16 遭遇的交通堵塞

is traffic jam common in your city? 是的，特别是在 xxx 时候	It varies from time to time; for example, when it comes to peak hours on working days, traffic jam is very common in my city, since so many cars flush into streets at the same time, and people are in a hurry to return home.
what do people normally do when they experience traffic jam 罗列动词	They tend to a variety of things to wait in a line when there is a traffic jam, like listening to the radio program or music, chatting with friends or just doing nothing but wait.
what are the reasons of having traffic jam? 原因取决于很多不同因素 lie in	Reasons can be multiple, and the reason lies in many factors like infrastructure of roads, drivers' habit and quality, the management level and the weather condition; for example, if downpour is happening during peak hours, people would experience traffic jam for sure in my city.
how to solve the traffic jam? 罗列解决方案就是 1 提高意识 2 付诸具体实施	And accordingly, people need to heaps of things to better the traffic situation; for instance, it is necessary for the government to invent on infrastructures like road, interchange, highway and so forth; besides, it is also essential to make traffic control more intelligence, by using the big data and top-down system, traffic can be well monitored and controlled, which all help solve the traffic jam.

17 庆祝过的活动

do you like to celebrate important events? why 是的，我会在什么时候做什么，意义是什么，问个人问题就是 5w	Yes, I do, since it is ceremonial and memorable to celebrate important events, and when I invite my friends over, we could enjoy each other's company and mark the important occasions together.
what kinds of events do people usually celebrate? 罗列名词	People normally celebrate many kinds of events, like graduation ceremony, promotion, housewarming, wedding ceremony, baby shower, traditional festivals and so on.
do people often celebrate events with a large group of people or just a few people? 千人千面的问题就是 lies in 取决于	It depends on many factors when talking about people's preference, including personality, family background, personal situation, timing, social skill and so on; in that case, open-minded person who has loads of friends would like to stay with a large group, or they prefer to do it with only a few friends.
do people often	The answer is positive, since festival is the moment to savor

celebrate festivals with families? 是的，然后六边形逻辑支撑	family gathering and boost family ties, it is common for people to stay with families to celebrate festivals, and they tend to many things like eating, chatting, laughing and hanging out together.
--	--

18 花费不多的一天

do people like to spend their leisure time out in your country? 是的，特别是鉴于xxx的情况	The answer is yes, and people in my country would like to spend leisure time out, since it is refreshing to get close to nature and do outdoor activities; especially given that nowadays people tend to live a sedentary lifestyle, hanging out with friends is a good way to refresh mind.
how do people usually spend their leisure time? 罗列动名词	People tend to spend their leisure time by doing a variety of things, like watching TV or movie, doing sports, camping, picnicking, playing games and traveling.
how does technology affect people's way of spending leisure time? Change 类的典型问题	In the past, people used to have fun in an offline and traditional way, like watching TV, going window shopping or visiting a park; but now, there is a trend that more people would like to spend leisure time online or on social media sites, doing things like chatting with friends, playing online games, watching videos and so forth.
do you think that only old people have time for leisure activity? 不是的，因为休息是 human nature，如果不休息会 xxx	I don't think so, since spending time on leisure activity is the basic need for people of all ages; just as a saying goes, all work and no play makes Jack a dull boy, without relaxation, people would be worn out, and people will manage to find time to do leisure activities.

19 生活的积极改变

is it easier for young people to change? how about old people? 千人千面的问题就是 lies in, 适应性的取决因素	The adaptability lies in many factors, including personality, knowledge, experience, family background and timing; in other words, age is not one of the main concerns, as long as people are extroverted/open-minded or experienced, they would be used to a change very easily, or I don't think so;
Who is more likely to be used to a new environment, adults or children?首先要看哪些因素，这样一来，成年	Again, the speed of blending in depends on a range of aspects like parenting, personality, social circle, knowledge and experience; and accordingly, I guess adults tend to be used to a new environment more quickly, since they are more experienced and mature in nature, and they can get over difficulties more

人可能会更强一些	easily than children.
Do people always like changes? 不一定，那就是变化的好坏处，坏处走极端	It is not always the case, since changes can be two-sided, especially for those people who are conventional or conservative, since they are so used to the monotonous life, instead of the variation; and when it comes to dramatic changes, they would have no sense of security or stability, and they need to be out of the comfort zone to cater to the new trend or change, which is unpleasant for them.
what changes do people often have in life? 直接罗列名词，可以先定性再定量	In a general sense, as long as those changes are positive and progressive, people would like to embrace those changes, especially when it comes to important aspects about life, work and study, like finding a better job, moving to a bigger house, making progress in life habit, finding a perfect date or making a difference in life and so forth.

Here are some [reasons](#) that you might find change worthwhile:

1. You might find a better job.
2. You might have an opportunity to open a business.
3. You might find a better way of going to work.
4. You might find a better way of communicating with your significant other.
5. You might find a more effective way to do a particular job.
6. You might find a way to delegate an activity that you don't enjoy doing.
7. You might find it's better to leave someone you're in a [relationship](#) with.
8. You might find a way to take a hobby and make it into a job or business you can start.
9. You might find someone you want to spend your life with.
10. You might decide to continue working or retire earlier.

20 帮助小孩子的经历

How could volunteering help you?	
Volunteers have higher odds of finding employment in today's job market	Build your skills and gain work experience
Stay engaged in the world of work	Meet new people and build your professional network
Make a difference in your community and create a sense of belonging	Increases self-confidence
	Face new experiences and challenge yourself
do you often help kids? 个人问题就是 5w, 什么时候会在哪里帮助谁, 这样做好处	I do it from time to time, especially given that I am a caring and kind person, I will help kids in different ways, like tutoring my nephew, giving lucky money to my niece, coaching neighbor's kids badminton and so on.
why is it necessary to do volunteer services? 特别是鉴于我们目前的 social context, 如果没人做这个, 后果是	Everyone should be encouraged to do volunteer services if there is any chance, since we rely each other to make the world a better place to live; without any volunteer or voluntary services, many vulnerable people would be helpless and pathetic. It is also the way to build the sense of responsibility.
what can schools do to develop students' awareness of volunteering? 罗列解决方案就是 1 提高意识 2 付诸实施	First, students should be taught about the importance of helping each other in a voluntary way; after all, one's behavior lies on mentality and understanding; besides, it is also essential for students to put theory into practice by being volunteers, which will consolidate the awareness.
who benefit more from the volunteer services, the volunteers or the people helped? 这个是 mutual 相互的, 给与方和得到方都有好处	As a saying goes, helping is mutual; and both of them will be beneficiaries by doing voluntary services; since while recipients are helped, volunteers would grow sense of pride and satisfaction as well.

21 你忙碌的经历

are you often busy? 个人问题就是 5w	Yes, I am always busy with a variety of things, including family issue, work, study and socialization.
what are the advantages and disadvantages when people keep busy? 人们忙碌的好坏处，坏处走极端	It surely can be a good thing, since people have a sense of fulfillment and significance when they are busy living a life or working; while if the life pace is overwhelming, they will be worn out and experience many issues like frustration, anxiety and insomnia; that's why it should be a balance.
do you think children should learn through playing games or under pressure? 这两个都可以得到进步，两个并不冲突，然后分别给出两方面的 benefit	Both of them are not necessarily mutually exclusive; since on one hand, playing games offers children a chance to hone abilities like hands-on ability, eye-hand coordination, teamwork spirit, communication skill and so on; while on the other hand, pressure will help children make progress regarding learning skills and studying; that's why people say that if it doesn't challenge you, it won't change you.
what kind of pressure people may experience at work? 先定性，再定量	Pressure from work could be various, and it mainly lies on aspects like word requirements, workload, deadline of project, peer competition, job satisfaction, financial burden and so on.

22 用手机做重要的事情
