。

《需要寻找信息的时刻》

When I cast my mind back over recent memories, I recall when I was commuting by bus to a crucial interview, and was caught in a traffic jam. My heart was torn with anxiety since it was likely I would miss the interview if the situation didn't improve soon.

At that time, I needed to search for some information that could show me the fastest route to my destination. So, I used Baidu Maps on my phone for the most expedient route to my interview. It revealed to me that there was a traffic accident ahead, and it was estimated to take over 30 minutes to pass through by bus. Alternatively, I could walk to the nearest metro station within 10 minutes and commute there by subway. So, I immediately left the bus and ran to the metro station.

We live in an era of information overload. Now there are many ways for us to find useful information quickly. Baidu maps is a very useful app. I like to use it to query road conditions. This information makes my travel more convenient and efficient. When we have an emergency, real-time traffic information is very important. If I didn't use my mobile phone to navigate and had just waited in the bus, I would have definitely missed my interview.

Fortunately, I arrived there on time. Baidu Maps has helped me to better plan my travel routes and get to my destination within the shortest possible time.

我记得不久前，我去参加一个重要的面试时，路上遇到了堵车。我当时心急如焚，虽然我提前了一些时间出发，但如果继续堵车，我最终可能会错过面试时间。

此时，我需要一些路况信息，告诉我如何最快的到达目的地。我拿出手机打开百度地图查询如何更快地到达面试的地点。导航软件显示前方发生了交通事故，预计通行时间超过 30 分钟。我可以选择步行 10 分钟前往最近的一个地铁站，然后可以坐地铁直达目的地。于是我立刻下车跑步去地铁站。

我们生活在一个信息爆炸的时代，现在有很多途径能让我们快速寻找到有用的信息。而百度地图是一款非常实用的 APP，我喜欢用它来查询路况。这些信息让我的出行更便捷和高效。

在我们有急事的时候，有效的交通信息是非常重要的。如果我没有用手机导航，坐在公交车上傻傻的等下去，我一定会因此错过面试。庆幸的是，我最终准时到达了面试地点。手机地图帮助我更合理的安排出行，用最短的时间到达目的地。

《决定等待的时刻》

I used Baidu Maps on my phone for the most expedient route to my interview. In this moment, I found I was at a crossroads. One option was to be patient and trust the traffic would clear. The other was to immediately depart the bus and sprint as fast as my legs could carry me to the nearby subway station, and then continue my commute via subway. The navigation software showed that the two methods took about the same amount of time. I decided to wait on the bus, hoping the congestion would ease soon.

As I was nervous, my palms were sweating and I could hardly sit still. I tried using different navigation software to find out which route would be the fastest. Yet this did little to ease my anxiety. I kept looking at my watch, hoping that time would slow down a bit.

After about half an hour, the bus finally passed the congested section. This directly caused me to arrive ten minutes behind schedule. Because I was so anxious, my performance in the interview was not ideal. At that moment, I felt that I had made a mistake in waiting that morning.

This was a lesson for me. Whenever I am confronted with obstacles, it's necessary to keep calm and be swift in my decision making, as hesitation will do nothing but waste my time, and thus cause me to miss important opportunities.

因为担心面试，等待的时候我的手心直冒汗，几乎坐立难安。我尝试使用不同的导航软件，查询哪种交通方式能更快的到达目的地。然而这并没能缓解我的焦虑。我不停的看表，期待时间能过的慢一点。

大概半个小时后，公交车终于通过了拥堵路段。这直接导致我比规定时间晚到了十分钟。因为过于着急，我在面试中的表现并不理想。那一刻，我觉得早上选择继续等待是个错误的决定。

当我面临困难的选择，最重要的是不要着急，一定要冷静下来分析，然后用最快的速度做出选择。犹豫只会浪费时间，也有可能因此错过了重要的机会。

During my time in primary school, I had in intimately close companion, Mike, who was my classmate as well as my neighbor. He was only a few months my junior – we were practically twins! In contrast to my natural temperament, Mike was a very daring and remarkable person. He was always on the search for new experiences!

I recall on Spring Festival, he purchased a few cartons of cherry bombs, which are a diminutive firecracker, and called me to play with him. The second we cast it to the ground, it exploded and filled the air with a deafening noise.

I was raised to be a more conformist sort of child. My parents forbade me from playing with illicit items such as cherry bombs. At first, I was quite apprehensive, but at Mike's importing, I resolved to venture with him to a less crowded park to play with the cherry bombs. I had a tendency to act like a bit of a wimp. After Mike demonstrated the process a handful of times, I emulated him and became proficient and playing with them. We had a whale of a time and the whole park echoed with the booming sound of small explosions.

This experience has left a deep and lasting impression upon me because through the encouragement of Mike I participated in a thrilling, albeit a somewhat hazardous activity. During my younger years, we typically played games together, which transformed me into an outgoing and daring person, at least for an introvert. I believe it was a positive transformation, and I am overjoyed to have him as a childhood friend.

在我小学的时候，我有个关系非常好的朋友。他叫 MIKE，是我的同学也是我的邻居。他年纪跟我相仿，只比我小几个月。跟我不一样，Mike 是一个非常大胆，有趣的人。他总是想尝试新事物。

我记得有一年春节的时候，我跟他一起在楼下玩耍。他不知道从哪里买了几盒摔炮，偷偷地叫上我跟他一起玩。摔炮是一种非常迷你的烟花。只要你把一颗摔炮狠狠地摔在地上，它就会发出巨大的声响。

我从小是个比较循规蹈矩的孩子，父母都不让我玩摔炮。一开始我有点犹豫，但在 Mike 的怂恿下，我决定跟他去了一个人少的公园玩摔炮。一开始我还是有点怂，不敢丢。在 Mike 演示了几次后，我开始变得驾轻就熟。我们玩得非常开心，整个公园回荡着摔炮炸裂的声响。

这段经历 (Mike 这个小学同学) 至今让我印象深刻，因为 Mike 带我体验了一回刺激的但有点危险的活动。小时候我经常跟 Mike 玩耍，让我这个比较内向的人变得开朗和大胆了。我认为这是非常好的转变，我为拥有他这么一个儿时玩伴感到开心。

41: 美丽的物品

Describe an object that you think is very beautiful.

Some instructions you can follow:

What the object is

Where you first saw the object

What it looks like

And explain how you feel about this beautiful object.

When I was a young child, every Chinese New Year my uncle would purchase me a new lantern, which is a traditional custom in China. Small lanterns serve as a symbolic representation of the elders' expectations and wishes for the younger ones that year. Now that I am older, I still enjoy purchasing lanterns as a custom during the annual festivals. In the not-too-distant past, I purchased myself a magnificent lantern in honor of the Mid-Autumn Festival.

This was a cute goldfish lantern made of silk, about the size of my palm. The goldfish's tail was made of wire and could turn into different shapes. There was a light bulb in the lantern and you could press a switch on the handle so that the whole lantern lit up. I saw this lantern for the first time in a small store on the roadside and immediately decided to buy it.

I have a fondness for this paper lantern, on the one hand because they are exquisite and beautiful. Some lantern designs are so impressive a piece of ordinary fabric is transformed into various adorable animal shapes. Furthermore, many lanterns can be hung together to become picturesque scenery. On the other hand, festivals add a sense of magic and wonder to the world. Whenever I see a red lantern, I am immediately overwhelmed with the sense that a holiday is upon us.

小的时候。每年春节我的舅舅都会买一个新的灯笼送给我，这是中国人过年的一种习俗。小小的灯笼表达了长辈对晚辈的期待和祝福。长大后我依然很喜欢在过节的时候买上一个灯笼，不久前的中秋节，我给自己买了一个非常漂亮的灯笼。

这是一个用丝绸制作的金鱼灯笼。大概和我的手掌差不多大，小小的非常可爱。金鱼的尾巴是用铁丝做的，可以弯曲成不同的样子。灯笼里有灯泡，只要按下手柄上的开关，整个灯笼就会亮起来。我第一次在路边的小店见到这个灯笼，就立即决定买下它。

我非常喜欢这个灯笼。一方面是因为它本身很美，一块平凡的布料经过加工就会变成各种可爱的动物造型。许多灯笼挂在一起就会变成一道靓丽的风景。另一方面，灯笼让节日变得更有气氛。只要看见红色的灯笼。我就会立刻觉得快要放假了。

42: 收到钱作为礼物

Describe a time when someone gave you some money as a gift.

Some instructions you can follow:

Who gave you the money

Why they gave it to you

What you did with it

And explain how you felt about receiving this money.

When I was working a part time job in a mall last summer, I helped a lost girl find her mother. Her mother thanked me sincerely for this and gave me some money as a token of gratitude.

It was a weekend which could not have been more ordinary. My roommate Anna and I were handling some affairs in the mall when I saw a little girl sitting on the ground, crying. I did not give it much thought at first, but when I realized that she was still there, crying, after I finished my work, it suddenly occurred to me that the girl might have been lost and separated from her parents. So, I approached her and asked what had happened.

She indeed had got separated from her mother, so I immediately took her to the mall's information desk. The staff responded quickly and tried to help the girl find her mother through the Tannoy. Soon, her mother came rushing over to the information desk. She was thrilled to have her daughter back and could not stop thanking me. She even offered me some cash as a token of gratitude. At first, I felt happy to receive the money, but after several seconds' thought, I realised that I did not help her for the reward, I simply did so because it was the right thing to do. So, I refused to take the money as a gift. She ended up buying Anna and me two drinks with the money, which we gladly accepted.

While helping this little girl out felt only like a simple act of decency, to the mother, however, it was a big favor.

大约是去年夏天，我在商场做兼职的时候，帮助一个迷路的孩子找到了她的妈妈，孩子妈妈给我了一些钱作为感谢。

那是一个寻常的周末，我和我的舍友 Anna 一起在商场里做兼职。安娜雅思版权所有。突然我看见了一个坐在地上哭泣的小孩。一开始我们不以为意。但当我忙完自己的工作，发现他还在原地哭。这时候我觉得这个小孩可能是迷路了，跟他父母走散了。于是我上前询问究竟发生了什么事情。

果不其然，小孩就是跟她妈妈走散了。于是我赶紧带她去商场的服务中心寻求帮助。服务中心的经理行动很迅速，立刻就在商场广播找小孩妈妈。很快，他妈妈就赶到了服务中心。找回孩子让她非常激动，连声向我致谢并主动要给我一些钱作为报答。一开始我还是挺开心的，但仔细想想，我认为这是我应该做的事情，并不是为了有所回报。所以我没接受这些钱，还给了她妈妈。最后小孩子的妈妈用这些钱给我和 anna 买了两杯饮料，我们也欣然接受了。

帮助这个孩子对我来说只是举手之劳，但是对于她妈妈来说，我帮助她解决了一个大麻烦。

43: 拍过的一张满意的照片

Describe a photo you took that you are proud of.

Some instructions you can follow:

Who or what was in your photo

When you took the photo

Why you took it

And explain why you are proud of this photo you took.

A short while ago, I shot a photograph that I am very delighted with and honoured to have taken. It was a photograph of myself and my closest companions. It was taken while we were undertaking a graduation trip to Xiamen, a coastal city with a special place in all our hearts. We had been excitedly anticipating this trip for a long time. Once we finally arrived, we had a superb time in Xiamen.

Although we had become acquainted with each other and had been good friends for at least four years, we had never taken a formal photo together. One fine morning just before we were due to leave, at my suggestion, we took a picture adjacent to the wharf in Gulangyu Island. In this photograph, we are all beaming and look elated with bright smiles. Although to most it may just look like a run of the mill photo, to me it has a lot of sentimental value.

Graduating from college is an significant milestone and rite of passage for every individual. With my graduation comes the implication that the time has arrived in which I must wean off my naivete, become self-sufficient, and shoulder my own portion of the responsibility in this society. At the conclusion of this trip, I would embark upon another venture, one in which my cohort of best friends will inevitable get “disbanded” following graduation. Who knows when we’ll meet again.

I am honoured with my decision to capture this photograph not only because the scenery in the shot is very picturesque, but also because it captures the beautiful affection we shared with each other as friends. Every time I turn on my phone and I am faced with this picture my mind is cast back to the wonderful years I spent in college.

不久前，我拍了一张令我非常满意而且值得骄傲的照片。那是一张我和我最好的朋友们的照片。那时候，我和几个最好的朋友，一起进行了一场期待已久的毕业旅行。我们选择了大家都喜欢的海滨城市厦门。后来，我们在厦门度过了一段非常快乐的时光。

虽然我们已经认识四年了，但是从来没有正式的拍过合照。在临走前的一天，在我的提议下，我们一起在鼓浪屿的码头旁拍了一张照片。这张照片里，我们都洋溢着灿烂的微笑。虽然它看起来这只是一张寻常的照片，但它对我的意义非常大。

大学毕业对一个人来说是很重要的。这意味着我不再是孩子，需要独立到社会中去承担责任。我将开始一段全新的旅程。另外，毕业意味着我和这群最好的朋友将会各奔东西，以后可能很难聚在一起。

我为这张照片感到骄傲不仅因为照片上的风景很美，更因为它承载着我们几个朋友之间的美好情意。每当我打开手机看到这张照片时，我都能回忆起大学时的美好生活。

44: 喜欢打扮的人

Describe a person you know who enjoys dressing well.

Some instructions you can follow:

Who the person is

What job/studies the person does

What sort of clothes the person wears

And explain why you think this person enjoys dressing well.

《女生版》

Out of all my companions and acquaintances, my roommate Anna is the individual who has the greatest style and taste when it comes to dressing up. She is a beautiful and attractive girl, with a tall and lithe figure, and a fair complexion. She is always dressed impeccably. Due to this, she is extremely popular with boys.

Both of us are currently students. Acquaintances who don't know her too well all assume she majors in art due to her style. When in fact, her major is finance. While I am accustomed to dressing myself in simple T-shirts and a casual pair of jeans when I go out, she is always found sporting her delicate dress and accessorizing herself with an attractive single-shoulder bag. It goes without saying, she also puts on leisure wear for casual occasions. It is clear that each of her outfits is carefully curated, so all the items in a particular outfit look perfectly harmonious in terms of style and color. I have often envisaged her as a successful fashion blogger, and perhaps if that was the case, I would turn into one of her fans!

As Anna's roommate, we are with each other every day. It's clearly evident that she takes more care of her appearance than anyone I am acquainted with. When she has an important date, she spends an hour considering and selecting the perfect clothes to wear. Occasionally she even asks for my advice and for a second opinion on outfit options. After this, she then spends a further hour applying makeup. Therefore, she must begin her preparation immediately after lunch if she has a date in the afternoon. I think it is very common for a girl to take care in her appearance and to enjoy dressing up. Of course, I would still prefer it if she wasn't late every time I make an appointment with her for dinner. AnnaELTS copyright.

在我的所有朋友中，最懂得打扮的就是我的舍友 anna 了。她是个很漂亮的女孩，拥有高挑的身材和白皙的皮肤。除此之外，她总是穿着非常得体。因此她非常受异性的欢迎。

她和我一样都是学生，不认识她的人大多数都会觉得她是艺术类的学生。然而她的专业是金融学。当我习惯于穿着 T 恤和牛仔裤出门的时候，她总是穿着精致的连衣裙，背着好看的单肩包。当然如果是一些比较随意的场合，她也会选择穿休闲装。显然，她的每一套衣服都是经过精心搭配的。因此不管从款式还是色彩，看起来都非常和谐。我经常觉得她以后可以当一个时尚博主，我说不定会成为她的粉丝。

作为 anna 的舍友，每天我们都会见面。她显然比我认识的其他人更在意外貌。每当有重要的约会，她会花上一个小时来选择今天要穿的衣服。有时还会征求我的意见。选好衣服之后她还会用一个小时来化妆。因此如果是下午的约会，她吃完午饭就会开始准备了。我认为一个女孩子喜欢打扮是一件很正常的事情。当然如果下次我约她吃饭的时候，他能不要迟到就更好了。

《男生版》

Michael, my roommate, is quite a chic guy. We are in the same class, with our majors in finance. He is tall, lean, and extremely charming, I must say. Part of the reason for his stylish image, as I see it, is that he is an expert at dressing well and gets his outfit right.

Michael always prepares himself well every day before going to class. He will style his hair with hairspray, and from what I can tell, he changes his hairstyle almost every week. Also, he owns a lot of clothes and shoes in various styles. Basically, it takes him over 10 minutes every morning to decide on his OOTD, that is, outfit of the day.

As guys, we typically don't pay much attention to our appearance. Many of my classmates, including myself, are usually sloppy, and we just go to class wearing flip-flops and a T-shirt. Michael, however, will always put on the latest trendy T-shirt and limited-edition Nike sneakers. And it seems to me that he also has a great eye for color, because how he is dressed always leaves people with a brighter impression.

Though I am his roommate, I am still a little embarrassed to ask him why he cares so much about his clothing. It is probably to do with his family background or personal habits, or maybe he dresses properly just to impress girls. After all, Michael is the guy I know who has had the most girlfriends.

中文思路：

我的舍友 Michael 是一个非常喜欢打扮的人。我跟他是同班同学，我们的专业是金融学的。不得不说 Michael 长得高高瘦瘦的，非常帅气。在我看来，之所以他形象好，有一部分的原因得归功于他非常会打扮，穿衣很得体。

Michael 每天出门上课前都会用心打扮。他会用发胶给头发搞一个造型，据我观察，他几乎每个星期都会换个发型。同时他有很多不同风格的衣服和鞋子。每天早上他基本上都要花费十几分钟来挑选今天要穿的衣服。

其实对于绝大部分的男生来说，我们都不会专注于个人形象的。包括我在内的很多同学平时都是邋邋塌塌的，踢个拖鞋，穿个 T 恤就去上课了。而 Michael 都会穿当下最新款的潮牌 T 恤，限量版的 Nike 运动鞋。而在我看来，他也非常擅长颜色搭配。他的穿着总让人觉得眼前一亮。

作为舍友，我也不好意思去询问他为什么这么注重穿衣打扮。大概是因为家庭环境和个人习惯的原因。也可能穿着得体会使他容易受女生的欢迎，毕竟 Michael 是我认识的女朋友最多的男孩

45: 喜欢种植的人

Describe a person you know who enjoys growing plants (e.g. flowers, vegetables, fruit trees).

Some instructions you can follow:

How you know this person

What plants this person enjoys growing

Where this person grows plants

And explain why you think this person enjoys growing these plants.

I have a penchant for planting and growing my own flowers on our balcony. However, since I grew up in an urbanized area, I seldom encounter others who share my interest in gardening. My uncle, who is a farmer, is the one exception in my life. Since our family visits him almost every year during the Spring festival, I have known him for as long as I can remember.

My uncle's house and farm are located in a village. Due to its favourable geographic conditions for agriculture, almost every household in the village grows their own fruits, my uncle included. On his own plot of land, my uncle plants a wealth of fruit trees, including delicious apple and pear varieties.

My uncle is enthusiastic and impassioned about planting and gardening. Whenever I pay him a visit, he will treat me to freshly picked ripe fruits he has grown with his own hands. We have long discussions for hours on end about his techniques and processes, through which he grows apples of supreme quality. There is a discernable shine in his eyes when he discusses his trees and fruits. He speaks with the reverence of someone talking about a great treasure. Every fall, his yard is stacked with boxes and boxes of apples and pears, the bountiful harvest of a whole year's work. For my uncle, gardening is not simply a hobby, but his livelihood and the source of his family's income. The fruit trees are so important to my uncle it is as if they were his children. And I must admit the apples that my uncle grows are large and sweet and taste unquestionably superior to those you can purchase in a supermarket. It is plain to see how much hard work my uncle must have put in to produce apples of such fine quality.

我从小长在城市里，除了自己在阳台上养花以外，我很少能接触到喜欢种植的人。印象比较深刻的就是我的表舅舅。他是一个农民，几乎每到过年我的父母都会带我去他家里拜访。因此在我很小的时候就认识他了。

舅舅家所在的村因为地理环境适宜，几乎整个村都在种植果树。因此我舅舅也不例外。他在属于自己的土地上种植了大量果树。包括苹果树和梨树。

舅舅对种植充满了兴趣，每次我去到他家，他都会热情的送给我很多自己种的新鲜水果。然后滔滔不绝的讲述自己如何培养出了质量更好的苹果。谈到自家的果树，他总是像谈论到什么宝贝一样，眼里绽放着异样的光彩。每年秋天，他家的院子里都会堆满成箱的苹果和梨，这就是他们一整年的收获。舅舅喜欢种果树，不仅是因为兴趣，这也是他们全家的经济来源。对于我舅舅来说，这些果树就像他的孩子一样。不得不说，自己种的苹果真的又大又甜，比在超市里买的好吃太多了。他一定付出了很多心思，才能种出这么好的苹果。

46: 购物时发生的问题

Describe a problem you had when you bought something in a shop/store or online.

Some instructions you can follow:

What you bought

Where and when you bought it

What problem you had with it

And explain how you felt about having this problem.

I had a somewhat disagreeable online shopping experience this summer and it really infuriated me and tested my patience.

I purchased a bottle of sunscreen from Taobao because I had a visit to the seaside coming up just round the corner with a couple of my friends for our holiday. Prior to placing the order, I made a point of double checking the delivery date with the seller to ensure my purchase would arrive the day before I was to set off on my vacation.

Imagine my shock and disdain when I was examining the delivery status online and discovered that the seller would not hold up their promised delivery schedule. When I furiously challenged the seller on this point, I was informed that the product in question was temporarily out of stock. Despite the paltry apologies of the seller, I found it impossible to forgive them for making such an imbecile mistake. You must consider the gravity of the situation, with the blinding sun on the beach it was extremely likely I would get burned to a crisp without sunscreen. I was left with no alternative but to rush to a shopping mall and acquire an identical bottle of sunscreen as the brand I ordered online. And to make matters worse, it cost me double the amount of its online counterpart. I couldn't help but feel I had suffered a great wrong. The oversight and indolence of the online seller not only cost me an arm and a leg but also spoiled my mood. I left a poor review and made a complaint about the online merchant, but it did little to help my situation. The lesson I have learned is that while online shopping may offer competitive prices, unexpected problems may arise, such as delays in delivery and poor customer service. The next time I shop online, I will make sure to plan well ahead.

今年暑假，我在网上购物时发生了一件非常不愉快的事。这让我非常生气。

因为和朋友约好了要去海边度假，我在淘宝网购买了一只防晒霜。购买前我特意和卖家确认了发货时间，以确保我能在出发前一天收到它。

当我在查询物流的候，我惊讶的发现卖家并没有按照约定好的时间发货。我气愤的询问卖家为什么会这样。她告诉我仓库临时缺货了。虽然卖家向我道了歉，但我完全不能原谅这种低级错误。要知道沙滩上的太阳是很毒辣的，如果没有防晒霜，我的皮肤很有可能被晒伤。那一刻我别无选择，只能立即去商场购买了一只同品牌的防晒霜。更让我生气的是，商场的价格足足比网上贵了一倍。

我感觉自己蒙受了巨大的损失。因为卖家的疏忽，我不仅多花了好几百块钱，度假的心情也被破坏了。虽然我投诉了这家店铺，但并没有挽回什么损失。网购虽然便宜，但是很可能会出现各种意外。下次如果需要买什么，我一定得提早做打算。

47: 喜欢的节目

Describe a programme that you enjoyed very much (e.g. on TV or the internet).

Some instructions you can follow:

What the programme was about

Where you watched this programme

Who you watched it with

And explain why you enjoyed this programme so much.

ROCK & ROAST is a competitive network show that I enjoy watching. This show originated in the United States and has become popular all over China. If I remember correctly, it is held in Shanghai around June to August of each year. The organizers conduct multiple rounds of selection across the country. The contestants then need to pass several tests, with the eventual winner earning the title of ROCK & ROAST King. Each round of selection is broadcast on Tencent Video.

I know this show because of my roommate who likes to watch ROCK & ROAST. Then I became a big fan of the show too. Every Friday, we sit in front of the computer on time and watch it together.

I like this show because it appeals to me in its form and content. One of the most impressive aspects of the show is that everyone must make five minutes of stand-up comedy. The contestants are not only professional stand-up comedians but also fascinating people from all walks of life. Some are policemen, some are chefs, and the contestants share funny stories from various industries with everyone. Their funny words are full of thoughts on life or society, which are new and attractive. Every time I watch the show, I laugh until my stomach hurts. All my worries flee away afterward.

脱口秀大会是我非常喜欢看的一档竞赛类网络节目。这档节目起源于美国的脱口秀风靡了全中国。这个节目每年都会举办一次，如果我没记错的话，它应该是在上海举办的，大概每年6到8月。主办方会在全中国进行多轮的海选，选手需要通过重重考验，最终冠军会获得脱口秀大王的称号。每一轮的比赛都会被制作成综艺节目，在腾讯视频上播出。

这个节目一开始是我的舍友推荐给我的，她非常喜欢看脱口秀。后来我也成了节目的忠实粉丝，每周五节目更新后，我们两个都会坐在电脑前一起观看。

我非常喜欢这个节目，因为它不管是形式还是内容都非常吸引我。节目中我印象最深的一句话就是，每个人都能说五分钟脱口秀。因此选手们除了专业的脱口秀演员，也有来自各行各业的脱口秀爱好者。他们有的人是警察，有的是厨师，参赛者会分享各个行业有趣的故事给大家。他们风趣幽默的语言中充满了对人生或当下社会的思考，这让节目充满了新鲜感。每次看节目我都会笑到肚子痛，之后所有的烦恼都会一扫而空。

48: 户外看到塑料污染的时刻

Describe a time when you saw a lot of plastic waste in a natural environment (e.g. a park, a beach, a river).

When and where you saw this plastic waste

How you think this plastic waste got there

Why you noticed it

And explain how you felt about seeing plastic waste in this natural environment.

I was quite dismayed recently when my family and I took a vacation to Xiamen. In one sense, the trip to Xiamen was brilliant and I had a thrilling time in this fantastic city. However, there was an aspect to Xiamen that was a consistent disappointment and upset me greatly.

I went to Xiamen when I was a child. The public beaches in Xiamen were very beautiful, the water was crystal clear, and the sand was very clean. But when I went to Xiamen last year on this vacation, I found that the beach was badly polluted. The water quality was poor and murky, in fact, my family were concerned about the safety of swimming in the water.

There were lots of plastic bottles and garbage bags floating in the sea and littered on the beach. I believe most of the rubbish is littered by tourists. I found this incredibly upsetting. I think it is sad that there are many people who are inherently selfish and do not care about the impact of their actions. I wish I lived in a world where people were more conscious of their ecological impact and took greater efforts to reduce the damage we cause to the planet. Xiamen is a beautiful city, with wonderful people, however, it would be far more beautiful without all the pollution on the beaches. Maybe in the future, people will take more care not to litter and cause pollution.

最近我和家人去厦门度假，我很沮丧。从某种意义上说，厦门之旅是精彩的，我在这座神奇的城市度过了一段激动人心的时光。然而，厦门也有一个方面，让我一直对它感到失望，让我非常沮丧。

小时候我去了厦门。厦门的公共海滩很漂亮，水很清澈，沙子也很干净。但是当我去年这个假期去厦门的时候，我发现海滩被严重污染了。水质很差，浑浊，事实上，我的家人担心在水里游泳的安全。

有很多塑料瓶和垃圾袋漂浮在大海和海滩上。我相信绝大部分的垃圾都是游客随手乱扔的。这非常令人沮丧。我认为这是可悲的，有许多人天生自私，不关心他们的行为的影响。我希望我生活在这样一个世界，人们更加注意到他们对生态的影响，并采取更大的努力来减少我们对地球造成的破坏。厦门是一个美丽的城市，有很棒的人，然而，如果没有海滩上所有的污染，它会更美丽。也许在未来，人们会更加注意不乱扔垃圾，不造成污染。

49: 开学的第一天（新题）

Describe something you remember about your first day at a new school.

Some instructions you can follow:

Where the it was

What you remember well

How you felt about your first day at the school

And explain why you remember this about your first day at the new school.

The New Oriental school would not be described as a full-time school in the traditional sense, but rather as a renowned extracurricular English training institution. There was one just a stones throw from my family home when I was growing up. AnnaIELTS copyright. I recall that my mother registered me for its summer English course while I was in middle school. Initially, I was incredibly resistant to the proposition because I didn't believe studying was what summer vacation was for, I would much rather have spent it playing games at home or shopping instead.

To my astonishment, I discovered on the first day that New Oriental's teaching method was fascinating and at once I began enjoying attending the lessons. My memory fails me as to the name of the teacher, however, I will never forget the passion he demonstrated in the class. His particular teaching method was what compelled me the most. He would discuss with us his beliefs on the true nature of life and describe to us his experience of life and then combine this with English training. He could spend anywhere up to an hour chatting in this way during a two-hour-long class.

If a teacher can make it a joy to study, then it's hard to argue that they aren't doing an impeccable job. I was eager to listen and be immersed in his stories rather than studying from textbooks in his classes. This particular style of teaching made me feel relaxed while also enticing me to attend his class and listen diligently, from which I learned a lot unconsciously. I felt very astonished and elated on the first day of attending the New Oriental School and that is the reason why that day has always stuck in my mind.

新东方补习学校其实不是传统意义上的全日制学校，它是一间出名的课外英语培训机构。安娜雅思版权所有。小时候我家附近不远处就有一家。我记得那是在我初中的时候，我妈妈给我报了它的暑期英语课程。一开始我是不乐意去上课的。因为我觉得暑假就不应该学习，我应该在家玩游戏或者出去逛街。

令我没想到的是，开学的第一天，我发现新东方的上课模式非常有趣，我爱上了来这里上课。我已经不记得老师的名字了，我只记得他上课充满了激情。最吸引我的是他的上课模式。老师会跟我们讲人生道理，讲生活经验。然后把这些东西和英语课结合起来。一次 2 小时的课程，他可能会有 1 小时都在跟我们聊天。

如果老师能让你享受学习，那么我认为他们做得很好。这个老师的课让我觉得自己不是在学书本上知识，而是去听他讲故事。这样的教学方式让我觉得很放松，同时又能让我专注听课，不知不觉就学到了很多。开学的第一天我感到很惊喜很意外，所以我至今印象深刻。

50: 想了解更多历史（新题）

Describe a period in history that you would like to learn more about.

Some instructions you can follow:

When this period in history was

How you first became interested in this period in history

What you already know about this period in history

And explain why you would like to learn more about this period.

I have always had a penchant for history, I have recently developed a desire to have a better understanding of the Qing Dynasty.

I first encountered the Qing Dynasty during my history class while I was attending junior high school, however my curiosity in them was not piqued until later. I developed this interest after I viewed a handful of popular TV dramas, which were historical fictions situated during the Qing Dynasty. Although there was a wide variety of plots I became interested in the similar historical details of these dramas, in the culture, clothing, court etiquette, and of course, the historical figures too. What I most desperately wanted to discover was whether the protagonists in the TV series truly existed in our national history.

The Qing Dynasty was the final feudal dynasty in Chinese history. It was a period of rise and falls with a peak of economic and cultural development halfway through its duration. However, the Qing Dynasty eventually perished due to the corruption of the government and a slew of failed policies which led to the halt of economic and cultural development in the country.

I desire to increase my knowledge of the Qing Dynasty because, on the one hand, it is fascinating to compare the annals of history to modern TV series. There were many enthralling figures such as Ji Xiaolan and Heshen whose histories were transformed into dramatic masterpieces for the screen. On the other hand, I consider the period to be utterly intriguing since the Qing Dynasty is the most recent dynasty that practiced feudalism.

我是个对历史很感兴趣的人，我想对清朝历史多了解一些。

我最初学到清代历史是在初中的历史课上，但我真正对它感兴趣，是因为几部热播电视剧。这些电视剧都是以清代为历史背景，虽然故事情节各有不同，但通过电视剧，让我对清代的文化，服饰，宫廷礼仪产生了兴趣。当然还有历史人物。安娜雅思。我很好奇电视剧中的主人公，在历史上是否真的存在。

清代是中国历史上最后一个封建王朝，在清代中期，国家的经济和文化发展都到达了一个高峰。到了后期，由于政府的腐败和闭关锁国的错误政策，清朝最终走向了灭亡。

我想更多的了解清朝的历史，一方面是因为这能让我把历史和我看的电视剧联系起来，这是一件很有趣的事。清朝有很多有意思的人物，比如纪晓岚、和珅等人，他们的故事被拍成许多影视作品。另一方面，毕竟清朝是离我最近的封建时代，所以我对它很感兴趣。
