From here you go anywhere

## *How will you name your children?*

- *How will I name my children? I'll never get to name them because I don't plan to have any kids. I do plan to get married, but only to somebody that agrees not to have kids. So ... sorry, I can't answer this question.*

## *Do you like trees?*

- *Do I like trees? Um, that's a weird question ... I mean, I like reading, I like traveling, I like playing soccer ... but trees? I don't have any feelings for them.*

## *How do you plan your time in a day?*

- *To be honest with you, I don't usually plan my day; I tend to go with the flow. This is what makes me happy, I guess. I don't like the feeling of having a list to complete.*

## *Are you interested in watching TV advertisements or internet advertisements?*

- *Honestly, I like neither of them; they're both boring and annoying. When there's a commercial on TV, I change the channel. And ... although I can't avoid internet ads, it doesn't mean that I like them.*

## *Do you like trees?*

- *Do I like trees? Um, that's a ... that's a ... Well, I'm looking for a word to describe your question, cuz I feel that it's not like most of the NORMAL questions we would get in everyday conversation. I mean, I like reading, I like traveling, I like playing soccer ... but trees? I don't have any feelings for them.*

## *How do you plan your time in a day?*

- *To be honest with you, I don't usually plan my day; I tend to ... well, you know, if something happens in my life, like if I have a new task, I just deal with it. Then, if there's nothing important to do, I just sit back and relax. Yeah, I don't like the feeling of having a list to complete.*

## *Are you interested in watching TV advertisements or internet advertisements?*

- *Honestly, I like neither of them; they're both boring and annoying. When there's a ... um ... what's that word again? God, I should know it. You know, an ad on TV ... Um, never mind. Yeah, I just change the channel, and I don't like online ads either.*
