口语-Part1 口语话题之交通和旅行-课程讲义

第一部分 核心内容

一、Transportation

1. 话题常见问题

- 1) What kind of public transportation do you usually take?
- 2) When do you usually take public transportation, in your everyday life or when you are travelling?
- 3) Do most people prefer public transportation in your country?
- 4) Did you take public transportation when you were a kid?
- 5) Will there be more people taking public transportation in the future?

Tips:

- 运用逻辑架构法则并结合提问类型组织答案
- 积累话题相关表达

1) What kind of public transportation do you usually take?

[观点] The public transportation that I take more frequently must be the subway,

[解释原因-1] which is absolutely the best way to **stay away from the traffic jams** in such a cosmopolitan city like mine. [解释原因-2] It's pretty **punctual** and can **shelter me from unpredictable weather**.

2) When do you usually take public transportation, in your everyday life or when you are travelling?

[观点句] I frequently take public transport while travelling. [解释原因-1] Thanks

to various mapping apps, the subway lines and bus routes can be easily **accessible** to us new visitors. [解释原因-2] What's more, I find it a great way to **have** a better experience and **a closer look at** the local people and life where I'm travelling.

3) Do most people prefer public transportation in your country?

[观点] Yes, I guess we can figure it out by **rough statistics**. [细节-对比] Though private cars are becoming more **prevalent** in most places around my country, the **capacity** of buses and subways can never be **surpassed**. [进一步解释] What's more, our transport system is **well-organized**, which means it follows **rigorous schedules** so commuters never need to worry about traffic delays.

4) Did you take public transportation when you were a kid?

[观点] Yes, but not that frequently. [解释原因] Because when I was little, my school was **within walking distance** from my house. But when it comes to the weekends, **as far as I can remember**, my parents used to take me to many tourist attractions by bus.

5) Will there be more people taking public transportation in the future?

[观点] Yes, I guess so. [细节-解释原因] With the rapid pace of **urbanisation**, cities are becoming larger and more **populous**. Consequently, we are going to face severe pressure from traffic jams. Public transport is **by far** the best ever solution to **improve transport efficiency** and hopefully keep us away from congestion.

二、语法

1. I'm more fascinated with business prosperity and historical sites, which in my mind serve as symbols of the civilisation we human beings have reached.

主句部分 I'm more fascinated with business prosperity and historical sites 为主系表结构, which 引导非限制性定语从句, 修饰前面的先行词 historical sites, 从句中 in my mind 为插入语, 从句为主谓结构, as 介词短语;

we human beings have reached 修饰前面的先行词 civilisation, 为省去 that 的定语从句, that 在定语从句中作宾语可以省略, 从句为主谓宾结构。

2. Walking on any **random** street there, I feel I'm in a place where **the past meets the present** and **the west meets the east**.

Walking on any **random** street there 为现在分词做伴随状语, 主句的主语 I 和现在分词为主谓结构; 主句部分 I feel ..., 为主谓宾结构, 谓语动词 feel 后面的

宾语为省去 that 的宾语从句 I'm in a place; where 引导的定语从句 where **the past meets the present** and **the west meets the east** 修饰前面的先行词 a place, 定语从句中为并列句, 两个并列的主谓宾结构。
