第一部分 核心内容

一、Teachers

1. 话题常见问题

- 1) Do you have a favourite teacher?
- 2) How does/did this teacher help you?
- 3) Would you like to be a teacher in the future?
- 4) What qualities should a good teacher have?

Tips:

- 运用逻辑架构法则并结合提问类型组织答案
- 积累话题相关表达

1) Do you have a favourite teacher?

[观点] Yes, I do. He was my history teacher back in high school. [细节-对老师的印象] **As far as I can remember**, he's quite a handsome gentleman who dressed in a very smart way on a daily basis. [对我的影响] **Not only** did I learn a great deal of knowledge from him, **but** I also **developed strong interest** in history.

2) How does/did this teacher help you?

[观点句] The greatest help I've received from this teacher is the **encouragement**, which **consequently** aroused my interest in history. [具体描述-老师的影响力] I mean he seems to have the magic power to get students **immersed** in the contents he was teaching and **motivated** to think actively

about each question that he raised in the class. [我的感受] It's because of him that I have discovered so much fun in such a **seemingly boring** subject.

3) Would you like to be a teacher in the future?

[观点] No, I'm afraid not. [解释原因] I don't think I have the courage or ability to take such a **noble** job and deal with a whole class of curious young hearts, which can probably be pretty **vulnerable**. [想法补充] There are chances that I deliver the wrong message which may lead to **unimaginably** bad results.

4) What qualities should a good teacher have?

[观点] To be a good teacher **absolutely** demands a lot. [细节-特质 1] **But on top of the list**, a mind that is always **willing to** learn new knowledge and **eager to keep up with** the new trend is **a primary condition**, which ensures effective teaching. [其它特质] There are also things like **an unbiased attitude** towards all students and outstanding patience to answer all sorts of questions. [总结] **In a word**, it's one of the most difficult jobs to be a good teacher, and anyone who has a good teacher is **blessed**.

1) Have you ever met famous people?

[观点] Yep, I've met several celebrities both **accidentally** and at live concerts.

[细节-故事叙述] The last celebrity I met was Lin Youjia, a well-known singer from Taiwan. I went to his live concert in Wuxi, Zhejiang Province in January this year. **Although** I didn't **get a chance to** talk to him, I was able to see him **from a close distance**.

2) What kind of famous person are you interested in?

[观点] I'm particularly **fond of** singers [解释原因] because I myself like singing and **playing some instruments** such as the guitar and the bass. **So** I'm always paying attention to these musicians' **compositions** and **performances**.

3) Do you want to become famous?

[观点] Actually, I don't. [解释原因-1] **Although** being famous usually comes with **fame and fortune**, I'm not sure I can deal with the pressure of being a **public figure**. [原因 2-自身方面] **Plus**, I'm not willing to trade my **privacy and freedom** for money or **reputation**.

4) If you have the chance, which famous person you would like to visit?

[观点] Honestly that would be David Beckham. [解释原因] I've been **a big fan of** him for over ten years. [细节-故事叙述] When I was a middle school student, my classmates usually talked about his performance at **Manchester United**, and they told me that David was a true **genius**. [我的感受] **From then on**, he has been the one who **wins my great admiration**. [总结] So he will be the only famous person I want to meet if I have the chance to do so.

二、语法

1. I mean he seems to have the magic power to get students **immersed in** the contents he was teaching and **motivated** to think actively about each question that he raised in the class.

主句部分 I mean 为主谓宾结构, 宾语部分为省去 that 的宾语从句, 从句为主系表结构, 表语为不定式 to have ...后面加不定式 to get sb done 修饰; 省去关系代词的定语从句修饰先行词 contents, motivated 和前面的 immersed 并列, 后面加不定式修饰, 最后一部分 that 引导的定语从句修饰先行词 each question, 从句为主谓宾结构, 后面加介词短语。

2. **But on top of the list**, a mind that is always **willing to** learn new knowledge and **eager to keep up with** the new trend is **a primary condition**, which ensures effective teaching.

But on top of the list 做连接词, 主句部分为 a mind is **a primary condition** 主系表结构, 主语部分后面有 that 引导的定语从句修饰, 从句为主系表结构, 两个并列的系表结构; 主句表语后面有 which 引导的非限制性定语从句, 从句为主

谓宾结构。
