eco-friendly alternatives/substitutions/replacements 生态友好的替代品

杨董预测写作内部资料

看句子积累词汇--环境类

1. Nowadays, more and more companies and industrial zones have been discharging chemical waste into rivers, causing death of many fish and other aquatic animals.
2. Africa is a continent in which environmental degradation is evident in the spread of the deserts and the extinction of animal species.
3. There have been numerous international conferences to warn of the dangers, but many governments have refused to take action on global warming.
4. Most plastics are not biodegradable, and remain as 作为 waste products in the environment for thousands of years.
5. Timber companies must not be allowed to deplete natural resources by cutting down trees without planting new trees to replace them.
6. Ozone layer depletion has the effect of allowing radiation from the sun to penetrate the atmosphere and this increases risk to humans of skin cancer.
7. Environmental degradation caused by human activity is provoking an ecological crisis which threatens our existence.
8. By providing subsidies, governments should encourage companies to reduce their carbon footprint through energy efficiency or other green measures.
9. People must be made aware of the need to cut down on emission from their cars if we are to reduce air pollution.
10. Unless we consume less of the Earth's natural resources, it will be impossible to fight climate change and safeguard our future.
11. Governments must invest heavily in solar and wind energy projects in order to reduce our reliance on fossil fuels.

12. Everyone can assist in the effort to alleviate environmental problems in the local community through simple actions such as recycling waste or planting a tree in their garden.

语法改错答案

1. Some people think that the true function of universities **is to** provide knowledge for their students.

搭配错误，purpose，goal，aim，function 等词作主语，谓语动词跟 is to do sth

2. Intelligent students should not be treated **differently** by their teachers.

副词修饰动词和形容词，形容词修饰名词

3. International aid (that is) **provided** **被提供给穷国的国际援助** to the poor countries will cause them to lose dignity.

现在分词表示主动，过去分词表示被动

4. Newspapers exert such tremendous influence that they can **not only** bring about major changes to the lives of ordinary people **but** alter the government's decision.

Not only....but also 后的并列成分最好对等，bring 和 alter 两个动词并列

5. The production in the USA is higher than **that** in Canada.

比较成分不对等。是产量的对比，不是美国的产量和加拿大对比。
