TR: Well, the quiet place I'd like to talk about is a cafe named Unico, which is located near my community, and it only takes me ten minutes' walk to be there. And the place is full of serene/tranquility. 在哪里

D: As long as I have spare time and I am in the mood of studying, unicorn is my first choice. People normally do a range of things, like catching up, drinking coffee, reading magazines and studying. 都什么时候去, 做什么

PO1: I like it for some reasons

非常安静

For example, the place is private and peaceful, since everyone only minds their own business; while I am studying there, I can fully concentrate on my own stuff, instead of being disturbed or interrupted by others; even if I am tired, I can walk around the place, hearing natural sounds like birds' chirping and wind's whistling, which allows me to have a calm mindset.

PO2: 此外欣赏窗外的风景

Besides, after studying for a while, I always take a timeout by appreciating how pretty the view outside is, given its location near a lake, I can see kids running around and teenagers playing skateboard, especially when it comes to the sunset moment, the view from their patio is unparalleled. That's why it is my haven to study.

去过的新地方TR: when talking about such a place that I visited for the first time, the first one in my head is a cafe named Unicorn, which is located near a lake in the park, and the place was recommended by my friend, who told me that I would dig that place very much.

安静的地方/会推荐给朋友的地方

TR: The experience roughly happened xxx ago, while I spent a wonderful vacation with my family in a seaside place, and the trip was really impressive

Description: Basically, we did a range of things by the seaside, like barbequing, picnicking, waling on the beach, doing water sports, shopping and tasting local delicacies ; 或者we did many things in this farmland, like horseback riding, feeding goats, playing games, picking cherries, boating and barbequing so on; everyone had a blast.

PO: First of all, the place is surrounded by trees, flowers and plants, and we saw a variety of colors, like blue sky, cotton-like clouds, crystal-blue ocean and blue mountain in the distance. Plus, the place is really peaceful, we could only hear natural sounds like bird's chirping and wind's whistling when we get up in the morning.

Besides, the place is ideal for outdoor activities, like all kinds of water activities; so that we had a chance to step out and stretch, which is good for our health.

More amazingly, I spent quality time with my family, doing things like chatting with each other and cooking together, which is good to boost ties. especially when it comes to the sunset moment, we could enjoy the endless views and colorful sunsets.

That's why the vacation is memorable.

新地方/城市/乡村/推荐给朋友的地方

D: while we were there, we did a range of things, like shopping, tasting local delicacies, trying water sports like swimming and visiting landmarks/tourists' sport 我们在那里都做了什么

PO1: the city is interesting for some reasons; for example, the whole city is like a big garden, and we could see colors of all kinds, like blue sky, white clouds, white-sand beach, green trees and colorful flowers, which greatly freshed our mind and boosted mood 花园城市

有趣的城市

PO2: besides, the city is a blessing for foodies, since we could find cheap and fresh seafood everywhere, we tried cuisines of all kinds and our tastebuds were spoiled. 满足吃货的味蕾

PO3: more amazingly, the city is really scenic and picturesque with the stunning ocean view; especially when it comes to the dusk moment, we just enjoyed the endless views and colorful sunsets, the memory was once-in-a-lifetime 难得的美好回忆

结论: that's why I look forward to paying a second visit very soon

理想居所/让你惊喜的事情/你会推荐给朋友的地方

TR: when talking about such an ideal place to live, the first one in my head is a villa that is near a seaside location; and I would like to invite my whole family to live with me, which will be awesome 和谁住在哪里

D: As for the interior rooms, I wish to have special rooms besides bedroom or living room, like a gym, a home theatre, a game room and even a library; while for the outdoor layout, it will be great if there are facilities like swimming pool, veggie garden, barbeque area and children's playground.

PO1: I will be crazy for this place since the villas would be surrounded by natural elements like trees, flowers and so on; when I open my window, I could see colors like blue sky, crystal-blue ocean, white clouds, white-sand beach, colorful flowers and so on, which is so different from the bustling city.

PO2: besides, given the place is quiet, I could hear natural sounds like birds' chirping and wind's whistling or sound of wave, which could offer me an inner peace.

PO3: last but not least, it is ideal for the whole family to live under the same roof, since it is very spacious and well-equipped, I can imagine that while kids run around on the lawn, adults could picnic or barbeque, which is really amazing; thats why it is my ideal place to live.

TR: the experience roughly happened xxx ago, while I took a bush walk with my parents when we traveled to xxx, which is located in the north of my city, and the trip left me a lasting impression

D: basically,given that the village is very rustic, we had to walk along the trail to explore the beauty of the countryside, and it almost took us 5 hours to finish the excursion.

PO: and we were lucky enough to see the beautiful views and colorful sunsets, which is totally different from city's concrete jungle vibe. besides, along the trip, we could only hear natural sounds like bird's chirping and wind's whistling. more amazingly, the trip is like an escape from the bustling city, so that we could burn calories and do aerobics; thats why it is really impressive.

想参加的比赛

TR: Well, the competition I' d like to attend is a marathon that can be full or half, which will be held in different cities across the globe; and due to its popularity, many friends of mine have tried that already, and I have been persuaded by them to do it all the time. With all the ups and downs they have shared with me about marathon, I am quite anticipated to have a try one day. 或者 I am very tempted to do so. 给出 TR 的理由

D: In order to be energetic enough to finish the competition, I need to prepare it at least one month earlier, doing things like getting up early and running for about one hour a day, which is quite demanding 要求挺高的. 都需要做哪些准备

PO1: I believe this competition can be a life-changer for me. 首先, 这不是一个一定要赢得第一名的比赛, 只要能够完成这个比赛我就是胜利者

For instance, in Marathon, it doesn' t matter whether you come in first, in the middle of the pack or last. As long as you can say that I have finished, there will be a lot of satisfaction in that. So, basically, it is a competition that is all about challenging oneself. Once we cross the finish line, we are all winners.

PO2: 其次, 通过这项运动, 我可以被鼓励过一种远离久坐的生活方式, 让我能够更加健康

Besides, it is the sport that can encourage us to get away from leading a sedentary lifestyle; otherwise, we would be homebodies sitting in front of computer screen all day long; by being stimulated to finish such a goal, we are required to step out and stretch on a regular basis.

PO3: 因此这是一个战胜自己的过程, 逐渐地我会变得很有毅力和耐心, 也对我的人生有很大的帮助 we can have stamina from such a sport.

More than that, just as a saying goes, what goes around, comes around; marathon can be a metaphor for life, since we get out of it what we put into it. Probably gradually, we could become more patient and persistent out of this competition.

这是为什么

That' s why such a competition that may allow us to experience a different life.

重要的河流湖泊

TR: The important river I'd like to talk about is the Yangtze River, which is the longest river in Asia and the third-longest in the world; as the river that flows the entire country, Yangtze River or Changjiang is the most important one in China.

D: Basically, the Yangtze River has gone all the way from Tibet to the east China sea, covering many provinces like Sichuan, Chongqing, Hubei, Shanghai and so forth, with the length of more than 6,000 kilometers, which is the home to nearly one-third of the country's population. So, it undoubtedly is the most important river in China.

PO1: For instance, the Yangtze River is the cradle of the country's history, tradition, culture and economy, since it has been used to many things, including transportation, sanitation, irrigation, industry and power generation; While the three-gorge dam is the largest hydro-electric power station in the world; in other words, the Yangtze River has made what China it is today.

PO2: Besides, the river is the home to a wide array of ecosystems and natural reserves, like wetland, grassland, forest, rivers and lakes, which are all the foundation of survival and civilization; without the protection of the Yangtze River, those endangered species would be threatened as well, including dolphin, alligator, paddlefish and so forth. That's why it is very important.

喜欢的童年玩具

TR: well, the toy I would like to describe actually is a set of Lego blocks, which was a birthday gift from my parents when I was in my primary school. and it was my favorite toy when i was little. 给出对于问题的回应

D: Basically speaking, playing Lego blocks consist of colorful interlocking plastic bricks in different forms, and then those pieces can be assembled and connected in many ways to construct objects like vehicles, buildings and working robots. 如果说barbie doll可以是: Basically, when we play with Barbie dolls, what we need to do is to dress up Barbie with different costumes or accessories, besides, we can also put Barbie into different settings, like being a nurse, model, teachers, superheroes and so on.

PO1: i love it for some reason, to begin with, it is such a record and witness of my carefree childhood, since I can still recall that when I was little, I almost spent all my time on playing blocks by myself or with my little fellas, the process of playing it made hours pass like minutes; and the biggest fun was that my imagination and ideas could be realized by building blocks 童年的美好回忆

PO2: 锻炼能力: additionally, through playing Lego toys, I consider my personal abilities can be greatly boosted in terms of hands-on skills, eye-hand coordination and so forth.

PO3: 和小伙伴: oh, one more to add, sometimes it called for teamwork to finish those projects, for example, we needed to do our own tasks and parts to complete a big castle or car-park building, throughout, our bonds were boosted through working with each other. Generally, that's why this fun experience is worth sharing.

TR: when talking about such a way to save time for me, the first one in my head is about using the shared bike, which is very convenient and eco-friendly.

一开始: the experience roughly happened several years ago, while I just moved to a new apartment that was close to where I study/work; and I faced a dilemma of the last mile issue, since the distance between home and the nearby station is too long for a walk and too short for a taxi

后来: and afterwards, my friend recommended me to use the shared bike, and it was my first time to use such a product; after the first experience, I fell in love with it, since it is very simple and straightforward to use, for example, only scanning the QR code, I can borrow and return a bike like a piece of cake

到最后: eventually, the problem was solved, since cycling was the best option for me to do the daily commute; since it was way faster than walking; and meanwhile, it was money-saving and eco-friendly

结论: now, I used shared bikes on a daily basis, and it allows me to save time, save money and do exercises at the same time.

帮助你节省时间的方式

你们国家的传统产品

TR: when talking about such a traditional product in my country, the first one popping up into my head is the bicycle, which is commonly used and found everywhere in my country. 给出对于问题的回应

D: previously, bikes were used mainly for the daily commute, while nowadays, shared bikes are a dime a dozen, since it is simple and straightforward to use shared bike; for example, only by scanning the QR code, a bike could be borrowed and returned like a piece of cake.

PO1: people love biking for some reasons; for instance, cycling can be viewed as a way of doing aerobics; especially given that we all tend to live a sedentary life, and riding a bike could help us burn calories. 健身的方式

PO2: besides, it is also eco-friendly, since it allows us to reduce carbon footprints if we cycle everyday, instead of driving; if more people choose to ride, two major issues in city will be solved, including traffic jam and air pollution. 环保

PO3: one more to mention, it betters the issue of the last mile, since the distance between home and nearby subway station is too long for a walk and too short for a taxi, and bike is the best solution 解决了最后一英里的问题

结论: that's why it is favored by many of us

有积极影响的发明

TR: when talking about such a great invention that brings positive influence to our life, the first one popping up into my head is the introduction of shared bikes, which are very useful and practical. 这个发明是什么

D: basically, it is very simple and straightforward to use a shared bike; for example, by scanning the QR code (二维码全称是quick response) with our phone, we could borrow and return a bike like a piece of cake; more amazingly, now shared bike is like a dime a dozen on streets in my city.

PO1: this invention is amazing for some reasons; to begin with, two major issues have been improved/eased, including traffic jam and air pollution; since if more and more people use shared bikes, fewer private cars would be on streets, and everyone could do their share 尽一份力 to make our city a better place to live/protect our environment. / reduce carbon footprints 为环保和交通拥堵做贡献

PO2: Besides, cycling can be viewed as a way of doing aerobics; especially given that nowadays we are used to living a sedentary lifestyle, and cycling encourages us to burn calories during daily commute 日常通勤; it has bettered the situation of the last mile, and people have one more option to return home. 解决了最后一公里的问题

结论: that's why it is amazing.

TR: when talking about such a gift, the first thing in my head is a capsule coffee machine, which is really an amazing product, and I bought one several months ago.

D: basically, it is handy to use such a coffee machine; for example, just by pressing the button, a cup of original coffee can be made with the mix of coffee capsule and water, and it only takes 10 seconds to make one coffee, which is really convenient and tasty.

PO: I'd like to send it to my friend as a housewarming gift; since firstly, it is affordable, and it only costs me around 800 kuai to buy one, which is cheaper than buying coffee on a daily basis; besides, my friend has many flavors to choose regarding making coffee, like latte, cappuccino, americano and so forth; given that we are all big fans of drinking coffee, I believe that my friend will dig it.

想送朋友的礼物

TR: when talking about such a thing, the first thing in my head is a capsule coffee machine, which I bought several months ago

Description: at first, I was really tempted when I saw such a product; since i am a big fan of drinking coffee; and it is very handy to make coffee of different flavors ; thats why I bought it without hesitation But afterwards, only one month later, The coffee machine somehow didn't function well, and I had no choice but to call the customer service, and they promised me to fix it as soon as possible, after hearing that, i was relieved.

坏了又修好

PO: eventually, the problem was solved, and they repaired it for free as part of the warranty, which made me feel satisfied; and just like that, I could enjoy a cup of coffee like before; and the experience is impressive.

TR: when talking about such an item, the first thing in my head is a capsule coffee machine, which is a must-have thing in my life, and i use it almost every day. a necessity; necessary ; i do it on a daily basis.

D: at first, I was very tempted when I saw such a product, since it is very handy to use; for example, only with the click of a button, a cup of tasty coffee can be made with the mix of coffee capsule and hot water, so I bought it without any hesitation.; it is worth it;

PO: afterwards, I have become addicted to drinking two cups of coffee everyday, especially given that currently I am busy with my exam prep, and coffee is like a morning wake-up call to energize me; besides, I have many options to choose capsules with different flavors, like americano, latte, cappuccino and so forth, which is really amazing; thats why it is something that i cant live without.

生活离不开的东西

TR: when talking about such a rule that I dislike, the first one popping up into my head is the denial of the shared bikes in my community, which is quite unfair and inconvenient from my perspective; and I wish that they could remove such a rule

D: according to the rule, all shared bikes have to be parked outside of the community, and any violator will be warned or even fined. in that way, our community could be more organized and neat; besides that, due to the recent bike accident in the community, all shared bikes are banned; and this rule was effective after a bike accident in the community several months ago. and i am very against it given that my community is very huge and it is labor-consuming to walk around;

不喜欢的规则

PO: benefits of using shared bikes are obvious, for instance

TR: well, the interesting song I'd like to talk about is called PPAP, with the full name of Pen-Pineapple-Apple-Pen, which is one of the most famous and widespread songs on the Internet.

D: Actually, the first time I heard this song is about several years ago, since the song and music video went viral on the Internet, and even today I remember the song very well with its brainwashing tune. basically, the lyrics come like this: I have a pen, I have an apple, apple pen; I have a pen, I have pineapple, pineapple pen

PO: even if the song is quite pointless, somehow, the song is interesting for some reasons, firstly, the lyrics are simple and catchy/brainwashing, impressive/hilarious/meaningless; I even couldn't get it out of my brain; it is in my head over and over again; 或者说: Tune is easygoing, I will sing along with it naturally; beat is strong, I couldn't help moving my body with it;

moreover, people's creativity and imagination has been inspired, for example, we can create our own version of the song, such as "I have a toilet, I have a toothbrush, ummm, toilet brush" and so forth;
